

NU Quintet Plays Vital Game Tonite

Nebraska cagers will attempt to cinch at least a share of the conference championship tonite when they invade the lair of the Kansas State Wildcats.

A win at Manhattan tonite would give the Huskers a 9-1 record compared with Oklahoma's 6-3 mark. The Sooners would then have to win their three remaining games and Nebraska lose their last two, to split the title.

Kansas State should give the Huskers one of their toughest battles of the season. The Scarlet five won at Lincoln by a wide, 70-38, margin, but the Wildcats have been running over all opposition the past few weeks.

This is attributable mainly to the addition of Clarence Brannum to the lineup. The veteran Brannum has been teaming with Rick Harmon, another holdover from last year's champs, in controlling the offensive and defensive boards in all of the Wildcat's games since he joined the squad.

Last week Coach Gardner's team romped past their top rivals, Kansas U. 62-36.

Probable starters:
Nebraska Kansas State
Malacek I Kroun
Cox J Harmon
Whitehead F Brannum
Retherford E Dean
Cerv B Stone

Nebraska's tankmen pick up a few last minute pointers in anticipation of the Big Seven swimming championships to be held this Friday and Saturday. Up on the blocks are breaststrokers Conrad King, Bill Greer and Bob Phelps.

3 New Events Added to Big 7 Swim Meet

As a result of a poll of the conference coaches, three new events will be added to the Big Seven swimming meet at Lincoln, March 4-5. The new events are the 1,500 meters freestyle, the 150-yard individual medley and the 3-meter diving.

By adding these events, the conference meet now conforms to the NCAA rules governing championship meets.

Friday—2:30 p. m.—Preliminaries in the 50-yard freestyle, 150-yard backstroke, 220-yard freestyle, 200-yard breaststroke and low board diving. Also semifinals in the 50-yard freestyle.

YOU KNOW, BOB, THE 30-DAY CAMEL TEST I MADE PROVED TO ME HOW REALLY MILD CAMELS ARE!

I'M A CAMEL SMOKER FROM WAY BACK, FRAN. I KNOW HOW MILD AND FULL-FLAVORED CAMELS ARE!

Here's singing star, Fran Warren, talking it over with Bob Wells, lyricist of "What's My Name?"

How 'torchy' can a song be?

Hear Fran Warren singing—"What's My Name?", a new RCA Victor disc ... and you'll know!

Titian-haired Fran Warren, with tears in her voice, sings a tuneful lament about love. The title of Fran's new disc, "What's My Name?", leads to another question, "What's Your Cigarette?" Fran answers, "Camel!" As Fran sings it, "Ever since I made the 30-day mildness test, Camels are my cigarette."

How MILD can a cigarette be?

SMOKE CAMELS FOR 30 DAYS —AND YOU'LL KNOW!

In a recent, coast-to-coast test of hundreds of men and women who smoked only Camels for 30 days—an average of one to two packs a day—noted throat specialists, after making weekly examinations, reported

NOT ONE SINGLE CASE OF THROAT IRRITATION DUE TO SMOKING

CAMELS

Money-Back Guarantee! Test Camel mildness for yourself in your own "T-Zone."

T for taste, T for throat. If, at any time, you are not convinced that Camels are the mildest cigarette you've ever smoked, return the package with the unused Camels and you will receive its full purchase price, plus postage. (Signed) R. J. Reynolds Tobacco Company, Winston-Salem, North Carolina.
