# Hutton Sparks Husker's Drills

Headmaster Bernie Masterson herded his 1947 Cornhuskers out to the Memorial Stadium pastures Wednesday afternoon for a two hour drill behind closed gates to gear the Scarlet for the opening tussle Sept. 27 with Indiana's Hoosiers.

Speedy and elusive Dick Hutton found the stomping grounds to his liking as he trotted to two touchdowns on 50 and 72 yard gallops through the Nubbins' defense.

Hutton, returning to his late '46 season running form, teamed with Junior Collopy at the half-back posts for the Reds. Masterson used Del Wiegand, only quarterback not on the injured list, and Dale Adams as other starting backs.

### Sim at Tackle.

Big Carl Samuelson and Jack Pesek drew starting end assignments. Charlie Toogood lined up with Gene Sim at the tackle positions while Johnny Sedlacek and Gene Wilkins held the guard spots. Bruising Tom Novak started at center for the Reds.

After Hutton ripped to a touchdown on the first two running plays from scrimmage, and contributed another counter, Masterson inserted a second Red lineup.

Ken Fischer contributed large gains for the second teamers before Bob Ackerman slipped over from the two.

Bill Moomey reeled off gains of 35 and 10 yards before Jim "Squat" Myers propelled over from ten yards out.

### Wiegand Scores.

Quarterback Wiegand scored from the three in the Reds' early surge after Collopy, Adams and Hutton hustled the ball down field.

Fearing a repetition of the Hoosier's deadly 1946 aerial attack, Masterson turned the pigskin over to the Nubbins. Footballs filled the air as Bernie attempted to sharpen up the Huskers' air defense.

Coach Masterson has scheduled a closed scrimmage for Saturday as a final preparation for the season opener.

construction will be released Friday.

Four of the ten concrete courts that are destined to be a reality soon will be located between the Coliseum and Armory. Four will be constructed at the Ag college and two will be built at the Women's dormitory site.

### GRID EXAMS

Physical examinations for freshman football players will be given Thursday at 6:30 p. m., in the training room of the Field House. No equipment can be issued until the examinations are taken. Trainer Elwyn Dees announced.

## Fall Football Opens Up NU Intramurals

With the beginning of fall sports the intramural touch football league games get underway Tuesday, Sept. 25 at 5:00 and continue daily.

Fraternity and independent teams are urged to register their teams before the deadline Saturday, Sept. 20. Registration of the teams is at 207 Coliseum.

Any organization or group may enter a team or any person not connected with an organization may make arrangements for playing at the Coliseum.

The organization of new independent teams is encouraged by L. E. Means, director of physical education, who hopes for the establishment of new independent leagues. Last year the unorganized men of the campus participated in all of the sports and a larger turnout is expected this year.

The fall season also brings to the intramural calendar the basketball free throw contest scheduled for Oct. 6, the fall golf tournament to be held at Pioneer golf course in mid-October and the annual cross country turkey race in late Oct. These are open to all university students. Team bowling and handball leagues are to begin play in November.

For more information on the intramural program a copy of the new intramural handbook can be secured at 207 Coliseum.

## Ten Net Courts Completed Soon

Tennis enthusiasts will soon be able to play on UN's ten newly constructed net courts. Bids for
