

Two University Grads Win Navy Commissions

Robert and Stewart Tangeman, graduates of the University and sons of Mr. and Mrs. C. F. Tangeman of Gretna, were both commissioned as officers in the Naval service of the United States this past week.

Robert, who received his Bachelor of Science degree and his Doctor of Dental Surgery from the University in June, 1948, was commissioned as a lieutenant (junior grade) in the Dental corps of the U. S. Naval reserve. While at the University, he was active in Kappa Sigma fraternity, "N" club, and served as drum major

of the R.O.T.C. band from 1944 until 1948.

Stewart graduated from the College of Arts and Sciences in February, 1948. While in school, he served as president of Kappa Sigma. He has been commissioned as an ensign in the U. S. Navy for flight training.

Robert reported to active duty at the Marine Air station, El Toro, Calif., and Stewart has been ordered to Pensacola, Fla., where he will undergo 18 months of flight training which will lead to his designation as a naval aviator.

YM's Discuss Memberships At Board Meet

Membership programs of the Ag campus, city campus, and faculty of the university YMCA were discussed at a Board of Management meeting Tuesday, Dec. 14, Professor A. W. Epp, chairman, announced today.

The membership report showed an increase of 43 members at work over the number working last semester. However, members at large have decreased, due largely to the smaller number of alumni members.

The total membership for November, 1948, is 356 members at work, and 103 members at large. At the end of last semester there were 313 members at work and 164 members at large. Of the total of members at work, 156 are city campus members and 84 are on Ag campus. The remaining members are 90 faculty members and 26 associate members.

Other reports given during the evening were the foreign movie report, program reports for both the city and Ag campus, and the kitchen fund report. Plans were also made for the annual meeting Feb. 8, 1949.

Students Make Own Presents In Craft Shop

That not all Christmas presents come from Santa Claus has been proved by students who made their own in the Union Craft shop during the last month.

Gifts range from hand-painted ties to hand-tooled leather bill folds. Some are making purses, belts, placemats, napkins, wooden trays and service plates. Many are using block prints to make their own Christmas cards.

The craft program, sponsored by the House Rules and Hobby committee, has been in operation for about a month. Two evenings a week, Tuesdays and Wednesdays, instructions are given in the various crafts. Other work is done in the afternoons in the shop in the Union basement.

Bob Metrakos is sponsor of the project and Gene Dyer is chairman of the committee. The shop will continue operations after Christmas, too.

Unitarian students are reminded of tonight's supper at 6 p. m. Rehearsals will be spent rehearsing for the candlelight service and carol sing.

Sigma Delta Chi will meet Monday, Dec. 13, at 5 p. m. in 309 Burnett. Members going to the Sigma Delta Chi-Theta Sig party are asked to sign up in the Journalism office Monday.

The December meeting of Pi Mu Epsilon will be held Tues., Dec. 14, in Room 203, Burnett Hall. The 7:30 business meeting will include selection of new initiates for this semester. All members are urged to attend.
