it will also be recognized as better entertainment."

PFEIFFER also felt that amateur scripts could be dispensed with.

"I'm in favor of a more professional show," he said.

A most un-Pan-Hellenic attitude was expressed by Pat Nordin, Alpha Omicron Pi, president.

"As I was saying," she quipped, "I think that it would be a definite improvement. If it were done with the sanction of the proper authorities it would be a lot of fun. However, let's keep it clean."

An anonymous KK member answered the "sanitation" charges with "Broadway has certainly gotten along with men and women in the same cast for a number of years."

ANOTHER COED, Pat Larsen, Alpha Chi prexy, spoke for the idea "if it would give better entertainment."

The new president of Kosmet Klub, Bob Sim, settled the case for the organization by saying "It's not a question do we want women in the show. The issue is imperative. We need better skits and good dance routines and female voices. We've been working for a year and a half to get girls in the show."

"The aim of Kosmet Klub is to present good dramatic entertainment to the campus and to do that we must have women in our spring revue," President Sim said.

Kern of Grace Lutheran church, Fremont, spoke on the topic, "Religious Orientation." General chairmen for the banquet were Virgil Dissmeyer and Bob Johnson.
