Alliance High School rates as favorite for the Gold Medal Championship in the Nebraska State Track and Field Championships to be held at Memorial Stadium Friday and Saturday.

Besides Alliance in Class A, leaders in other classes appear to be: Ainsworth and Sidney in a close Class B fight; St. Joseph of Atkinson in Class C; Brady in Class D.

THE BULLDOGS of Alliance have the most well-balanced team in the state this year. This team strength, they have qualified for 23 positions, gives them the favorite's role as they will try for their second successive title in Class A.

Don Coupens, running the 220-

yard low hurdles, broad jump, and pole vault, will lead the Bulldogs. Glenn Beerline, Hubert Shallenberger, Bill Nelson, and John Leon are also counted on for points in one or more events. Coupens, Shallenberger, and Beerline stand a better than average chance of sweeping the top three positions in the broad jump. Each of the trio has bettered 21 feet.

Omaha Tech, with little better than a four-man team, will be gunning for the number two spot. Robert Taylor in the sprints, Blake Cathro in the hurdles, Dale Schnackel in the half are top flight contenders for individual titles, and Aaron Reed will join them as they try to defend their relay title.

INDIVIDUAL attention will be focused on Hobe Jones, of Lincoln High's crew, as he attempts to crack Bobby Ginn's 880 record of 1:59.3, Jones, hampered by bad

weather most of the spring, has turned in a 2:01.3 this year.

Class B is the most unpredictable of the state's four classes. Several teams will rank near the top, with breaks to decide the outcome. Ainsworth appears to have the necessary standouts to win, but upsets could move them down as far as fifth or sixth.

The pole vault will be the center of attraction as far as individual events go. Bill Black, South Sioux City sophomore, has cleared the bar at 12' 5 1/2" already this year. That is only two and one-half inches under the state mark held by Howard Debus.

INDIVIDUAL standouts will hold the key to the Class C title. The top teams will be counting on one or two key men to carry the load. George Witter, St. Joseph husky, will be the big gun for the Josies. Witter is an odds-on favorite in the shot and discus, and teammate Leonard Troshyn-

Field House Leads IM Track Meet; Three Records Broken

With two events yet to be run, Field House is leading in the intramural outdoor track meet with 49 points. Sigma Phi Epsilon is second with 43 tallies followed by the ATO's and Phi Deltas with 39 and 24 points respectively.

Three records have been broken in the meet. The shot put record was broken by Gross of the Field House when he tossed the iron ball 134 feet 10 inches. He beat the old record holder, Charlie Toogood, Phi Delta, who turned in a heave of 130 feet, 6 inches.

The 880 relay mark was lowered by the Sig Eps as the team of Brooker, Cole, Freeman and Alexander ran the half mile in 1:35.7. This time is one and five-tenths of a second better than the old record posted by Delta Upsilon last year.

The Sig Eps got their second record of the meet in the 440-yard relay. The same team which won the 880-yard relay in record time chopped one-tenth of a sec-

ski should pick up vital points in the 880.

Irving Thode in the broad jump and high jump, and Hal DeGarmo in the hurdles, should pull down enough points to boost their teams, Loup City and Trenton respectively, to a high position in the final tabulations. Thode, however, has been in the hospital the past week and may not be in top condition.

Dark horse in the C ratings is Arapahoe. Hoppy McCue, a sophomore, will carry the load, competing in five events, McCue is listed for the 100, 220, broad jump, high jump, and pole vault.
