**Vet Problems Aired by Board**

Student veterans or ex-war workers who need help in their dealings with the Veterans administration or with any phase of their G.I. training benefits may consult the University's Vets' consultation board.

The board, made up of faculty and administrative personnel was created by an act of the Board of Regents in the summer of 1944, and, headed by J. P. Colbert, has been functioning since.

General purpose of the Veterans' board is to act in a liaison capacity between the University and the VA, and also between individual veterans and the Vets administration.

**UNIVERSITY GRADING SYSTEM.**

Grading system for the University, which was set up in 1947, designates grades by numbers from 9 to 0.

**University to Operate on \$6,173,711**

The University's Board of Regents approved on June 19 a 1948-'49 budget that represents an increase of eight percent over the budget of the preceding year, which was hailed at that time as the largest ever apportioned to the University.

A percentage breakdown of the ways in which the \$6,173,711 allowed will be spent is as follows:

Teaching	49%
Public services	19%
Research	16%
Operation and maintenance	11%
Administration and general expenses	5%

Income for the 1948-49 fiscal year is from the following sources: State property tax appropriated by the legislature, \$3,298,000 or 53 percent of the budget; cash funds, mainly student fees, \$2,075,000 or 34 percent, and federal funds, mainly for agriculture research and extension work, \$759,511 or 13 percent.

**Cancer Project Awarded U. of N.**

The University hospital at Omaha will receive a \$5,600 award for a cancer control project, it has been announced.

This is a part of a total of \$162,073 allotted for seven states and the District of Columbia. The largest grant was \$43,320 to the California public health department for a test training center.

A gift of \$93,000 to the University of Nebraska Foundation has been announced by Perry W. Branch, director-secretary.

It was given the foundation by Mrs. Marybeth N. Brown of Niagara Falls, N. Y., in memory of her husband, Mortimer Jay Brown, former Nebraskan and eminent American scientist. Dr. Brown died in 1945.
