### Lincoln Symphony Orchestra Schedules Concert Tonight

With Tossy Spivakovsky as guest soloist and Leo Kopp as conductor, the Lincoln Symphony Orchestra will present a concert this evening at 8:30 at the Stuart theater. Special student tickets will be available for \$1.00 at the box office. Tossy Spivakovsky, within a period of only six seasons in this country, has come to be ranked with the great masters of the bow today. As an ever growing favorite with the foremost conductors, no less than 15 leading orchestras featured Spivakovsky during the season 1946-47 as soloist, among

them, the Chicago, Cleveland, Detroit, Minneapolis, Toronto and National Symphonies. This year he will undoubtedly surpass his previous record. Spivakovsky will play Tchaikowskys Violin concerto as well as a solo group. The orchestra will play the Oberon Overture, eight Russian folk songs by Laidow, and the Three Cornered Hat by deFalla. Leo Kopp, conductor, has been welcomed back by concert fans after a two year absence from the symphony. He is considered one of the most promising of younger conductors.

## AIRWAVES

**By Katz**  
"You're on the air!" So it was with students this summer over many radio stations. **Bill Ross** worked this summer over his home town station in Casper, Wyo. . . . **KSPR**. Bill had a talent program and did some newswriting. He was also a "color man" for sportscasters.

**Chuck Johnson** won an "In-Service" scholarship. **Chuck** worked at KOIL in Omaha and got paid while he learned, while he also got class credit for his work. **Chuck** worked at least one day in every department in KOIL. He now has a program called "Opinion Please" over KFOR.

Two other winners of "In-Service" scholarships were **Bob Jones**, who worked at KFAB and **Paul Harrington**, who worked in the continuity department of WOW. How would you like to be the M.C. in a fashion show? **Ced Hartman**, of Omaha, got the chance this summer with the Brandeis company. **Ced** had another important duty . . . he manager the men's sock department in the Brandeis Store.

**Darrel Peters**, the new speech instructor and U. N. graduate, took radio work this summer in a Small Station Operators clinic in Denver.

It's on KFOR, Monday nights, at 9. The program is called **Dug's Diggins** with **Charlie Dugdale's** own spot as disc-jockey and render of gags and witty sayings. **Charlie** spent the summer doing announcing over KOIL.

**Bob Lundberg**, a newcomer to the radio department, recently returned from the Merchant Marine. **Bob** did not do radio work this summer but visited the Canadian and Mexican borders and the West Coast. Part of the summer **Bob** gave vent to his culinary interests. He was a cook at the Stanley hotel in Colorado and worked as a cook in Nevada. His best dish is his "own special brand of stew" . . . not much about radio but stew cannot be denied space.

Radio is celebrating its 28th anniversary today. It was 28 years ago that the first nationwide broadcast went over the air. It was the broadcasting of the results of the Cox-Harding election, Nov. 2. There were only 400 radio sets in the country at that time.

Many journalism students are going to be working with Lincoln's radio stations on the night of election. As a part of their regular class assignments journalism students will be sent to all polling places in Lincoln and surrounding territory. They will telephone in to the station the latest results in the election.

Authors of the Ages, regularly scheduled for Tuesday night at 9, will be postponed this week to make way for latest poll results. Here is this week's radio log:

S. citizenship; AGCT score of

S. citizen, and have necessary physical qualifications, apply now for enlistment for Army OCS. After your application is approved, you'll be enlisted as a Sergeant and given basic training if you have not had it already, then sent direct to Officer Candidate School, subject to

quotas, of course. Upon graduation, you'll be commissioned a Second Lieutenant in the Reserve, and placed on two years of active duty. Top OCS graduates are commissioned in the Regular Army—all others may compete for a Regular Army Commission. Get all the facts about applying for OCS entrance at your nearest U. S. Army and U. S.
