

Sooners . . .

Scarlet five. George Thomas, 177 pound Sooner right half, scored on a hand off from Mitchell over the right guard. Automatic Les Ming came in to kick the extra point.

Oklahoma managed to keep the Huskers in their own territory during the "long" afternoon. The Sooner line was giving Scarlet backs little time to pass or kick.

Patsy Clark's eleven managed to drive from behind their own twenty yard line to their 39 where once again Collopy was forced to kick. Jack Mitchell took the punt handed it off to George Thomas who scampered to the Nebraska 24 before Tom Novak tackled. A 15 yard penalty against the Sooners was enough to stop them as Mitchell tossed a shuttle pass to Darrell Royal who did a tight rope act along the sidelines for the score. Ming's placement cut the uprights to give the Sooners a 14-0 edge.

worked to the 39 yard line and for awhile it look like the Huskers might go all the way. However, a fumble in the Nebraska field nullified the gain and Fullback Leon Heath recovered for the Sooners with ten seconds left in the half.

The Sooners continued their wide open attack with Darrell Royal passing to Frank Anderson in the end zone for a touchdown. The pass play ate up about 40 yards and completely surprised the Husker defenders. Only five seconds had elapsed for the play and there was just enough time for a kickoff before the gun, ending the first half, sounded. The Sooners led by a 21-7 score at halftime.

Oklahoma didn't waste much time after intermission. They marched from midfield to the Nebraska eight yard line before a fumble in the backfield gave the ball to the Scarlet.

Collopy Rushed.

The Huskers tried several plays but in desperation finally elected to kick. Frank Collopy was rushed so hard he barely had time to punt. The Scottsbluff ace punted out of bounds to the 17. Darrell Royal wasted no time in hitting paydirt. Les Ming came in for the conversion but failed to make the extra point. It was the fourth time this season that Ming had failed in an extra point attempt.

Mitchell and company almost had another touchdown when Royal crossed the striped lines. The play was called back because the Sooner line was offside.

Nebraska took over on the 22 where Collopy's kick was partially blocked. Leon Heath scampered to the one where Lindell Pearson chalked up the marked. Ming's conversion was good enough to give the Sooners a 34-7 lead.

Sharpe Drills Large Squad

Fresh Coach Tony Sharpe is still "feeling out" his large cage squad.

Despite the fact that one cut has already been made, Coach Sharpe is working with 54 candidates daily. This situation has been aided a little by the division of the squad into two groups, which meet at different times.

No scrimmage sessions have been held, and he practices are mainly devoted to fundamental dribbling and shooting exercises. Coach Sharpe has stressed particularly the three-man fast break up and down the floor.

A major wire service recently put this startling fact on the wire in a story of the collapse of a bridge: "The bride broke almost exactly in the middle."

Coach Ed Weir Named To Helms Grid Shrine

The initial selection of outstanding coaches and players to Helms Hall, the College Football Hall of Fame, found the name of a gridiron great known to all Nebraska's on its roster.

Ed Weir, twice All-American tackle, was named by a board of seven sportswriters to a berth in the newly established shrine.

Weir Top Player.

Weir, the present track coach at NU, compiled one of the finest records in football annals. A member of Ernest E. Bearg's Cornhusker elevens of 1923-24 and '25, Ed Weir was singled out by Knute Rockne as one of the greatest players his Notre Dame teams ever faced. Nebraska's football machines defeated the Fighting Irish in 1923 and 1925, games in which Weir competed against Rockne men.

Ed Weir.

Walter Camp placed Weir on his 1924 All-American team and the following year, Grantland Rice, who succeeded Camp after the latter's death, named the the Cornhusker tackle again. Weir is the only NU griddier to achieve this honor twice.

In addition to his outstanding play at tackle, Weir also did the kicking for the Huskers. Against Notre Dame's 1923 team Weir's sensational punting played a prominent role in the Scarlet win over the Irish. Again in 1925 against the Irish, Captain Weir kicked a 25-yard field goal to help the Huskers to a convincing 17-0 victory over the highly-regarded Indiana eleven.

The Husker track coach also

kickoff from behind his own end-zone to the 25 yard line. A screen pass from Fischer to Collopy was good to the 33. The Husker attack bogged down and Collopy kicked to the 45. Claude Arnold flipped to Ken Tipp to cover 20 yards and an Arnold to Frankie Anderson pass was good to the one foot line of Nebraska. Anderson was almost over but Tom Novak knocked him out of bounds. George Brewer powerhoused across for the score. Les Ming converted the extra point.

The Huskers second touchdown was a surprise to both teams. It came in the early minutes of the fourth quarter when Big Ralph Damkroger stole Claude Arnold's attempted handoff to Darrell Royal. Big Ralph lumbered 25 yards for paydirt. Gerry Moore hit the goal for the extra point.

During the remaining minutes of the game the Huskers managed to hold off the Sooner attack. Coach Bud Wilkenson filled the ranks with fourth and fifth stringers.
