Husker Squad Named For Trip to Oklahoma

Tennis Coach Francis Leighton has announced the team that will make the trip to Oklahoma this week-end. In their ranking order they are: Robert Slezak, Lincoln; Jack Cady, Lincoln; Don MacArthur, Lincoln; Jamie Curran, Buenos Aires, Argentina; and Bob Means, Lincoln.

Slezak and MacArthur will play the number one doubles position and Cady and Curran will play the number two position.

Robert Slezak and Jack Cady, numbers one and two, respectively, are the strength of this year's squad. Both are two year lettermen. Slezak is Lincoln singles champion and teamed with Mark Bullock to cop the city doubles title. He is also state hard court singles champion and teamed up with Dick Means to win the state doubles championship.

Three new names fill out the first five positions this year. Don MacArthur, Jamie Curran and Bob Means are in the other three slots. MacArthur was ineligible last year and did not compete. He was state singles champ in high school for two years.

Jamie Curran is up from the frosh. He is expected to add team strength to the squad this year. Bob Means fills out the starting five. Means, a senior, is out for

the first time, although he has played considerable tennis. He is the older brother of Dick Means, state singles champion from Lincoln, who is now attending Minnesota.

THE TENNIS squad will compete in two matches on the trip this week end, meeting Oklahoma at Norman on the 8th and then traveling to Stillwater to meet Oklahoma A. & M. on the 9th. These two meets are just practice meets.

An 11-meet schedule has been arranged this year for the tennis team. They will also be host the conference championships May 20 and 21. First home game will be April 23 when Colorado will journey east for a match with the Husker netmen.

Weir Announces Schedule Change

A change in the University of Nebraska's outdoor track schedule has been announced by Coach Ed Weir. The dual between the University of Kansas and the Huskers will be held April 13 instead of April 16 as previously scheduled. As the meet is on Wednesday the starting time will be 3 p. m.

Gridders Sent Against Single Wing Offense

Nebraska's spring footballers got their first taste of hard defensive work Monday afternoon as Coach Bill Glassford scheduled a short defensive scrimmage against a single wing team.

Fundamentals were the order of the day for the first part of the workout and then the squads concentrated on pass defense and pass scrimmaging. The extra point specialists also got in a workout on place kicking.

One group of the squad worked on the single wing formation for the first part of the session and then ran it against the first two varsity squads in the short scrimmage.

THE SINGLE WING team was made up of Sell, Hewitt and Peters, ends; Nielson and Pederson, guards; and Shaffer and Lliteras, tackles. Center was taken over by Moritz. In the backfield were Jones and Carroll at the quarter slot, Gurnett at tail, Reidy and Ritter at full, and McCurdy and Harrison at the wingback position.

The varsity squads were made up of the same two teams which scrimmaged last Saturday.

Swim Course Slated to Start Next Monday

The Life Saving and Water Safety Course sponsored by the Red Cross College Unit is slated to start next Monday, April 11, at 4 p. m. in the Coliseum pool. This session will be for men only.

Students may receive their Life Saving certificate only or their Water Safety certificate only, but all taking the Water Safety course must also take the Life Saving half. Instructors who already have their Water Safety certificate will be used as group leaders in the course. All instructors interested in helping in the course are asked to get in touch with swim coach Hollie Lepley before next Monday.

Each session will be given from 4 to 5:30 p. m. in the pool. Lepley will head the course, assisted by Warren "Web" Emery, Lincoln High swim coach. Marv Hersey, regional Red Cross representative, will also be present during part of the course.

Any student who intends to teach swimming this summer or life guard at a pool should take the course as a refresher. A swimming pool management course will also be given later in the spring.
