

Swim Pool Now Open

Swimming Coach Hollie Lepley has announced that the pool in the Coliseum will be open from 3:45 to 6:00 p. m. Monday thru Friday to all men students and faculty members for free recreational swim periods.

Saturdays the pool will be available from 10 till 12 in the morning.

Lepley pointed out, however, that all men taking advantage of this opportunity are required to obtain a swim credit permit from the Student Office and present it to the cage attendant before entering the pool.

The intramural swim meet will be held November 12, 13 and 14, so the free periods may be put to good use by all interested. For particulars, see the bulletin board in the Coliseum entrance.

Weir Names Three Cross Country Men

Coach Ed Weir has named three men to run in the two-mile cross country race against the University of Minnesota Saturday morning at 11:00 over the intramural field courses. A fourth man will be determined before the event starts.

Stan Martin, letterman in 1945-1946 from Broken Bow, Don Thiel from Oshkosh, and Warren Koenig are the three Huskers named to date.

Don Morrison, one of the two lettermen from last year's team, will be unable to compete because of a recent operation. Phil Myers of Nelson, the other veteran, is not competing this year.

Robert Darr from Fremont is temporarily ineligible and will not run Saturday. Another distance man, Harold Kopf from Lexington, will not be in shape to compete until later in the season.

Miss Bobby Ginn
 The Nebraskans will miss the services of Bobby Ginn, great Husker distance man lost through graduation, when they meet the Gophers. Ginn won the event last year when Minnesota squeezed out a 28-27 victory over the Cornhuskers in Minneapolis. Phil Myers took third place in that event.

(Continued from Page 1.)
 The Gophers are slated to leave Minneapolis Friday noon and will not arrive at Memorial Stadium until shortly after noon Saturday.

Officials for the Saturday intersectional tilt will be: Jay Berwanger, Chicago, referee; Cecil Muellerleile, St. Louis, umpire; Clay Van Reen, Bradley, field judge; E. F. Barrows, Coe College, linesman.

Business Manager A. J. Lewandowski has announced the stadium is a complete sellout with only a few bleacher seats remaining.

Missing from Thursday's drills was Coach hBernie Masterson. The grid chief is in the hospital with an attack of flu.

The Husker forwards received another jolt Thursday with the announcement that Tackle Gordon Hall had been dropped from the squad for disciplinary reasons.

Kansas, I.S. Launch Loop Grid Action

Big Six football swings into action this weekend as Iowa State meets Kansas at Lawrence in the loop opener.

The favored Kansans, 1946 co-champions, should give some evidence of how the league race will shape up when they tangle with the underdog Cyclones.

The game probably will develop into a wide open battle since the two leading passers and the two most expert receivers in the loop will be in the lineups. Ray Evans, Jayhawk passer, led the league with 71 completions in 1946. His chief target will be Otto Schnelbacher, who caught 16 passes for 342 yards last season.

Iowa State's Ron Norman, who was second in passing a year ago with 31 completions out of 82 tosses, is again pitching to End Dean Laun who caught 21 for 301 yards. The Cyclones have been more impressive in their opening games than was expected.

Sooners Entertain
 Oklahoma's Sooners will meet the Texas Aggies at Norman Saturday with the Sooners trying to make it an even split against Texas teams. A. & M. downed the Notman gridders last year, 10-7.

At Columbia, Mo., Coach Don Faurot ordered double duty for Halfback Fred Kling. Kling may have to fill in at fullback in the Tiger's game with Southern Methodist at Dallas Saturday.

Regular Fullback Lee Bowman, injured in the Ohio State game, is out definitely with a dislocated knee. Southern Methodist whipped Santa Clara, 22-6, last Saturday and will probably get the favorite rating over Missouri.

The remaining loop game will see Kansas State meeting New Mexico university at Manhattan Saturday night. The State Wildcats are currently riding on an 18 game losing streak.

Farm House Drops AGR

A 20-yard pass completed in the end zone gave the Farm House intramural footballers a 6-0 victory over their perennial rivals, the Alpha Gamma Rho, at the Ag campus field Thursday night.

Ron Anderson, Farm House star, hit Berl Damkroger with the payoff and game-clinching pitch.

Gayle Lebsack's passing arm proved too much for Sigma Nu as the Phi Delta Theta team won 12-6 in the feature intramural struggle on the coliseum fields Thursday.

Phi Deltas scored both their TD's off the arm of Lebsack who pitched to George Lee for the first touchdown and Bill Maser for the deciding tally.

Taus Win 6-0
 Alpha Tau Omega scored early in the first half and had little trouble holding the Sig Alphas' to win 6-0.

ATO's Beanie Gallop hit the air for two passes before Dick Bick who was standing all by himself in the end zone, caught a perfect throw for the game's only touchdown.

Bad breaks stopped Sigma Alpha Mu as they dropped their third game in the intramural series to Sigma Phi Epsilon, 6-0.

Dale Preston's catch of Fred Shaw's long pass was the deciding factor.
