EASY MONEY DEPARTMENT

Sing a song of sixpence, pockets full of dough. Here's the way you'll get it from Pepsi-Cola Co. Make us laugh . . . if you can. We'll pay you \$1, \$2, \$3 . . . as much as \$15 for stuff we accept — and print. Think of it. You can retire. (As early as 9 P. M. if you like.) You don't have to mention Pepsi-Cola but that always

makes us smile. So send in your jokes and gags to Easy Money Dept., Box B, Pepsi-Cola Co., Long Island City, N. Y. The very next day you may receive a de-luxe radio-phonograph combination and a nine-room prefabricated house. It won't be from us. We'll just send you money if we feel like it. Easy Money, too.

Little Moron Corner

Mohair Moron, the upholsterer's son, was found huddled up and shivering in his refrigerator one day. He explained by saying, "I was th-thirsty for a P-pepsi-C-cola and was t-told it should be d-drunk when cold. Now I can drink it. I'm c-c-cold!"

You don't have to be a moron to write these . . . but it helps. \$2 for each accepted we'll pay you, and not a penny more.

EXTRA ADDED ATTRACTION

At the end of the year we're going to review all the stuff we buy, and the item we think was best of all is going to get an extra

\$100.00

HE-SHE GAGS

If you're a "he" or a "she" (as we suspect) writing HE-SHE jokes should be a cinch for you. If you're not a "he" or a "she" don't bother. Anyway, if you're crazy enough to give us gags like these, we might be crazy enough to pay you a few bucks for them.

He: Give me a kiss and I'll buy you a Pepsi-Cola . . . or something.

She: Correction. Either you'll buy me a Pepsi . . . or nothing!

He: When a man leans forward eagerly, lips parted, thirsting for loveliness, don't you know what to do?

She: Sure, give him a Pepsi-Cola.

He ghost: I'm thirsty. Let's go haunt the Pepsi-Cola plant.

She ghost: That's the spirit!

\$3.00 (three bucks) we pay for stuff like this, if printed. We are not ashamed of ourselves, either!

CUTE SAYINGS

of KIDDIES

(age 16 to 19 plus)

A famous sage has said that people are funnier than anybody. If that were true, all you'd have to do would be listen to what the kiddies are saying, write it down, send it in, and we'd buy it. If that were true. It might be, for all we know. We haven't the slightest idea what we'll ac-

cept. Chances are it would be things like these unless we get some sense.

"My George, who will just be 17 on next Guy Fawkes Day, had his appendix removed last month. When the doctor asked him what kind of stitching he'd like to

have, George said, 'suture self, doctor'."

"Elmer Treestump says his girl Sagebrush, only 22¼, brings a bottle of Pepsi-Cola along on every date for protection. She tells everybody, 'that's my Pop!'"

\$1 each for acceptable stuff like this.

GET FUNNY... WIN MONEY... WRITE A TITLE

This is easier than taking candy away from a baby. And less squawking. Maybe you don't want to be rich, but just force yourself. You'll like it. And, if we like the title you write for this cartoon we'll force ourselves to give you \$5. Or if you send us your own cartoon idea we'll up it to \$10. For a cartoon that you draw yourself, we'll float a loan and send you \$15 if we print it. Could you expect any more? Yes, you could expect.

Attention!!

We offer 3-7 day Precision Watch Repair Service at no extra cost. If your watch must be with us for more than 3 days, we have a watch for you to use.
