

# The Daily Nebraskan

Member  
Intercollegiate Press  
FORTY-SIXTH YEAR

Subscription rates are \$1.50 per semester, \$2.00 per semester mailed, or \$2.00 for the college year, \$3.00 mailed. Single copy 5c. Published daily during the school year except Mondays and Saturdays, vacations and examination periods, by the University of Nebraska under the supervision of the Publication Board. Entered as Second Class Matter at the Post Office in Lincoln, Nebraska, under Act of Congress, March 3, 1879, and at special rate of postage provided for in section 1103, Act of October 3, 1917, authorized September 30, 1922.

The Daily Nebraskan is published by the students of the University of Nebraska as an expression of students news and opinions only. According to article II of the By Laws governing student publications and administered by the Board of Publications: "It is the declared policy of the Board that publications under its jurisdiction shall be free from editorial censorship on the part of the Board, or on the part of any member of the faculty of the university; but members of the staff of The Daily Nebraskan are personally responsible for what they say or do or cause to be printed."

## Stadium and Students . .

In anticipation of record crowds at all home football games during the 1947 season, A. J. Lewandowski has issued a plea for cooperation in methods of seating and entering the Stadium that is worthy of the consideration of every student planning on attending the games.

The director of athletics has informed the Daily Nebraskan that a number of posters, demonstrating the desired method of presenting student activity coupons to ticket-takers at stadium entrances will be displayed on the campus, beginning Friday. He informed us that by holding the individual activity book toward the gateman with the proper coupon, in the case of the Indiana game that will be number one, separate from the rest of the booklet, spectator entry into the stadium will be greatly facilitated.

Each activity ticket holder will be expected to present his individual booklet, in another attempt to speed up entrance into the stadium.

A late announcement from A. J. Lewandowski states that the stadium will be open 8 to 12 a. m. and 5 to 7 p. m. Friday for inspection. Student ticket-holders are asked to take tickets and find the quickest way to their seats, to facilitate seating Saturday afternoon.

Lewandowski emphasized that each home game will begin promptly at 2:00 p. m. but that gates will be opened at 12:30 p. m., thus ensuring every student an ample amount of time to be seated before the kick-off.

Ramp numbers in the stadium are repeated on the doors entering the stadium and the ramp leading to each individual seat is numbered at the top of each activity booklet. Entering the proper door and ramp will be extremely important throughout the entire season in order to avoid conflict in seating when the stadium begins to fill.

Included in his request for cooperation was a note of congratulation to the student body seated in the east stands during last season's football campaign. Lewandowski remarked that a number of citizens had specifically requested seats in the west stands in order to be able to watch the card sections and cheering carried on by the undergraduate body in the east stands. However, he concluded his remarks to the Daily Nebraskan with the statement that successful demonstration of school spirit similar to that of the 1946 season would be extremely difficult unless spectators cooperated in every possible way with seating directions.

## Letterip

To the Editor:

One of the most difficult administrative jobs on this and most campuses today is that of traffic safety and control. At present there are approximately 2500 cars entering the university campus every day. To handle this influx, there are only 700 parking places. Obviously, a parking problem has arisen.

The university administration, the faculty, through a committee appointed by the Chancellor, and the university Veteran's organization are, at present, holding joint investigations of this situation in the hope of finding a permanent answer for it. This will take time, however. Therefore the university Veteran's organization is asking all of you to co-operate with the administration by observing the following:

1. Obey all traffic regulations.
2. Keep your automobile speed down to 15 mph.
3. Stop at all stop signs.
4. Park between the yellow lines.
5. Keep off red lines.
6. Above all, keep your eyes open.

Pedestrians should cross the streets at cross walks only and use care. All people connected with the university who do not actually need to drive should not take up parking space and those who do should consider others by not occupying more than one parking spot.

The Veteran's Organization will appreciate any suggestions or criticism in connection with this problem. These may be sent to 209 Nebraska Hall.

Signed,  
Bill Brown,  
Vice - President, Veteran's Organization

## Delta Sigma Pi Elects Officers

Election of officers of Delta Sigma Pi, professional commerce fraternity, was held Monday night at the Union. New officers are:

Headmaster, Herman Christensen.  
Senior warden, Harry Campbell.  
Junior warden, Clayton Sack.  
Scribe, Norman Warwick.  
Treasurer, Don Mathes.  
Historian, Neil Bratt.  
Senior guide, Bruce Kleinkauff.  
Junior guide, Dale Askey.  
Chancellor, James Wehrman.

Headmaster Christensen announced a preliminary schedule of activities for the fall semester, including submission of a list of qualified bizad students from which candidates for membership will be selected.

Dr. Joseph Alexis  
... will head loan committee

## Alexis Chosen Student Loan Committee Head

Dr. Joseph E. Alexis, chairman of the modern language department, was elected to head the newly enlarged student loan committee at its first meeting Wednesday at the university foundation office, Perry Branch, chairman of the foundation announced late Wednesday.

The committee elected Mrs. Angeline Anderson, instructor in home economics on the Ag campus, as its secretary.

### Other Members.

Other members of the committee, appointed by the Board of Regents at their special meeting of Sept. 6, included: T. T. Aakhus, associate professor of engineering mechanics; L. E. Crowe, associate professor of dairy husbandry; William E. Hall, associate professor of educational psychology; and ex-officio members John K. Selleck, comptroller, and Perry Branch, chairman of the university foundation.

Re-organization of student loan procedures was undertaken by the Regents upon recommendations of the chancellor from the faculty committee on committees headed by Dean Roy M. Green of the college of engineering.

### Meet Again.

The committee will meet again in two weeks after the members have conducted individual studies into the student loan arrangement.

In recent years the loan committee consisted only of Alexis, Selleck and Professor C. E. Mickey, now retired from the department of civil engineering. By increasing the membership, the faculty hopes to give the loan system a broader outlook and make the money available more readily to the students.

## Naval Exams Scheduled On Dec. 13

The navy has announced a second nation-wide competitive examination for its College Training Program. These exams have been scheduled for Dec. 13, 1947, open to high school seniors or graduates between the ages of 17 and 21.

Successful candidates will be given a four year college education at government expense and will be commissioned officers of the Navy or Marine Corps upon graduation.

The students selected by these competitive examinations will be assigned to the 52 N.R.O.T.C. units, of which this university is one. If accepted by the college, they will be appointed midshipmen, U.S.N.R., and will have their tuition, books, and normal fees paid by the government.

In addition, they will receive pay at the rate of \$50 a month for the four year period. At the end of two years active service following college, the men may apply for retention in the regular Navy or Marine Corps, or they may transfer to the Reserve and return to civilian life.

The program is open to male citizens of the United States between the ages of 17 and 21, and quotas have been assigned each state and territory on the basis of its high school population. Those who are successful in passing the aptitude test will be interviewed and given physical examinations; then, if found qualified in all respects, their names will be submitted to state and territorial selection committees composed of prominent citizens and naval officers. The Navy expects to enter about 2,500 students into the program commencing with the fall college term, 1948.

Applications are available in the Office of the Director of Admissions, Room 103, Administration Hall. Dr. Rosenlof's office will supply any information.

## Yearbook Pleads For "Gag Shots", Unusual Pictures

An urgent call for unusual campus pictures, "gag" shots and especially for Ivy Day snapshots has been issued by the Cornhusker staff.

A complete pictorial section called "Campus Scene" has been planned for the 1948 Cornhusker, Nadine Anderson, managing editor, declared. For this section, students are asked to contribute lively and unusual snapshots of campus activities.

Glossy prints of parties, informal sports, hour dances or just plain "horse play" are needed, Miss Anderson indicated. Anyone having pictures of last spring's Ivy Day ceremonies or of any of the participants and spectators are especially urged to bring them to the Cornhusker offices. Emphasizing this need, Miss Anderson said that the 1948 Cornhusker now has practically no suitable pictures of the Ivy Day program.

BEA SIMON & SONS

As seen in Mademoiselle

Of brown, red, or black leather . . . with new closed toe and high-riding vamp, these slings are perfect for casual wear on or off campus.
