Bill Mountford of Sigma Alpha Epsilon set the pace to win by a close margin over a field of close to 300 in the annual intramural Turkey trot Wednesday afternoon.

Mountford, Nebraska Class A mile record holder put on a spurt the last hundred yards to literally run away with the turkey and beat independent Bob Dorr whom he had trailed over the mile long course. Dorr finished second with Bob Reece another independent coming in third.

OUT FOR YEAR—Nebraska's football hopes took another downward dip Tuesday when it was learned that Center Bob Costello, hurt in the Kansas State game last Saturday, will be out of action for the remainder of the season with a back injury.

Girl's Swimming Club.

The Girl's Swimming club will meet tonight at 7:00 p. m. in the Coliseum.

An All-College mixer dance will be held Thursday, Oct. 30 from 4:30-6:30 p. m. at the Ag College Activities building. The dance is sponsored by the Recreational Leader Class.

Injury Riddled Huskers Prep MU; Costello Out

With a mounting injury list a sputtering Nebraska grid machine continued preparations Wednesday night for the Big Six showdown test with Coach Don Faurot's "T" tutored Tigers at Columbia Saturday.

Coach Bernie Masterson dipped into the Nubbins' ranks once again to bolster his injury weakened varsity aggregation. Two of Coach Ray DeBolt's "B" gridders were called up to replace Center Bob Costello, lost for the remainder of the campaign because of a chipped vertebrae in the small of his back suffered in the K-State fracas last week.

Unger, Patton Up.

Hubert Unger, 185-pound center, was called up as insurance to support Tom Novak and former Nubbins Bob Mullen. Guard Bob Patton was promoted to the varsity to fill Costello's shoes in the

point after touchdown kicking department.

Another shift to strengthen the center position saw Francis Mandula moved to that post from his guard spot.

Masterson's charges went through a light but lengthy workout Wednesday. Particular emphasis was placed on offensive maneuvers. A third team unit ran from Missouri formations to give the first two varsity squads definite practice.

Iron Man Role.

Little Joe Partington, who has been used sparingly to date, may be back in his 1946 iron man role doubling as a quarterback and center replacement. Partington will take over Costello's line backing chores. And should Dick Thompson's knee not hold up and Del Wiegand require relief, Partington will see service directing the "T".

The first team lineup saw only one change from the group that started the last two contests. Alex Cochrane was running at left end in Ralph Damkroger's spot. Damkroger's availability for the Missouri game is doubtful. Bob Ackerman was running in Cletus Fischer's right halfback spot while the MU game captain was in a late class.

His bullet rings a bell...

30 miles away!

Zing! . . . and the damage is done.

A bullet . . . intended for game . . . pierces an exposed telephone cable.

Instantly, hundreds of wires are open to the ruinous effects of moisture.

Instantly, too, nitrogen gas . . . stored in the cable under pressure . . . begins its slow escape, keeping dangerous moisture out. And, as the gas pressure falls, a small contact closes and an alarm is sounded in a Bell Telephone testroom many miles away.

Through mathematical plotting the break is readily located and, within minutes, an emergency crew is on its way. Repairs are frequently made before telephone service is interrupted.

This alarm system is but one of countless expedients all of which reflect the initiative and ingenuity of Bell System personnel . . . men who find highly interesting and rewarding careers in an ever growing business.
