Dale Ball, president of the Student Council, announced Monday that parking permit registration will reopen Tuesday from 1:00 to 5:00 p. m.

"We want to impress upon the students that a parking permit does not assure each driver of a parking space" Ball said, "The permit only gives to the driver the privilege of driving on the campus and parking if a place is available.".

Same Rules to Apply to Re-registration.

The same rules used in last week's registraion will apply to the re-registration. Permits will be issued to students who live

eight blocks or more from the outside perimeter of the campus and to students who are physically handicapped.

The official campus is the area bounded by Tenth street on the west, Fourteenth street on the east, Avery avenue on the north and R street on the south.

Procedure for obtaining a permit is as follows:

(1) The student must obtain a student identification card and his car's official registration per-

(3) Students holding approved application blanks may receive the official university parking permit at the special booth on the west end of the library mall. Special Area Set Aside to Vistors,

A special area, the triangular shaped space on the west end of the Library mall, has been set aside for visitors to the university. It is the only space definitely designated for car operators other than students or faculty members.

Campus police will remain open until Thursday to issue parking permit stickers. tickets will be issued by the police this week. However, warnings will be issued, and tickets will be given starting next week.

The new parking regulations will be in effect from 7:30 a.m. to 3:30 p. m. Monday through Friday, and from 7:30 to 12 noon on Saturdays.

Traffic regulations provide for only four offenses:

(1) Parking of cars without windshield permits. (2) Parking on red lines.

(3) Parking more than 15 minutes in a loading zone. (4) Double parking anywhere on thoroughfares within the
