

# Grimm Entered In NCAA Tank Championships

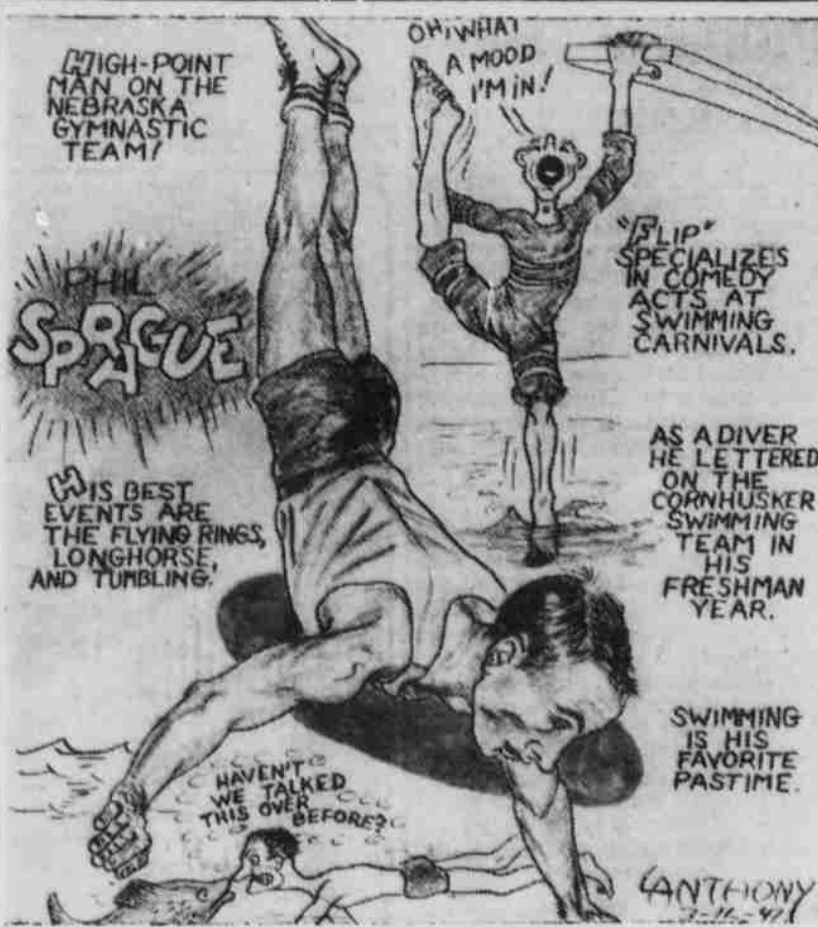

Marvin Grimm, Nebraska's Big Seven Conference 50 and 100 yard free style champion, is the only Cornhusker entered in the NCAA swimming championships at Ann Arbor, Mich., March 26-27.

Grimm finished fourth in the 50 and sixth in the 100 in the NCAA at Seattle, Wash., last year.

The Husker's all time short sprint champion is considered one of the top swimmers ever developed in the conference. He holds the Big Seven (formerly Big Six) 60-yard free style record at 29.1 seconds.

Grimm was undefeated at 100 yards this winter and dropped only one 50-yard race, losing to Minnesota's D. Benson. Marvin was Nebraska's leading scorer with 72 points in eight meets. He did not compete twice.

Only a sophomore, Grimm has been conference champion at his specialties the past two years.

# IM Competition Opens on Two New Fronts

Nebraska's Intramural department is offering two more spring events in the 1948 athletic schedule. Volley ball and badminton play started Monday.

Last year 20 organizations entered teams in the badminton play. Five leagues have been organized. Four of them are composed of four teams, and the fifth contains seven entrants.

A team trophy will be awarded to the winning fraternity, and individual intramural medals will be awarded to the independent champions. The singles champions will also receive a medal. The names of the winners will be placed on the Coliseum championship plaques.

### Matches in Coliseum.

Most of the badminton matches will be played on the Coliseum stage at 5:00 p. m. There will be two or three nights of play at both Ag College and the Coliseum.

Volley ball, a Jack Best group one team sport, has been organized with play set up on a round-robin style. The first two teams in each league will enter a final play-off series. No new names can be added to any team later than two matches preceding the playoffs.

### Games at Five.

Most of the volley ball games will be played at 5:00 p. m. daily. A few will be scheduled after supper to avoid a drawn-out season.

### WORLD WRSTLING CHAMPIONS

There are at least 18 world's wrestling champions recognized in as many different localities in the country. Several states have enacted legislation to classify pro-wrestling as an exhibition or entertainment rather than as a competitive sport.

Four years ago, Wendell Wilkie appeared a half-hour late at the University coliseum. He was campaigning for the Republican nomination for President. The coliseum was crowded to capacity.

In 1912, the Nebraska Cornhusker team held their annual banquet. According to the 1912 edition of the Daily Nebraskan, "spirits were allowed full sway."
