

# 45 Enrolled In Red Cross Water Class

Approximately 45 men have started into the second week of life saving and water safety courses conducted in the Coliseum pool by the American Red Cross.

The courses are being conducted by Marvin Hersey of York, who is an American Red Cross field representative in the aquatic section. Hersey is being assisted by Coach Hollie Lepley, Webb Emory, Lincoln high school swimming coach, and Warren Wallis, Red Cross field representative from Wyoming.

### Future Life Guards.

The water courses are given to those men who plan to act as life guards or plan to do teaching this summer. Through the training, the Red Cross hopes to promote better water safety in Nebraska and its areas.

Coach Lepley said that any football men who wish to take the course will be able to start Monday in the Coliseum pool.

Several of Nebraska's athletic lettermen are taking the course. Included among these are Dick Schleiger, basketball N man; Phil Sprague, gymnast; Marvin Grimm and Jack Campbell, Husker swimming lettermen.

# IM Department Offers Special Golf Tourney

Nebraska University's Intramural department will conduct a golf specialties tournament starting May 13.

The two events will be driving for distance and pitching for accuracy. Any man in school except members of the varsity golf squad and golf letter men may participate in the tourney.

Contestants may do their shooting from 12:30 to 2:30 p.m., May 13, or 8:30 to 12:00, May 15. The tee-off point will be west of the Coliseum.

### Driving Rules.

Each man will furnish his own golf balls, and no practice shots will be allowed from the tee. Each contestant will be allowed three shots. Places will be determined by total distance made by the three (or less) balls scored.

In the pitching tournament, each man will be allowed five shots.

An official Intramural medal will be awarded to the winner of each of the two events. A team trophy will be given to the organization whose best four men rank highest in the two combined events.

# IM Tennis Matches Start Sunday, May 2

The intramural tennis tournament will get under way this

week end with first round matches slated for Sunday, May 2.

First and Second round matches will be completed Sunday. Pairings will be posted today in the Coliseum.

The championship fraternity team will receive a trophy, and

medals will be awarded to the singles champion. Certificates will go to the four best players, and team and individual champions' names will be emblazoned on the Coliseum lobby championship plaques.

Organizations must have at least

two men actually competing to receive participation points.

All players must furnish their own rackets, and each player must furnish three new balls for the tournament.

Ivy chain members must know their words by Thursday.
