

# Nebraska Plots Gopher Upset

## Huskers Entrain With High Hopes

Coach Potsy Clark's Huskers will be out to overthrow the mighty Gophers from Minnesota when they tackle the Giants of the North in Minneapolis Saturday.

The Huskers have high hopes of upsetting the Gophers, a task which should prove very difficult on Minnesota's home grounds.

If history has any bearing on the case, the odds should favor Minnesota in its twenty-ninth meeting with Nebraska's grid forces Saturday in Memorial Stadium.

### Gophers Hold Edge

The Gophers have come off victorious in 23 of these engagements with two resulting in ties and four decisions going to the Cornhuskers since the series was inaugurated in 1900.

In the 15 games played between Minnesota and Nebraska five have ended in shutout triumphs for the Maroon and Gold. Only twice has the Cornhusker crew scored more than one touchdown against Minnesota. That was last season when the score was 28-13. Nebraska has scored 75 points against Bierman and Hauser directed Minnesota elevens for an average of five points per game.

Bernie Bierman is inclined to take the historical background of this series with a grain of salt. Warns Bierman, "They're just as big as we are through the line, and have more weight and speed in the backfield. It will be a tough game."

### Will Experiment

Coach Bernie Bierman is expected to do considerable experimenting in Saturday's clash with Nebraska. The Gopher mentor is not however taking the Huskers too lightly and if Nebraska's squad has anything to say about it the game will be plenty tough.

Nebraska players were in high spirits as they finished their final practice in preparation for Minnesota. As Coach Potsy Clark put it, "As long as they only allow eleven men on the field we're not worried."

Bierman will probably test several sophomore players in Saturday's game. Jerry Mitchell, soph end, and Jack Sturdevant, hard running back, were working with the Minnesota varsity this week. Inasmuch as Lefthalfbacks Ev Faunce and Harry Elliott are seniors this year, Sturdevant's progress is of vital concern for Bill Bye and Dick Lawrence cannot possibly carry this load next season.

Coach Potsy Clark will probably start Del Wiegand, Cletus Fischer, Tom Novak and Bill Mueller in the backfield. The forward wall will include Ralph Demkroger and Bob Schneider, ends; Herb Reese and Jim Goderey, tackles; Mike DiBiase and Darwin Salestrom, guards; Bobby Costello, center.

The Husker traveling squad will include: Left ends: Ralph Demkroger, Howard Fletcher and Jack Hazen; left tackles: Jim Godfrey, Charles Toopood, Harold Dorn and Clayton Frazier; left guards: Mike DiBiase, Bob Lipps, Fred Hawkins and Warren Utzinger; centers: Bob Costello, Bob Mullen and Joe McGill; right guards: Darwin Salestrom and Arden Means; right tackles: Herb Reese, Dick Goeglein, John Sedlacek and Fred Golan; right ends: Bob Schneider, Don Sailors and Alex Cochran; quarterbacks: Del Wiegand, Frank Collopy and Don Strasheim; left halfbacks: Cletus Fischer, Gerald Ferguson, Ken Fischer and Jim Myers; right halfbacks: Bill Mueller, Dick Hutton and George Bostwick; fullbacks: Tom Novak, Phil Young, Gerald Moore, Frank Meyers and Don Schneider.

Del Wiegand, Jerry Moore and Dutch Meyer confer with Potsy Clark on strategy for Minnesota contest. The trio will see plenty of action against the Gophers.

In 1943, an article appeared in the Daily Nebraskan which began: "Sigma Alpha Epsilon house, no longer a fraternity, now bears the sign 'Panhellenic House.'" The house was being used at that time to quarter upperclass girls who were going thru rush week.
