

STICKELS STRUGLES FOR CONTROL—All-State Chuck Stickels struggles to control the ball, batted from his security by Northeast's John Niederhaus (35) and Rocket Jack Woods (25) stands by ready to take control. Northeast won its first state championship by defeating Hastings, 35-32, in the Class A finals Saturday night at the Coliseum.

Hastings Comeback Fails As Northeast Wins 35-32

Northeast withstood a strong last half rally by Hastings Saturday night to win the State Class A championship with a 35 to 32 victory. Chuck Stickels of Hastings was high scorer for both teams with 13 markers.

The Capital city crew ran to a surprising first quarter lead of 18 to 5 with Fredstrom, Willoughby and Woods all contributing points. Hastings rallied in the second quarter and then folded again as the half ended with Northeast on the long end of a 22 to 10 score.

Hastings made their final bid in the last quarter, tying it up a couple of times. Stickels fouled out and Northeast put in a quick bucket to ice the game. Fredstrom was high for Northeast along with Woods with 10 points.

Hildreth recovered from an early game attack of the jitters to cop the Class D title with a 42 to 33 victory over Brady. Glenwood Einshpar, junior scoring ace from Hildreth, led the scoring with 19 markers. This gave him a total of 67 points for the tourney which is tops in all classes. Dean Brittenham led the Brady crew with 18 points, fouling out late in the fourth quarter.

Waverly won the Class C title with a 42 to 23 victory over Chappell. Reed copped high point honors with 13.

Roland Rivers, Seward's high scoring center, led his mates to a hard fought 33 to 29 victory over Holy Name of Omaha in the afternoon session to repeat as Class B champs. Rivers, rated the best center in the state, was high with 16 points.

Northeast and Hastings moved into the finals by dropping Grand Island and Lincoln High. The Rocket-Islander game provided most of Friday's Class A thrills, while Hastings was in control most of the way.

Grand Island, thanks to a 12-12

Jack Cannon	Creighton Prep
Paul Fredstrom	Northeast
Don Haack	Grand Island
Scottie Willoughby	Northeast

record at the foul line, raced to a 20-12 half-time edge. The Islanders boosted the margin to twelve points shortly after intermission, but the long range firing of Jack Woods and Scottie Willoughby cut the lead to 28-23 as the teams made the final turn.

Scottie continued to hit in the fourth as Northeast drew up to tie at 37-37 with less than a minute left. GI, playing without Jerry Anderson, who left the game on fouls, bounced back into the lead on a bucket by sub John Anderson. Willoughby saved Northeast with three seconds remaining by swishing a desperation shot from near midcourt. Little Don Frei dropped a free throw in the overtime for Grand Island, but that was the end. Lanky Paul Fredstrom broke through for a lay-in to give Northeast its first lead since the opening minutes of the game, and John Neiderhaus ended the scoring with a late fielder to put Northeast on the long end of a 41-38 count.

Hastings was never in trouble after it ran to a 15-10 lead at the half. The game started very slowly, both teams playing close to their belt. Two freethrows by Stickels constituted the only scoring done in the opening quarter. As the game opened up the Tigers began pulling away, leading 24-14 at the third quarter, and slowed down the play in the final stanza, scoring at will.

Sportsmanship Cup Awarded To Iowa State

Iowa State was presented the first Big Seven sportsmanship award by the coaches, officials and sportswriters of the conference Thursday night at the Sportsmanship banquet held in Kansas City.

Coach Clayton Sutherland received the trophy for the Cyclones. Oklahoma placed second in the balloting.

The plan originated with the Kansas City Legion Blue Hills post as a campaign to better the sportsmanship standards in the Big Seven conference. The trophy will be retained by the Iowa State squad until next year when it will be presented again to the new winner.

Hoop Tournament Curtails IM Play

Only two Badminton games were played Friday in intramural competition. There were no Squash or Waterbasketball games played due to the Coliseum being used for the State High School Basketball Champions.

Newman Club swamped the Presbyterians in league play by the score of 10-2.

In the individual tourney the team of Slezak and Beardman won over Mitchem and Bennett, 3-0.

Prep Cagers View Season's First Husker Grid Workout

University of Nebraska gridgers held their first scrimmage Saturday before a large crowd of high school basketball players and coaches.

The work-out was ragged due to lack of practice but the boys showed lots of hustle and looked very promising. The scrimmage was not of game proportions. Coach Bill Glassford had two combinations running against a defensive team with the backfields alternating with every play.

The defensive team which started had Voils and Simon at ends, Fester and Schaffer at tackles, Blackett and Evans at guards and Busch at center. In the backfield Jones was at quarter, Fink and Carrol at the half-back spots and Wooters at full.

One of the offensive teams was

made up of Schneider and Damkroger at ends, Godfrey and Toogood at tackles, DiBiase and Hawkins at guards, and Novak at center. The backfield was made up of Fischer at quarter, Ferguson and Mueller at the halfbacks, and Adducci at fullback.

Alternating with this team was the combination made up of Norcross and Hewett at ends, Adle and Goeglin at tackles, Salestrom and Dorn at guards and Mullen at center. Meyer, Young, Bloom and Yost were in the backfield.

Coach Glassford alternated three other backfield combinations with the offensive teams. Gurnett, Strasheim, Lee and Clark were in one, Martin, Summers, Yost and Poncego in another and the third one was made up of Berkquist, Ritter, Bauer and McCurdy.

Institute Devises Aptitude Test To Guide Future Accountants

Over 1,300 accounting firms and 140 colleges and universities are now cooperating in the use of a new \$100,000 personnel testing program planned by the American Institute of Accountants.

The national professional society of certified public accountants has devised a system of summing up the skills, aptitudes and achievements of accountants, as students or job candidates.

The testing plan is keyed to aid the accounting firm in finding capable personnel and the business and industrial firm in the same personnel problem. It aids the college or university which seeks to teach an adequate accounting course, the student who wants to see how he ranks with other students to justify his choice of career, and the general public which should gain better service through improvement of accountants.

THOSE BEING tested are

given a score card upon completion of the test that shows at a glance the result of the student.

The testing program is focussed on these three areas: interest, aptitude and skill. The aptitude tests are given early in a student's studies. The skill or achievement tests are taken in two parts: Level I after completing a full year of college accounting or its equivalent, and Level II near graduation or after a year or more of practical experience.

Because tests are graded with complete objectivity so that results are comparable in all parts of the country, the testing program is believed to be an even more significant contribution to fitting men to jobs and jobs to men.

Two Ag Profs Appointed to National Posts

Two Ag college departmental chairmen have been appointed to fill positions in national agricultural organizations. They are W. J. Loeffel and Dr. C. E. Rhoades.

Prof. Loeffel, chairman of the annual husbandry department, has been appointed a member of the Agricultural Board of the National Research Council. This board, composed of representatives of twelve universities and colleges and private industry, from coast to coast, sponsors many research projects on agricultural problems. Loeffel has been chairman of the Board's committee on laws, rules and regulations governing animal health for the past four years.

Dr. Rhoades, chairman of the vocational education department, has been named a member of editorial and managing board of "Agricultural Education," the national publication of vocational education teachers and supervisors. Rhoades recently attended a regional meeting of their group in Chicago to plan research for the coming year.
