

NU Tankers, I-State Meet On Saturday

University of Nebraska swimmers will get the toughest test of the current campaign Friday afternoon at the Coliseum pool when the Iowa State Cyclones, defending Big Seven conference champs, invade for a dual meet. Undeclared in four early season duals, the Huskers will try to avenge last season's loss to the Cyclones. Coach Jack McGuire will bring eight point winners from the championship aggregation to Lincoln.

Record Holder

Leading the list is Roger Watts, conference record holder in the 220 and 440 free-style events. He hung up a 2:16.2 standard in the furlong and a 5:04 mark in the quartermile during the 1948 meet. Backing him are two more conference kings. Sam Shiffer will be on hand to show his springboard wares, while Howard Johnson aims to boost his prestige in the breaststroke.

Other Iowa State point winners that will be on hand are: Dick Kullman and Rush Smith, free-style sprinters; Bob Weyant and Earl Jesek, backstrokers; and Ed Howes in the breaststroke.

Grimm Leads N. U.

Marvin Grimm, conference 50 and 100-yard free-style king, is the leading point maker of Hollie Lepley's Husker aggregation. In the victories over Kansas, Colorado, Colorado State, and Colorado A. & M., Grimm has racked up 39 points.

Other point winners from the Big Seven meet on hand are: Perry Branch, sixth in the 50-yard free-style; Con King, third in the breaststroke; Figg Flagg, second to Shiffer in the diving; and Jack Campbell, who swam a leg on the second place relay team.

Campbell is currently carrying the burden in the backstroke, while Branch, Ted Kanamine, and Sophomore Tom Harley are racking up the points along with Grimm in the free-style sprints.

Sophs Tops

A pair of sophomores, Bob Phelps and Bill Greer are showing the way in the breaststroke. Phelps has been carrying the No. 1 assignment with Greer and King racking up their share of points. Sophomore George Hill is the leading distance man.

One month remains until the conference meet, so Friday afternoon's meet will offer a preview of the loops leading squads.

Esref Makes Initial Husker Track Showing

On July 1, 1947, a young Turk, Esref Aydin, stepped from a train in Lincoln.

He came here to run in the National AAU Track and Field championships. Esref knew four English words: "Thank you very much."

He liked Lincoln and the University of Nebraska. He decided to stay and enroll. That decision meant night and day work to master a language and become eligible.

Won Battle

But this week Esref won his long battle. It was tough and go on several occasions. He has attended the same class two and three times during the same day to overcome his terrific handicap of dealing in a strange tongue.

Esref ran third in the two-mile against Minnesota last Saturday night, making his first appearance in Husker silks.

He holds the Turkish national record for the mile which he ran in 4:24.2 in early 1947. He also is Turkey's record holder at 5,000 meters with a time of 15:18.4.

Aydin has not only burned plenty of midnight oil over his books but it has been necessary for him to largely pay his own way. To do it he has worked at many jobs.

Run To Omaha

Esref was talking about his running to Walter Reuter, in charge of stadium upkeep. Walter finally said:

"You talk like a guy who could run to Omaha."

"How far is Omaha?" Esref asked.

He was told and immediately began computing the miles into meters. Then Esref said: "When the weather clears I'll do it."

Floyd Bortorff, equipment manager, warned Reuter, "Better not bet him. For five bucks he'll run to Omaha."
