

Another Queen?
Is your hair lank, lusterless and suffering from the effects of frequent dunking in the Lincoln sheep-dip? Do you lack charm, poise, beauty, even teeth, or even teeth? In spite of these deficiencies you have a chance to be a queen.
According to Bill Mickle, yelling, a queen will be chosen at the Kansas State rally, Thursday evening in front of the Union. There are no special qualifications for the honor and, as Bill says, "You may be the one!" if you come to the rally.

Journalists Cover Polls for Radio

Sixty-seven students from the University School of Journalism covered the local polls Tuesday evening for Lincoln's three radio stations.
Under special permission from Raymond H. Frohn, election commissioner, radios and newspapers were allowed to give complete coverage at the polling places.
Instructors in the School of Journalism obtained permission from KOLN, KFAB and KFOR to assign students to the polls of 21 precincts to report local unofficial incomplete results to the stations for broadcasting.

Weir Calls Trackmen
Track Coach Ed Weir announced that all freshmen distance runners should report tonight between 4 and 6 p. m. at the Field House for time trials. The trials will determine who will be entered in the conference postal meet.
Weir also announced that all varsity trackmen must report to him some time this week between 4 and 6 p. m. at the Field House. Varsity tryouts will be held at 4:30 Friday afternoon in preparation for the meet Saturday with Kansas State.

YM to Discuss Forum Tonight

An All-Membership meeting of the university YMCA will be held Wednesday at 7:30 p. m. in the Temple building.
Business of the meeting includes planning for the Nov. 17 forum.

Noted Cellist to Appear With Symphony in Union

Child prodigy, composer, artist: all describe the gifted cellist, Dimitry, Markevitch, appearing with the University Symphony orchestra at 8 p.m. Sunday, Nov. 21, in the Union ballroom.

Dimitry Markevitch

Markevitch began his concert career in Europe at the age of 15, touring France, Switzerland and Holland. On advice of teachers, he came to the United States. Born in 1923 in Switzerland, the gifted cellist is a youthful 25.
Dimitry was only six when, in Paris, he started playing the cello. He was given a little cello, one-half-size, which he fondly called his "little demon" because of its very light color.
Dimitry's grandfather, Ivan Pollitonov, of a noted Cossack family, was one of Russia's great painters. The boy's father, Boris Markevitch, was one of the country's most celebrated concert pianists and his mother, Zioa Markevitch, is one of France's best known writers of children's stories. His brother, Igor, one of Europe's best known composers and conductors, is now appearing as a guest conductor in Europe and in South America.
These family accomplishments all provide a more than adequate background for Markevitch.
Tickets may be secured Monday, Nov. 8, either in the School of Music office or the Union office. Admission is free.

All students interested in an all campus weight lifting and physique contest are urged to contact Bob Higgins in the weight room of the coliseum or to call 3-5126 evenings.
There will be six body-weight classes and three standard lifts for the weight contest. Further details will be released at a latter date.
