

Student volunteer members of the Red Cross Motor Corps, here, inspect an engine as part of their practical training class Saturday which was part of their preparation for actual Corps membership. Eleven students took the four-hour course, a prerequisite for Corps driving, under the direction of the Red Cross College Unit. They listened to talks by Lancaster County chapter personnel, Lincoln police and state highway patrol officers, and a Telephone Co. mechanic on the work of the Motor Corps and the principles of driving. They met at the Union and then traveled by Red Cross station wagon to the telephone garage for their practical lessons. The Motor Corps workers will serve with both the local Red Cross chapter and the College Unit. The Corps is a part of the new Unit's activities and is headed by Lois Barelman.

An important meeting of the Red Cross First Aid committee will be held at 5 p. m. Thursday, Jan. 13, in Parlor A of the Union, according to chairman Bob Mosher. Definite plans for next semester's first aid classes will be discussed. Other activity plans are also scheduled for discussion.

A jukebox dance will be held free of charge in the Union ballroom immediately following the game with Iowa State Saturday night.

### Lincoln Naval Reserve Unit Seeks Men for Radio School

The Lincoln Naval Reserve Unit needs men with radio training to qualify for radio rates in the reserve. Men with former radio experience may enter the radio program immediately, but those

with little Navy experience must take recruit training before they can qualify for the radio program.

Naval Reserve meetings are held from 7:30 to 9:30 on Monday through Wednesday evenings. Men with former navy experience will be paid a day's pay for attending the meeting, according to their former rates, and will be eligible for the naval reserve retirement program. Men entering as recruits will receive \$2.50 for each two hour meeting attended and will be issued uniforms and will be eligible for the retirement program.

It appears that men taking active part in the naval reserve program may possibly be exempt from the draft. The Ninth Naval District has issued ten ham radio sets to the Lincoln Reserve Unit, and will loan out sets to men participating in the radio training. Men interested in the Lincoln Naval Reserve may get further information at the Reserve Armory at 1625 No. 10th St., and meeting nights.
