

# Nebraska Cops Second Game of Buff Series, 6-1

Nebraska continued its drive for the Big Seven baseball title by defeating the Colorado Buffaloes 6-1 Tuesday behind the five hit pitching of Big Jim Sandstedt. The Huskers' conference record now stands at nine wins and three defeats. The Scarlet got off to an early lead with a two run outburst in the first frame. Catcher Dil Blatchford walked and Hobe Hays was hit by an inside pitch. After two were retired on ground balls, Wes Maser was safe at first when the Buff catcher missed the third strike, Blatchford scoring from third on the play.

### Hays Scores.

Bob Cerv then walked, loading the sacks. Hays scored as Colorado tried to force a runner at second on Bob Schleiger's grounder.

Colorado came right back to score once on a single, stolen base and an error.

The contest then settled down into a pitchers' battle until the bottom of the sixth.

With two away, Bill Denker shot a single past second base, and all hands were safe when Colorado attempted a force play at second on Grogan's grounder. Denker and Grogan advanced when the pitcher threw into center field trying to catch Denker off second. Maser then walked to load the sacks.

Denker added the third tally when the pitcher threw into second walk. Schleiger struck out to end the rally, with Nebraska leading, 3-1.

Another Scarlet tally was added in the seventh. Two were out again when Blatchford was safe on an error by the second baseman. Hays then drove a long double to the left center fence to score the catcher, Denker followed with a walk, but Grogan ended the inning by hitting into a force play at second.

The Huskers ended the scoring in the last of the eighth. Maser walked but was forced at second by Cerv, who promptly took second on an error by the first baseman and stole third. Cerv scored and Schleiger was safe at first on a hard grounder to the shortstop.

Harlan Powlev, substituting for Jim Sharp, slashed a single into right. Schleiger scored on an overthrow at third, Powlev taking second. Sandstedt bounced one to Pitcher Pete Click, who threw Powlev out at the plate, and Blatchford fled to right to end the rally.

Sandstedt retired the Buffs easily in the top of the ninth and the ball game was over.

Colorado's Bill Fanning was a thorn in the side of the Huskers all through the series. The cocky infielder got two hits in both games and was an audacious base-runner, stealing home in Monday's contest.

Nebraska has two conference series left on their slate. They travel to Lawrence to play K.U. twice this weekend and finish the season May 24-25 against Iowa State here.

## Two Additions Made to UN Coaching Staff

Jack Johnson, former line coach under Patsy Clark at the University of Nebraska in 1945, Monday was added to the Husker coaching staff.

Mr. Clark announced Johnson's return to Nebraska next fall at a football dinner held Monday night in the Union.

It was also announced that Harry J. Miller, present Cambridge high school coach, will join the coaching staff next year.

Johnson will serve as assistant varsity coach and will probably have charge of the line. He was an all-Rocky Mountain conference tackle while playing at the University of Utah in the early 1930's. He also was named all-National league tackle the two years he was with the Detroit Lions professional grid team.

### H. J. Miller to Assist.

Miller, coach of last season's undefeated Cambridge team, was graduated from Ottawa (Kansas) university where he played tackle and center. He was a member of the United States air corps team while stationed at Salt Lake City. Miller will assist in coaching the freshman squad while completing his work for a master's degree at the university.

Coach Clark Monday night also announced that L. F. (Pop) Klein will direct the freshman grid squad next fall.
