

# Potsy Clark Tells Grads Of NU Win This Week

Fellow Cornhuskers:  
 We have made two homecoming celebrations very successful. The old grads of both Colorado and Kansas watched their teams wallop us, and there is nothing that pleases an alumnus more than to see his own team win. You graduates of the University of Nebraska will be gathering this week end for our own Homecoming, and our game with UCLA.

I have been rather careful not to get out on a limb with any predictions this year. This time I'm going all the way to the end. We are going to surprise you with a victory.

For the second straight Saturday, our boys played it out to the end without an eye for the scoreboard. We outdone Kansas 12 to 6 and showed the only sustained offense of the afternoon. If we could have scored early on the several opportunities that came our way, I am confident it would have ended differently. We controlled the play and the ball for all but one play in the first half. But that one play, a long, lobbing pass sent us to the dressing rooms one touchdown behind.

Our mental attitude was good for this game. We were ready and, as I said, our boys played it out right down to the last. We found our most efficient backfield combination in the second half. It was composed of Phil Young at fullback, Ken Fischer at left halfback, Gerald Ferguson at right halfback, and Del Wiegand in the blocking back spot.

Ken Fischer's passing was one of the highlights for us. Phil Young's ability to pick holes and then keep on his feet was excellent. Ferguson, I believe, is beginning to find himself. Charley Toogood played one of his best games.

Other players who stood out were Game Captain Frank Collopy, Herb Reese, sophomore tackle, and Bob Schneider, at end. Dick Hutton showed a flash or two of his old running form, too.

Tom Novak, as he always does, gave everything he had until forced out with a rib injury. Kansas is fortunate to have a passer with the ability of Dick Gilman. We were pressuring him from the weak side, and our end was not always able to hurry him as much as he should have.

We do have one bright spot. Our freshman team, under Coaches Pop Klein, Ike Hanscom, Mike Miller, Neal Parsons and their assistants, managed to 25 to 6 victory over the Iowa State yearlings at Ames. We thought we had some fine talent among the 170 boys who are still reporting for our freshman squad. But until we had a chance to match them with another team, we did not want to become too optimistic.

I believe our best test of the freshmen will be afforded on Armistice Day when the Kansas State first-year players come here.

The Kansas State team has already beaten the Kansas Jayhawker yearlings.

Some of the players who stood out in the victory included Fullback Nicholas Adduci, Chicago; Rich Yost, Omaha; Harold Summers, Cambridge; Richard Regier, San Luis Obispo, Calif.; Tracy Busch, Pender; Richard Reese, Omaha and brother of our varsity tackle; Harold Boswell, Falls City; Ron Clark, Ravenna; Tom Hopkins, Wymore; Frank Simon, Burchard; Don Burson and Alfred Blackett, Omaha.

Ron Clark's cutbacks were one of the features of the yearling offense along with the passing and running of Adduci and Yost. Hopkins got away a 50-yard punt which went out of bounds on the Cyclone 11-yard line. Bob Mockett, grandson of the first Nebraska football captain, E. E. Mockett, has been one of the top tackles. He sustained a knee injury when his cleats stuck going down under a kickoff as he started to change directions.

Before I forget it, there will be special tables reserved for N men at the Homecoming luncheon at the Student Union. There will be no speeches. Just a chance to get together over some good food and fight again some of those battles of other years.

# IM Swim Meet Marked Nov. 8

The Intramural Swimming Championships are to be held November, 8, 9, 10 and 11 according to L. E. Means, Director of intramural activities.

This meet is open to all men enrolled in the University except those on the swimming team and those who've lettered in swimming.

Last year's team championship was topped by Phi Delta Theta, with second place going to Delta Upsilon. The individual high point man was Independent Ted Kanamine, who set a new record in the 100-yard free style event, clocking :56.8.

Three men may enter each event from any organization, but only two of the 10 may compete. Organizations must have at least six men actually competing to qualify for participation points.

Entries for the meet are due at the PE building in Room 102 not later than November 5

# Myers Upped to Varsity, Lineup to Remain Same

Potsy Clark put his charges to work after a day of relaxation as the boys ran formations before a crowd of firemen visiting Lincoln for their convention.

His first string had some changes but he indicated that there would be very few before the UCLA game Saturday afternoon.

Jim "Squat" Myers move to the varsity was the only promotion from the scout squad. Myers was running in the backfield which included Don Strasheim, Kirk Lee, and Gerry Moore.

Big Tom Novak was still nursing a rib injury sustained from the Kansas game and did not come out for practice. Cletus Fischer was in uniform but the St. Edward flash was left on the sidelines. Fischer is still hobbled by a charley horse in his leg.

Both Novak and Fischer are expected to see limited service in the game Saturday.

Potsy's first string consisted of burly Ralph Damkroger, left end; Charley Toogood, left tackle; Darwin Salestrom, left guard; Bobby Costello, center; Ardie Means, right guard; Jim Godfrey, right tackle; Bob Schneider, right end.

In the backfield Clark had Del Wiegand running in the quarterback slot, Jerry Ferguson and Bill Mueller at halfback and Phil Young who played a great game

against Kansas in the fullback position.

Howard Fletcher and Ray Mag-samen were the end combination on the other line. Fred Golan and Herb Reese were at tackles; Fred Hawkins and big Mike Di-Biase played guard. "Moon" Mul-len was holding down the center job.

The backfield had Art Bauer, quarterback; Kenny Fischer, Dick Hutton, halfbacks; Junior Collopy, fullback.

The Husker third combination saw Jack Hazen, Alex Cochrane, ends; Johnny Sedlacek, Dick Goeglein, tackles; Jim Harkrader, Harold Dorn, guards; Walt Spell-man, center.
