

Track Coach Weir Nominates Seventeen for Lawrence Trip

Track Coach Ed Weir announced a seventeen man squad to make the jaunt to Lawrence for the Kansas Relays held on Saturday. The team will leave Friday for Topeka where they will remain overnight, leaving Saturday morning for Lawrence.

Weir plans to enter three and possibly four relays and eight individual events. The sprint combination of Fritz Ware, Dick Hutton, Alan Thompson and Harry Meginnis will double in the 440 and 880 baton events; Bill Mountford, Loyal Hurlburt, Jim Martin and Harold Kopf will make up the two mile four-some; and a distance medley team may be picked from the eight.

The Scarlet entries will be met by heavy opposition in all events. Texas, Missouri, Oklahoma and Oklahoma A. & M. will enter strong contenders in the sprint events, and the Aggies and Wisconsin are expected to be tough in the two-mile.

Husker representatives in the open 100 will probably be Hutton, Thompson and Meginnis. They will meet Texas aces Perry Samuels and Charley Parer, and Big Seven 60-yard dash king, Don Campbell.

Other individuals will include Bob Berkshire in the 120-yard high, Jim McConnell in the decathlon, Leonard Kehl in the vault, Dick Pederit and Warren Munson in the javelin, Pederit in the shot, Dick Meissner in the high jump, Owen Brainard in the broad jump and Wayne Sees in the discus.

Leonard Kehl will meet several of the nations best vaulters. Harry Cooper of Minnesota, Warren Bateman of Colorado, and Bill Carroll of Oklahoma will be pressing 14 feet.

Pederit will meet top javelin men Frank Guess of Texas,

Bruce Henoch and Bob Drumm of Kansas, and Jack Todd of Colorado. Ray Magsamen and Warren Munson will also represent Nebraska.

Coach Weir said that the squad may be below par for the meet due to the recent Easter vacation and poor weather.

IM Golf Playoffs Slated for May 1

Intramural Spring Golf Championships begin play on Sunday May 1 at the Pioneer Golf Course according to Mr. Means, intramural director. Hollie Lepley will act as started of the Qualifying Round.

The low 32 scorers will be paired for match play starting on Sunday, May 8. The qualifying round, semi-finals and finals will be 18 holes match play. All other rounds will be 9 holes match play. No more than two men from the same organization may play in the same foursome.

Any man in the University is eligible except members of the varsity golf squad. Each organization must have four men play in qualifying round to qualify for Jack Best participation points.

A trophy will be awarded to the winning fraternity and an official intramural medal to the individual champion. Champions names will be emblazoned on the Coliseum lobby plaques.

Last year's team champion was Phi Delta Theta with the Sigma Chi's runners-up. Individual Champion last year was Stan Stroh, independent with Ted O'Shea, Sigma Chi as runner-up.

Sport Splashes

Husker athletes move into high gear this weekend as all four spring sports are in action, Nebraska plays host in baseball, tennis and golf and the track squad travels down to Lawrence for the annual Kansas Relays.

Coach Tony Sharpe's baseballers will try to get into a winning stride as they engage in a two-game series with the Kansas State Wildcats Friday and Saturday. The Wildcats have lost their only two starts in conference play this year, but are still

a good ball club. They gave the Huskers a hard game last year here at Lincoln.

COLORADO's golf and tennis squads will be here Saturday for a double meet with the Huskers. Nebraska's golfers are hoping to improve on their record at the expense of the Buffaloes. Coach Leighton's netmen will also be looking for a victory after dropping a pair of practice matches to Oklahoma and Oklahoma Aggies.

Coach Ed Weir will send a strong team down to Kansas this Friday for the Kansas Relays. Weir has teams entered in the quarter, half, mile and distance relays, plus individual entries in the field events.

Jim McConnell, Husker field-

man, prepping for the decathlon event at the Kansas Relays, entered five events in the Kansas-Nebraska meet last week. He took one second and three thirds in the meet.

ANOTHER high school star has announced his intention of coming to Nebraska next fall. Roland Rivers, six foot, six inch basketball star from Seward, has named Nebraska as his school. Rivers made the Class A All-State hoop team both in junior and senior years.

This makes a total of five prep stars who have decided to come to Lincoln next fall. Chuck Stickels and Ted Connors of Hastings, Bobby Reynolds of Grand Island and Dean Brittenham of Brady have already named Nebraska.

ATO's Cop Close Softball Victory

Ten softball games were played Wednesday to open the 1949 intramural season. Last year's champion ATO's were hard pressed to eke out a 2-0 win over the surprising Delta Sigma Phi's. Only effective pitching by speedballer Fred Fuller kept the ATO's in the lead.

In one of the hardest fought games of the day, the Kappa Sig edged Sigma Alpha Epsilon by an 8-7 margin. Another good game saw the Sigma Chi's take a 6-4 decision over the Tekes.

Other opening day scores were: Brown Palace-9, Acacia-1; Alpha Sigma Phi-12, Sigma Alpha Mu-3; Phi Delta Theta-6, Farm House-3, Cornhusker Co-op-10, Delta Sigma Phi-6; Beta Theta Pi-9, Zeta Beta Tau-7; Phi Gamma Delta-12, Pioneer-8; and Alpha Gamma Rho-25, Delta Chi-2.
