VA Hospital Nurse Must Maintain Grad Active Status

Veterans Administration will require nurses on duty in its hospitals to maintain current registration as graduate nurses in active status, Miss Dorothy V. Wheeler, director of VA's Nursing Service, said. The effective date is July 1.

Registrations may be maintained in any of the states, territories or the District of Columbia. There are more than 11,000 nurses employed in VA's 126 hospitals over the country.

Maintenance of active registration as a graduate nurse is an indication of professional interest in nursing, and adds to the professional stature of the nurse in caring for ill veterans Miss Wheeler stated.

35 Geologists Plan Practical Summer Study

A new permanent summer study camp site in northwestern Nebraska will be used for the first time this year by a group of about 35 University geology students.

The site, made available thru an agreement between the University and the State Game, Forestation and Park commission, is located in a game preserve canyon about eight miles north of Harrison.

The field party, one of the largest the geology department has ever had, will leave Lincoln June 9. The camp will operate thru August with courses for both graduate and undergraduate students.

Dr. A. L. Lugin who will head the field party, said the camp will afford students opportunity for practical study of soil formations, certain types of small fossils, and will provide practical experience in mapping.

The site will eventually be used by the university museum, and the department of botany, zoology, and civil engineering.

Robert Anderson Takes Final Place In N.Y. Auditions

Robert Anderson, University of Nebraska music student was one of two finalists in the Basso division of the second annual nationwide audition held by the Associated Concert Bureau, Inc., of New York City.

There were two finalists in each of eight divisions. The other finalist in the Basso division was Wilson Jones, of New York City.

These sixteen finalists will ap-

pear at Carnegie Hall where it will be decided which of the two in each division is the national winner. Winners will receive \$500 and runner-ups, \$250.

The bureau has announced the opening of the third annual nationwide audition for 1948-49. Auditions will start in October and continue for a period of several months. Anton Schubel, who conducted auditions in 46 states last year, will again make a tour to hear talent throughout the United States.

Information may be obtained by writing to the Associated Concert Bureau, Suite 853, 1775 Broadway, New York 19, N. Y.
