

Freshmen Win Five Firsts In Dual Meet With Varsity

Things are looking up for the Huskers in years to come judging from the results of the freshmen-varsity track meet Thursday. The freshmen took five firsts in the meet and scored several seconds. The final score was 86½ to 38½, in favor of the varsity.

Bill Mountford was the big gun on the freshmen squad as he pulled down two places. Bill started off the meet by winning the mile in 4:38.2. Then he came back an hour later and came from behind to win the half-mile event in the fine time of 1:58, even.

Darrell Burney also helped the freshman cause as he tied Monte Kinder for first in the high jump and came in third in the broad jump. Burney had a jump of 21' 11" but crowhopped. That jump would have given him second place.

The best race of the day was the two-mile event. Esraf Aydine, a freshman from Turkey, won going away in a time of 9:55.3.

An upset was the feature of the javelin throw as Monson threw the spear 183' 2" to edge out Ray Magsamen by three feet.

Fritz Davis, state gold medal champion in the discus and shot-put last year, picked up two more seconds for the freshmen in his two pet events.

The best time of the meet was turned in by Meginnis and Hutton who ran a dead heat in the 100-yard dash in :9.8.

All freshmen lettermen should watch the sports page next week for an announcement of a meeting concerning the organization of a freshmen numeral winners club. This club is being planned to cooperate with the N club in selling at games and doing other jobs around the school.

The Newman club will have a picnic Sunday in Pioneers Park. Those students not having any transportation and wishing to go are asked to meet in front of the Temple building at 2:00 p. m. The picnic will be held on the park's picnic grounds at 2:30. All members are asked to come and bring your friends.

Pitchers Lead Husker Drive

Two pitchers and a blanket defense have combined to boost the University of Nebraska baseball team to the top of the Big Seven conference.

Elroy "Lefty" Gloystein of Waco, who is undefeated in five conference games, and Omaha's Jim Sandstedt, who has won four and lost one in loop play, share the pitching honors.

Five Cornhusker hurlers have held 17 opponents to a 2.8 earned run average. Angelo Ossino of Omaha, and Sandstedt each have 1.7 earned run averages.

Only three Huskers are currently hitting over .300. Bob Grogan of Lincoln, leads with a .375 average. Lefty Gloystein, with .316 and Wesley Maser of Lincoln with .314, are the other two.

N-Club Votes \$110 to Boys State Fund

The Nebraska N Club voted to give \$110 to the Boys State Memorial Building Fund at a recent meeting. This amount was part of the profit from concession sales during the Nebraska high school basketball tournament, President Alex Cochrane, Jr., said.

"The athletes who sold concessions during the tournament decided that they could make a substantial contribution to a worthy project rather than split the money among themselves," Cochrane said.
