

YM to Present French Film Next Weekend

"Life Dances On," the prize-winning French film with English sub-titles, will be the next YMCA sponsored foreign movie. It will be shown on April 30 in the Temple theater, and on May 1 in the Love Library auditorium, both at 8 p.m.

"Un Carnet De Bal," its French title, stars seven of France's greatest actors, and won the Venice Biennial Film Exposition in 1938. It was directed by the famous French director, Julien Duvivier.

The movie tells the story of a woman, recently made a widow, who discovers an old dance program, and decides to find the seven men who signed their names to that program of her first ball. She travels about the country seeing these seven men who pledged undying love at that ball.

France's greatest actors were chosen to play the seven lovers, giving the film an extravaganza appeal. They include Raimu, Harry Bauer, Louis Jovet, Pierre Blanchar, Francoise Rosay, and Marie Ball, as the widow.

Time called the film "as expertly designed and executed a piece of dramatic tapestry as the cinema has woven in many a year." New Republic's review stated, "It is solid in character and dramatic meaning, done with taste and often brilliant."

Met Tickets Go To Union Booth For UN Sale

Mrs. Richard W. Smith, until last fall director of the Union and formerly known over the campus as Pat Lahr, announced today that the Metropolitan Opera company, which brings "Tosca" to the University Coliseum Wednesday, will definitely return to Lincoln on all of its subsequent cross-country tours if Wednesday evening's performance is a success.

Mrs. Smith is managing the opera's appearance here for the Lincoln Symphony Orchestra association, sponsors of the event. The Metropolitan played Lincoln last in 1900 when Scotti sang a "Faust" matinee and Melba performed in "Lucia," Mrs. Smith said.

With musical direction, production, singing, and costuming to be presented here exactly as at the Met in New York, house prices will also be scaled identically with those at the Met, ranging from \$2.40 to \$7.20. A bloc of tickets priced at \$2.40 and \$3.60 will go on sale especially for students Monday in the Union.

WHY... I smoke Chesterfield

(FROM A SERIES OF STATEMENTS BY PROMINENT TOBACCO FARMERS)

"Chesterfield is my brand. I've been smoking them for about 16 years. I like them because they're mild and really satisfy. I know the kind of tobacco that's in them... it's the best.

"Chesterfield buys the best grades of tobacco. It's mild, light, ripe, sweet-smoking tobacco. They pay the highest prices for their tobacco. It's top quality leaf."
