

BOXERS—Bobby Moss and Derald May, compete for the 125 lb. title. May was the winner. Both men are members of Delta Upsilon.

Sig Eps Top Delta Upsilon For Intramural Ring Title

Sigma Phi Epsilon retained the all-university boxing championship Thursday night by edging Delta Upsilon 121 to 110. The Sig Eps held an 81-74 lead in points before the finals.

Feature bout of the evening came in the 155 pound class when two of last year's champs collided for the middleweight title. Tom Loisel, defending champion, took a narrow verdict from Jerry Hull, 145 pound winner in 1948.

LOISEL USED his longer reach to advantage in gaining an unpopular split decision over the scrappy Hull. Hull piled up points in the infighting, but Loisel held him away long enough to gain the nod.

Derald May rallied in the third round against a tiring Bobby Moss to gain a decision in the 125

pound division. Moss, who eliminated the defending titlist Tuesday night, led until the final round. The veteran May then carried the fight to Moss for the decision.

Summaries:

- 125 pounds: Derald May, Delta U, defeated Bobby Moss, Delta U.
- 132 pounds: Hazen Rice, Delta U, defeated Dick Clark, Delta U.
- 138 pounds: Curt Snowden, Independent, defeated Bob Bec, Farm House.
- 145 pounds: Jack Carroll, Alpha Tau Omega, defeated Bob Skochdopole, Sigma Phi Epsilon.
- 155 pounds: Tom Loisel, Sigma Phi Epsilon, defeated Jerry Hull, Phi Gamma Delta.
- 165 pounds: Randy Reeken, Phi Gamma Delta, defeated Pat Thomas, Sigma Phi Epsilon.
- 175 pounds: Willy Schlessener, Sigma Phi Epsilon, defeated Ken Brooker, Sigma Phi Epsilon.
- Heavyweight: Don Svoboda, Delta Upsilon, defeated Joe Loisel, Sigma Phi Epsilon.

Nubbins Finish Cage Season With 12 Wins

University of Nebraska "B" basketball team has ended its season with a 12 won, one lost record. Neal Mehring's team was undefeated in outside competition, the only defeat coming at the hands of Tony Sharpe's freshman cagers.

The "B" team played the frosh three times during the season, winning two and losing one.

The scoring records:

	fg	ft	pt	pts

Robert Good, Lincoln	8	8	20	21
Bill Hladik, Creighton	9	3	15	21
Frank Meyer, Lincoln	5	3	22	15
Dave Graef, Chicago	3	5	9	11

PE Dept. Plans Trip to Conduct Sports Survey

The Department of Physical Education for Men will conduct a field trip for its P.E. 188 class under the direction of Louis E. Means, chairman of the department. The class in ORGANIZATION AND ADMINISTRATION OF ATHLETICS AND PHYSICAL EDUCATION will charter a bus for 38 to Omaha on Wednesday, March 23, and will make a survey and study of facilities and programs in Omaha schools.

Principal Archie Kearns of Boys Town has invited the department and the class to make a complete study of the new Boys Town physical education and athletics layout of facilities with the view to receiving a complete recommendation from the department for an ideal and greatly expanded physical education and athletic program for Boys Town. The entire group of senior majors will conduct individual surveys, studying existing program and facilities, and outlining the possibilities of a new program when the mammoth new field house is added to the building plant in the near future.

Boys Town is planning additions to the staff to make this new program possible, and it is thought that Boys Town may well become a model and unique physical education set-up which can be outstanding in the entire nation. Each major will then return to Lincoln and prepare an analysis of their own survey, making positive recommendations for expansion and revision. The department will also prepare sim-

Oklahoma Vaulter Tops Big 7 Mark

Bill Carroll, Sooner pole vaulter, took first place with a jump of 14 feet 1 inch at the Central Collegiate Conference Indoor meet at East Lansing, Mich., last week.

Carroll's vault surpasses all Big Seven conference records, indoors and outdoors. The indoor mark is 13 feet 1 inches, set by Leonard Kehl of Nebraska at Kansas City two weeks ago. The outdoor mark is 14 feet 3/4 inch, set by Harold Hunt of Nebraska in 1942.

The Sooner's performance compares well with the Olympic record of 14 feet 3/4 inches set in 1936 by Earle Meadows of the USA.

Carroll will probably compete again at the outdoor Texas Relays at Austin, April 1 and 2.

ilar recommendations. From Boys Town, where the group will have lunch, the party will proceed to Omaha University to study their new athletic facilities and discuss the plans for the future physical education program with Virgil Yelkin, director. They will then visit Tech High School and study existing facilities as well as watch the program in action. At Tech their guide will be Neal Mosser, University graduate of 1948 and now faculty member at Tech. R. B. McClintock, Director of Research in Omaha will next direct the party to several new outdoor recreational facilities over the city.

Final inspection will take place at South High School where Cornie Collin will show the facilities and program in action. The group will have dinner in Omaha and return the same evening to Lincoln.
