F. Marsh Loan Fund Started

Fred A. Marsh, Archer, has given the University Foundation \$1,500 to establish a student loan fund, according to Perry W. Branch, director-secretary.

Although any student in any college of the university with good character and scholastic standing are eligible for loans, preference will be given to Negro applicants.

The fund was established in memory of Mr. Marsh's sister, Miss Maud Marsh, who "lived a selfless life of devotion to her parents and a paralytic brother."

When the fund reaches \$4,000, thru income and additional gifts, it will become a scholarship fund. Recipients will be selected by the university's general scholarship committee.

Mr. Marsh is a former member of the university Board Regents and is a trustee of the university Foundation.
