Religion-In-Life . . .

This is Religion-in-Life week . . . a five-day period set aside by the Religious Welfare Council and devoted to discussions, speeches, forums on religious topics by Protestant, Catholic and Jewish church leaders.

The week's activities have been planned on an informal basis with the idea in mind that students will gain more from such a procedure rather than from formal speeches. Individuals leading discussions will serve as information sources. Questions may be asked and will be answered in as complete a manner as possible.

Some students may scoff at the idea of a "religion week." However, it is possible, believe it or not, to gain something interesting and useful from the talks and discussions offered. Excellent speakers have been secured.

Some of the subjects include, "Can National Prob-lems be Solved Ethically?", "Lost and Found-Personal Ethics." Dr. Paul Harrison, the week's main speaker, is a nationally known medical missionary who is well-known for his work in the fields of brain surgery and spinal anesthesia. He was graduated with honors from the University and then entered Johns Hopkins Medical School.

Other outstanding speakers include Dr. Walter Judd, a Minnesota Congressman, Dr. John Scott Everton of Grinnel College, Rabbi Lou H. Silberman of Temple Israel, Omaha, Rev. Charles Clark, S. J., of St. Louis, Mo.

Another campus queen joined the ranks Saturday night when Pat Meeham was presented Queen of the Garbage Man's Man's ball. Pat wore the latest in burlap bags and high button shoes, but date "Tree" Myers smiled courageously-and hopefully-as they moved on to the Harvest Party.

Belle of the party was chief vocalist, Carol Youngkin who "sent" everyone with her arrangement of "The Man I Love." dedicated to steady Ed Brewer. Also on the program was Lou Eiler as Al Jolson and Don Rice as Don Rice-and his combo,

Shiek of the Week

"Shiek" Dutch Meyer was more wide eyed than usual over his favorite harem girl Marilyn Laffler Saturday night. Dutch found her at an hour dancewhich seem to be his specialty.

Looking back at the River Boat party we find the high light of the party to be the hill-billy quintette Sandy Ridell, Mary Pederson, Mary Hubka, Ruth Jewett and Jan Champinewhose date, Dave Miller kept requesting their best number-'Get Up Off the Floor Hanna."

Clue No. 2

And now on the Human Man! When we left him Sunday, we promised to announce the first days fabulous prizes. Remember, there will be two winners-a boy and a girl. The luck girl winer wins a coke date with Norm Leger; and for the boy winner-a coke date with Jackie Wightman. The prizes will multiply as the contest progresses and will end Saturday noon. Here is today's clue . . .

Dear Editor:

By what constitutional right can the Student Council control admission prices for university social functions?

The recent action of the Student Council with regard to the Military ball leads one to believe that it is actually functioning as an OPA.

Despite the fact that the plans for the Military ball have been in Council hands since September, action was delayed until the day before the sales campaign was to begin. Is this the mark of an efficient organization?

Freedom of enterprise is the basis of our nation's economy. Why should one organization on one campus try to destroy it? So long as the Military ball is the most spectacular and outstanding formal occasion of the year, I am willing to forecast capacity crowds regardess of admission price. With regard to excess profits, Dean Harper pays the bills. He should be able to account for the use of the receipts.

Personally, since a man in uniform will be admitted for three dollars, I see no basis for any excess profit accusations! It's a good excuse for many of us to see if we can still get into our "pride and joy" of a few years back.

It would seem that the Student Council could use a course in 'Functions and Purposes of the Student Council" with special reference to the Constitution. Incidentally, I have never been associated with the Military department.

Dear Sir:

Although most of the Homecoming decorations last week were excellent, a few exhibited bad taste. Yet worst of all was the sacriligious use of the Bible in decorations by a group pretending to accept it. Those professing to hold the Bible in good faith will not use it or its teachings for amusement.

The sponsors of this group owe the Christian students and faculty of the University and the Christian people of Lincoln an apology for this offense and an assurance that this will not be repeated.

We did hang around long enough to view the Nebraska High School Press association gettogether. During their brief stay on campus tomorrow's William Allen Whites put out an issue of the Rag.

We wiped the dust of the cam- I against the chances of the paper ever going to press. The last was a clincher and the paper came out Saturday morning. Seriously, though, it was fun and valuable experience-e x perience at any rate-for ALL concerned.

In our absence, the finalists for Nebraska Sweetheart were se lected. Future N. S. hopefuls will do well to straighten that pin curl and also take care that there is something under it. It not only takes looks, pull and personality but brains. A laudable addition to the list of qualifications.
