

Husker Frosh Team Takes Postal Match

Nebraska's freshmen thinclads showed their power this week as they took a close decision from Michigan State's freshmen in a dual postal meet, 69 1/4 to 61 3/4.

The best time of the meet was turned in by Druetzler, a Michigan State freshman, who ran the mile in a time of 4:17.3. He also placed second in the 880-yard run.

The Husker freshmen took a total of nine first places, including all six of the field events. Burney and Davis of Nebraska were the work horses of the meet as Burney won three firsts and Davis won two events.

Burney Wins Three.

Burney tied with one Michigan State man and three Nebraska men for first place in the 100-yard dash. He followed with a victory in the high jump at 6 feet 1 inch, and a win in the broad jump with a leap of 21 feet 11 inches.

Davis won his two pet events—taking the discus with a toss of 140 feet 4 inches, and throwing the shot put 45 feet 7 inches. Neilsen of Nebraska took third and second respectively in these events.

The Huskers copped the other two field events as Kehl went 12 feet 9 inches to win the pole vault and Monson threw the javelin 183 feet 2 inches.

The 880-yard run and the 220-yard dash were also taken by Nebraska freshmen. Mountford won the half-mile in 1:58, and Stansbury won the 220-yard dash in :22.6.

Charlie Miller Optimistic Over Gymnastics Prospects

Coach Charlie Miller is looking forward to a great year for gymnastics next year and his optimism is strengthened by this year's freshman squad and the fact that only one varsity man will graduate.

Four boys received freshman letters this year in gymnastics. They are Art Hillman of Deshler, Ed Kremlasek of St. Paul, Al Dunavan of Beatrice and Wally Douthit of Wolbach.

These four boys are showing more and more talent and are expected to give the present varsity men a good go for each position and will undoubtedly make the team.

Lloyd Helgesen and George Al-

exander, although not freshmen, are steadily improving and will figure in the varsity picture. Helgesen specializes in the trampoline and the parallel bars and will be right on varsity man Phil Sprague's tail next year.

Another gymnast that didn't letter but did very well is Norm Anderson from Neligh. Norm has three more years of competition left and will strengthen the squad considerably in the next couple of years.

Eddie Craren, who was state trampoline champion in high school and received a freshman letter in swimming this year is going to try to combine these two sports next year, as the gymnastic and swimming squads are going to try and take their trips together. The golf and tennis squads tried it this year and it has proven very successful.

Huskers Host To Big Seven Tournaments

Nebraska's golf and tennis teams will be host this week-end to the other Big Seven schools for the Big Seven golf and tennis championships.

Iowa State, Kansas and Oklahoma tied for top honors in the golf championships last year. On the basis of past performance the Cyclones are favored to cop the title this year since they defeated Oklahoma in a dual meet this year. However, the Sooners were without the services of their ace golfer, Charlie Coe, and with him back in action the Oklahomans may be the team to beat. Coe won both the Trans-Mississippi and Broadmoor tournaments last year and is rated as the best golfer in collegiate circles this year.

Nebraska's hopes will be placed on Del Ryder and Don Spomer. Both Del and Don have won several tournaments this last year. Ryder is state sand greens champion and Ryder burned up the fairways over in Japan in several tournaments.

Oklahoma Favored.

Oklahoma is favored to repeat in the tennis tournament. They have defeated every team in the conference despite the loss of four lettermen. Their number one man from last year, Stanley Draper, is back and will be favored in the meet.

The golf tournament will be played at Hillcrest Country club and the tennis meet will be run off at the Lincoln Tennis club.
