

Huskers Lose

to Bob Schneider was good to the midfield stripe. Junior Collopy flipped another aerial which was complete to little Del on the 39 and good for a first down.

Hutton Makes Down

A pass from Wiegand to Dick Hutton netted a five yard gain. Hutton made it a first down on the Missouri 27 yard marker with a neat run inside the right end. The Huskers tried desperately to pick up yardage but the Tiger line held. A Wiegand pass was incomplete and a fourth down try for a first and ten by Cletus Fischer brought the ball to 21 but not close enough to give Nebraska four more tries.

Damkroger Blocks Punt

Big Ralph Damkroger set up the Husker's other scoring try when he blocked Bob Robinson's punt. A screen pass from Wiegand to Dick Hutton netted six yards. Hutton was then cut loose on one of his favorite reverse plays and that brought the ball to the Missouri 20. Eight seconds remained in the first half as Wiegand's toss to Collopy went incomplete. Dick Hutton bulled his way to the nine as the half ended giving Missouri a 6-0 edge.

Missouri almost scored another touchdown in the first quarter when Ed Stephens took the pitch-out from Bus Entsminger and flipped to Captin Mel Sheehan. The Tiger captain caught the pass just outside of the end zone and the score was ruled no good.

Entsminger Tallies

Coming back in the third quarter Missouri wasted no time in hitting the scoring column. Costello's kickoff was taken by Nick Carras who carried to the MU 30. Two more plays and Carras had lugged the ball to midfield. Dick Braznell charged to the 37 of Nebraska and Nick Carras found a hole to the 29.

Wilber Volz took Entsminger's pitchout to the 18 just short of a first down. Nick Carras picked up three yards on another hand-off from Bus Entsminger. Entsminger scored through a Nebraska line which didn't know he was carrying the ball. Bob Dawson's placement was good.

Penalty Gives T. D.

Faurot's squad made their third touchdown on a sustained drive from the Husker 15 yard line. The wet pigskin was brought to the 47 on three straight line plays by Entsminger, Carras and Stephens. Fullback Bob Houston looked like he was shot out of a cannon as he drove through the right side of the Nebraska line to the 23. Wilber Volz scored after a 15 yard unsportsmanslike conduct penalty brought the ball to the one yard line. Dawson cut the uprights and Missouri led 20 to 0 with five minutes left in the third quarter.

Hutton Scores

Nebraska finally scored its lone tally with nine minutes left in the fourth quarter. The scoring drive started on the Huskers own 35 yard marker. Phil Young picked up five through the Missouri line and a Junior Collopy pass to Ralph Damkroger was complete to the Tiger 40.

Ferguson scampered to the 35 and Don Schneider went off tackle for two more yards. Don "Little Monster" Strasheim ripped off two yards and then carried for a first down to the 26. A Gerry Ferguson pass to Dick Hutton was complete with the fleet Hutton sidestepping two would be Missouri tacklers and running downfield to paydirt. Ferguson's placement was no good.

Spectacular Play

Missouri's final marker was probably the most spectacular of the game. It was a pass from Bus Entsminger to Bob Wren who caught the ball while lying flat on his back in the end zone.

Potsy Opens Frosh-Varsity Tilt to Public

Potsy Clark, Cornhusker coach, will open the gates to the public Monday and Tuesday for two scrimmage sessions between the varsity and freshman teams.

There has been a growing vendetta between the yearlings and the red shirted varsity and Potsy wants to bring it to a climax as the Huskers prepare for the long ride to Portland and the Oregon State game next Saturday.

The scrimmage will be held under game conditions with the first half to be played Monday and the second half Tuesday.

"If our players would run as hard against our foes as they have been this week against the freshmen we might worry Oregon State considerably," Coach Clark said.

New Crop Topic At Tri-K Meet

Dr. Carl Claassen, research agronomist with the chemurgy department discussed the new dryland crop, safflower, at the regular Tri-K meeting this week. Nebraska's chemurgy department, one of nine which have received national recognition, was instrumental in the development of the new crop.

"Produced chiefly for its vegetable oil, the plant is a composite of the thistle family," remarked Claassen. "Better yielding varieties have an oil content of about 35 per cent."

He pointed out that a processing plant is now in operation at Gering to handle safflower. "The crop will be produced mainly in western Nebraska," he added.
