

Schuschnigg Will Defend Record at Forum Friday

Because of the storm of protests aroused by the appearance of Kurt von Schuschnigg as convocation speaker, a special forum hour at which the ex-Austrian chancellor will answer questions has been scheduled, Dr. Karl M. Arndt announced Wednesday.

In anticipation of a heavy audience turnout, the forum will be held in the Union ballroom at 2 p. m. Friday instead of in the smaller Faculty lounge, Dr. Arndt, convocation committee chairman, explained.

Dispute over bringing Schuschnigg to speak here was touched off by a letter to The Daily Nebraskan from members of the history department, which assailed the political record of the former head of the Austrian state and termed his government "fascist."

Arndt Reply.

Members of the convocations committee replied with a letter which appears in Thursday's Daily Nebraskan, declaring that the

Underclassmen Register Today For Tug-of-War

All freshmen tired of wearing freshmen caps are requested to sign up to participate in the annual freshman-sophomore tug-of-war which will be held in conjunction with Homecoming activities Saturday, Nov. 8 at 9:45 a. m. on the field south of Teachers college.

One freshman and one sophomore from each men's organized house as well as any other freshman or sophomore interested in participating in this traditional tussle, are asked to register at the Corn Cob booth in the Union on Thursday, Nov. 6 from 9 a. m. until 4 p. m. From this list, 75 men from each class will be selected to participate.

Sponsored jointly by the Innocents society, Corn Cobs and Tassels, the tug-of-war is a traditional Homecoming event. If the Frosh win, the caps may be discarded immediately, but if the sophomores are victorious, the freshmen must wear the beanies until the first snow flies.

committee "holds no belief whatsoever for the point of view of any convocations speaker." Committee members went on to say that it was their policy to bring outstanding speakers occupying many grounds of belief.

Schuschnigg is scheduled to speak Friday at 11 a.m. in the Union ballroom.

Schuschnigg himself defended his collaboration with Hitler at a recent conference in New York City, on the grounds that he had faith in Hitler's promises and that he actually had "no choice."

"Before the war I was called a clerical communist by the Nazis and an Austrian fascist by the Communists," Schuschnigg said. "But I was never a partisan of dictatorship. I did my best to fight for independence."

Convocations Committee Answers History Profs

To the Editor:

The Convocations committee in inviting Dr. Kurt von Schuschnigg to speak before one of the convocation audiences did so with the knowledge that he was not unfriendly to American institutions as evidenced by the fact that the Department of State has now for the second time permitted him to enter this country to speak before various American audiences, university and otherwise.

It is and always will be the policy of the Convocations Committee to give the widest range to the freedom of speech. It has not been the policy of the Convocations Committee to take advantage of the fact that the number of convocations is small and to restrict them only to those who bear just one political label or defend just one side of a question. The Convocations Committee holds no brief whatsoever for the point of view of any speaker. In fact, it opens the door that all issues may be discussed pro and con.

Dr. Schuschnigg is speaking on the topic, "The Problems of Central Europe."

Very truly yours,
Committee on Convocations.

Autographed Football Prize At Rally Friday

A regulation football, donated by the Student Union Activities committee and signed by all members of the 1947 edition of the Husker grid team, will be given to some lucky student as a part of the Homecoming Rally Friday night.

Martin Pesek, campus yell leader, revealed this Wednesday along with other late information on the BHRH.

Drag the Jayhawk.

The rally will begin at 7 p. m. in front of the Union, when the KU Jayhawk, which will have hung in effigy since Wednesday, will be cut down. The yell squad will drag it in front of the rallyers down R street, up 16th to Vine, and from there to the athletic practice field northwest of the Coliseum. The student body is requested to stay near the pillars on the hill to the south, as none will be allowed inside the fence surrounding the field.

The entire team, which will leave for Ashland after the rally will be in attendance, as will the university band in full uniform. Featured speakers will be Carl Borgmann, dean of faculty, Col. Student Council Votes Further Study of NSA

Further study of the NSA through a special committee, as recommended by the delegates sent the regional convention, was voted by the Student Council meeting at 5 p.m. Wednesday in Room 316 of the Union.

Opposition to the continuance of NSA on the campus was voiced by Bob Wenke, law college representative, and Dick Schleusener, engineering college representative.

Wenke concluded a series of prepared questions directed to the five convention delegates by inquiring how much money would be required to conduct the investigation.

Schleusener stated he felt engineering students, whom he represents, neither thought NSA necessary nor were interested in such an organization.

The motion to accept the delegates report, by Dale Ball, bizad junior, was passed by the 18 members present with only Schleusener dissenting.

Upon the request of Chancellor Gustavson, contained in a letter to the council, two students were appointed to serve on a committee for the erection of a campus chapel. Mr. Woodrow Hagee, Lincoln businessman, heads the alumni-faculty-student committee.

Robert Slemmons, architecture student, was appointed in accord with the suggestion of Professor L. B. Smith, head of that department. Miss Barbara Speer, Arts and Sciences council member, was appointed to represent women students.
