

Nubbins Set For Kansans Friday Night

Nebraska's Nubbins Friday will journey to Ft. Riley, Kansas, where they will initiate their abbreviated two game schedule under the lights Friday evening against the much publicized Can-tours.

Thus far this year the Husker B squad has for the most part delegated most of their time toward executing Indiana, Minnesota and Notre Dame plays against the Varsity. It has only been in the last six or seven days that Coach Ray DeBolt has had the chance to send his charges through some of their own offensive formations. Defensively the Nubbins have proven themselves capable of staunch play and should look good. As for the offense, DeBolt has such sprint stars as Harry Meginnis and Chuck Peterson, who may come through when called upon, and with the shift of fullback Ben Munson to the right half position the Nebraska backfield will contain both speed and power. Most of the offense will come on the ground as far as the Huskers are concerned as most of the time spent has gone to polishing power plays.

Thirty-three Man Squad.

Carrying thirty-three men on the traveling squad which will leave Friday noon and arrive in Ft. Riley at four the same afternoon Coach DeBolt expects to use three full teams against the Can-tours.

The starting lineup will include Harlen Powley and Sophus Larson at ends, Oscar Mussman and Bob Harrington at guard, William Kimball and Ken Ackerman at tackle and Hubert Unger at center. In the backfield, Rus Hale will take over the quarterback chores, while Harry Meginnis and Munson fill in at the halfback posts with Dean DaMoude getting the nod at full. The first team line averages 192 while the backfield scales 177 per man.

Others slated to see a lot of action at Lou Kempkes at tackle, Harry Fox, at end and Jim Peters at the left half spot.

No word has come from Ft. Riley as to the strength of their team since the reports that Glen Davis, Chuck Fusion, and John West were to play for them. These three great West Point All-Americans would indeed give the Huskers plenty to aim at Friday night if they play. However, Davis is reported out of action with a bad knee leaving Fusion and West as possible opposition for the Nubbins.

Huskers Polish For K.S. Fray

After seeing the Husker offense click against Notre Dame last week, Coach Bernie Masterson continued to polish the scoring punch for Nebraska's second conference tilt this Saturday with Kansas State.

Coach Sam Francis' lowly Wildcats, in the throes of a 21-game losing streak, will be pointing to the Husker battle and the Nebraska coaching staff is working to check against a possible letdown in the Husker camp.

While Masterson worked with the offensive maneuvers, Assistants Dougal Russell and Tony Blazine herded two defensive units against a third varsity string running K-State plays.

The Huskers went through a brisk 50-minute skirmish with the first two units handling the ball carrying chores.

Top Physical Condition.

The Huskers will be in top physical form for the K-Staters. Only Dick Thompson, out all season with injuries, will be on the crippe list for the Wildcat Homecoming celebration.

Jack Pesek and Ralph Damkroger lined up with the first unit line at the end posts with Charlie Toogood and Game Captain Carl Samuelson at the tackles and Gene Wilkins and Fred Lorenz at the guards. Tom Novak was at center.

Del Wiegand directed from the "T" with Bill Mueller, promoted to a starting berth by his showing against the Irish, and Cletus Fischer teamed at the halfback spots. Dale Adams, whose hard-running was a bright spot in the Husker offensive attack at South Bend, lined up at fullback. Bob Costello took over on defense in Wiegand's spot.

ARE FOOTBALL PROS "SOFTIES"?

The boys who play for pay, says Stanley Frank, are often thrown for a loss by the tiniest personal crises. They develop more complexes than any psych major ever heard of. But Red Smith, the New York Giants' line coach, knows how to baby the bruisers . . . and make 'em outdo even Frank Merriwell himself when it comes to the old college try. Don't miss the amusing article in this week's Post about the fellow who is pro football's one-man court of human relations.
