

4 Teams Hold Perfect Records In Water B-Ball

Another week of waterbasketball games finds only four fraternity teams with perfect records. The League I leadership is in the hands of Alpha Tau Omega with four wins. League II is led by Phi Gamma Delta with three wins and two teams in League III, the AGR's and the Beta's have three victories each. Sigma Nu, Theta Xi, Delta

Upsilon, and Sigma Alpha Epsilon each have a 2-1 record to hold down second place in the three leagues.

Three teams have failed to win a water basketball game thus far in competition. The Delta Chi's and Zeta Beta Tau have dropped four decisions while the Phi Psi's have watched three games go by the wayside.

In Independent play the Muscle Men continue to lead their league with three wins against no defeats. The Dorm C swimmers scored an upset over the Lilies and now occupy second place with a 2-1 record. The Independent League will now start the second round of play.

Missouri Hunting New Quarterback

The big problem facing Don Faurot, head football coach of Missouri University, is the quarterback position.

Bus Entsminger, the Tiger's All Big Seven quarterback of last year has graduated leaving Missouri without a man to lead Faurot's Split-T formation. Bus has led the Tiger offense the past three seasons.

For two seasons Entsminger was the top man in total offense and his generalship kept the Tigers among the country's offensive

leaders both years. Last year he totaled 1,084 yards by land and air.

In his search for a signal caller, Faurot has converted Sophomore Halfback Bob Henley to quarter for a try at the ball handling position.

The Coliseum pool is open from 3:45 to 5 p. m. every day for free swimming, swimming coach Hollie Lepley announced. All students wishing to practice their swimming or wish to learn are invited to come. Navy students who wish to work on their tests are also asked to come.

Sport Flashbacks

Husker athletes head south this week end in two sports as Tony Sharpe's conference champs start a six-game trip throughout Texas and Oklahoma and Ed Weir takes ten of his charges down to Austin, Texas for the Texas Relays.

Weir has a new combination set up for a sprint relay team. Harry Meginnis, Dick Hutton, Alan Thompson and Fritz Ware make up the quartet. Texas will have three of their big four back again in Allen Lawlor, Perry Samuels and Charley Parker. These three teamed up to nip the Husker sprint relay team last year in the Drake relays.

The Jack Best competition is coming into the stretch with only six events left on the docket. Alpha Tau Omega is a scant five points ahead of the Phi Deltas in the overall race. The ATO's and the Phi Deltas both received participation points in rifle shooting to remain in the same position.

Nebraska was host last week end to the state YMCA swimming and diving championships. Much credit should be given to the different coaches around who are doing a tremendous job in getting boys started in swimming early in life. Three years ago, there were not enough boys to hold a state meet. This year over one hundred and forty boys come to Lincoln for the meet.

Several physical education majors from Nebraska will attend the Central District Convention of the American Association of Health, Physical Education and Recreation April 6, 7, 8 and 9 in Denver, Colorado. L. E. Means will be chairman of a panel discussion on junior high school athletics.

Phil Sprague, veteran Husker gymnast, took high scoring honors for the season with 168 1/2 points. Leo Geier was second with 82.

Dick Schleiger, Husker cage center, joined the football squad this week. He made his debut as an end.

Coach Bill Glassford is still looking for a passer to lead his footballers next fall. In the scrimmage Tuesday night, Glassford had Frank "Dutch" Meyers and Kenny Fischer doing the tossing for the two offensive units. Several additions will be made, however, next fall due to spring sports. Tom Novak, now on the baseball team, Howard Fletcher, who is nursing an injured leg, and Dick Regier, sidelined with an injured ankle will all be in there next fall.

YW Plans Mass Membership Meet

An all YWCA membership meeting will be held Thursday at 7:15 p. m. in Ellen Smith Hall. Included in the program will be Audrey Rosenbaum who will speak on the National YWCA convention which was held a few weeks ago.

Another feature will be a short skit on the summer projects. There will also be interviews with a foreign student and an American student in order to obtain opinions on various phases of campus life. Following the program, refreshments will be served.
