

Cathor and Taylor Carry Tech to 'A' Championship

Paced by hurdler Blake Cathor and sprinter Bob Taylor, Omaha Tech, scoring 45 points, dethroned Alliance as Class A champions in the state track meet held at Memorial Stadium Friday and Saturday. Lincoln trailed with 36.

Cathor took first in the high and low hurdles, and Taylor came home first in the 220, and second in the 100. The two teamed with Aaron Reed and Dale Schnakel to win the 880 yard relay, in 1:32.8.

Cathor raced the lows in 23.3, Gold Medal time, and by his victory became the first winner of the Merlin Stackhouse Memorial Trophy. It will go annually to the gold medal winner in the 220 lows.

The only record breaking performance in the two-day show came in the pole vault. Don Coupens, Alliance, soared 12 feet, 8 1/2 inches to establish a new mark. The third place Alliance team's hopes were dealt a severe blow when Coupens injured his ankle and was forced to withdraw from the broad jump, in which he rated as favorite.

THE 880 record withheld the test of Hobe Jones in the Friday feature race. Jones, a pre-meet favorite to smash the ten year old mark set by Bob Ginn, was hampered by an ailing ligament and just missed in his record attempt. The Lincoln High ace, however, turned the distance in the creditable time of 2:00.7.

The most surprising competitor in Class A was Bob Fairchild of Omaha Central. Fairchild upset last year's century winner, Bob Taylor, as he won the 100 in 10.3. The easy striding Negro became a double winner when he edged Bobby Hahn of Grand Island in the 440. He toured the lap in very good time, :51.8.

ALL-STATE football player, Ted Connors of Hastings also pulled an upset in capturing the shot with a heave of 49 feet 1 inch. Dick Puciek, Creighton Prep, was second with 47 feet, 7 1/2 inches.

Connor's teammate, Hoffarber, surprised Leon of Alliance in the mile. Hoffarber ran the distance in 4:40.6, far outdistancing the Alliance second and third place combo of Leon and Sampson.

The final rundown on team scoring: O. Tech, 45; Lincoln High, 36; Alliance, 31; O. Benson, 24; O. Central 21.

Theta Sigs Elect

Liz Schneider heads the list of new officers of Theta Sigma Psi, women's journalism honorary, as president. She succeeds Barbara Rowland.

Marian Battey will be vice president of the group and Dorothy Travis, secretary. They succeed Marian Crook and Nadine Anderson, respectively.

Alliance Star Breaks State Vault Record

A new state record led the Gold Medal performances in the state high school track championships Saturday as Howard Debus's pole vault record of 12 feet 8 inches, set in 1940, was cracked by a quarter of an inch by Coupens of Alliance. The indoor field stands were given the best show of the meet as Coupens of Alliance and Sommers of Lincoln Central went into a two-man race for the title, with Sommers finally dropping out at 12 feet 6 inches.

Irving Thode of Loup City was the only double gold medal winner as he took both the high jump and broad jump championships. Thode was hard pressed to win in the broad jump event as he edged Hoppy McCue of Arapahoe by one quarter of an inch at 22 feet 3 and 5/8 inches. Thode tried for a new record of 6 feet 2 1/2 inches in the high jump but missed all three trials. He was released from the hospital Wednesday for treatment on his knee and spent all day Friday in bed, before coming to the meet.

Blake Cathor won one gold medal and tied for another as he took the lows in :23.3 and tied for the highs in :15.3 with Tolman of Indianola. Cathor also won the new Stackhouse memorial trophy awarded the gold medal winner in the 22-yard low hurdles event. Stackhouse held the present record and was killed in the war.

Moorhouse of Culbertson, gold medal winner in the half-mile last year, came back in the 440-yard dash this year as he took top honors with a time of :51.4

City Y Wins Softball Duel

The city YMCA won the traditional softball game from the Ag YM Wednesday and so are now in possession of the "little brown jug," a trophy which the winning team takes possession of for the following year.

The picnic was held at Pioneer park Wednesday evening. Dave Keen lead the City Y's on to victory with an excellent job of pitching supported by a surprising campus team. The game was followed by a picnic lunch and group singing.

Nebraska Deaf Award in Tri-K Crop Judging

Dean Brittenham's attempt to carry Brady to a repeat win in Class D fell short Saturday as Nebraska School for the Deaf won the title. NSD scored 36 points to 27 for Brady.

Earl Malloy led the NSD scoring with 14 1/2 points. He won the 100 and took second in the 440. Brittenham accounted for all 27 of Brady's total, including wins in the high hurdles, high jump, and seconds in the broad jump.

George rochaska of Ulysses led his team to fourth place with another one-man show. He threw the shot 48 feet 3 inches to win, and was barely nosed out of first in the discus.

Glenn Edwards of Hardy established a new pole vault record Friday when he cleared the bar at 11 feet 9 and 1/4. The old record was 11-9. Two other boys were close behind, Brittenham of Brady and Young of Madrid topped 11 feet 6 inches.

200 Attend Ag Terrace Ball

From the balcony overlooking the terrace outside the Ag union, Russ Kruger played to about 200 students dancing under a misty moon at the Starlight Terrace ball Friday night.

Sponsored by the combined Ag Union entertainment committees, the ball was the first of its kind in recent years at the University. Crepe streamers and a garden archway turned the front of the Activities building into a fitting garden backdrop. Tables on the lawn were provided to which service from the Union Dett was available.

Preparations for the dance were in charge of the four Ag Union entertainment committees, sponsored by Harriet Moline, Neil Miller, Jack DeWulf and Sue Bjorklund.

Swedes Wreck Ainsworth Bid In Class 'B'

Gothenburg High School track team upset the dope bucket Saturday afternoon by winning the Class B track and field championships at Memorial Stadium. The Swedes amassed 453/7 points to win over favored Ainsworth who scored 34 points. Sidney, the number two team in pre-meet predictions, ran third with 19 tallies.

TWO GOLD MEDAL performances were turned in by Class B athletes. David of Gothenburg tied for the top spot in the hundred yard dash with Felton of Springfield who was competing in Class C. Gold Medal time was :10.2. Kinney of Sidney was Gold Medal winner in the shot put with a heave of 49 feet 1 and 3/4 inches. This distance was 3/5 of an inch better than Ted Connor's winning throw in Class A.

AINSWORTH'S Anthens was top scorer with wins in the low hurdles and the broad jump. Hoback of Nebraska City and David tied for second place honors with 13 points each. David won the century, took second in the high hurdles and anchored the winning relay team. Hoback anchored his relay team which tied for second as well as winning the 220 yard dash and running second to David in the hundred.

Playoff Positions Told by IM Dept.

Playoff positions in the softball finals have been announced by the intramural department. Six games are scheduled for Monday, four at the Coliseum fields and two out on the Ag campus.

On Coliseum 1, the Phi Delt's tangle with the Sig Alphas. Over on Coliseum 2, Sigma Phi Epsilon meets Beta Theta Pi. Alpha Tau Omega, defending champions go against Beta Sigma Psi on Coliseum 3, and over on Coliseum 4, the V-5's meet the Geology nine.

Out at Ag, on field 4, the Operators meet Alpha Kappa Psi, while the Lilies tangle with the Ag Men's club on field 5.

Two games were played Friday. Geology dropped the Newman Club by 12 to 0. The Pill

Arapahoe Cops Class C Crown With 30 Points

Living up to all advance expectations, Arapahoe's two-man track team made a runaway of the Class C track championships Saturday by racking up a total of 30 points between themselves to completely out distance the rest of the schools.

High scoring honors went to Hoppy McCue of Arapahoe who scored a total of 18 points on one first, one second, one third and a tie for fourth in both the pole vault and the high jump events. Close behind him in second place was teammate Don Dutcher who picked up 12 markers on a first place in the discus throw with 138 feet, and a second tie in the high jump.

McCue picked up his big points with a first in the 220-yard dash, a second place in the broad jump and a third in the century.

IN THE broadjump event, McCue lost out for first place by one quarter of an inch to Irving Thoda of Loup City, who jumped 22 feet, 3 and 5/8 inches. McCue had a jump of 22 feet 10 inches but crowhopped a half of an inch. Husky George Witter of St. Joe's of Atkinson didn't quite live up to advance notices as he won the shot put with a throw of 48 feet, three feet under his best throw, and lost out to Dutcher of Arapahoe in the discus.

Arapahoe's two-man squad will be back intact next year as McCue is only a sophomore and Dutcher is as junior.

AICHe Hears Chem Prof

Dr. G. M. Kosolapoff, associate professor of chemistry at Alabama polytechnic institute at Auburn, addressed a meeting of the Nebraska section of the American Chemical Engineers society Thursday.

A dinner for Kosolapoff and AICHe members and their wives or husbands preceded the meeting.

Rollers defeated the CYO by 7 to 5.

The two remaining events in the intramural track meet will be run off today at 5 p.m. The pole vault and high jump were postponed because of the state high school track and field championships.

is the lost word in a cool, silky, hgeat surprise and according to department

"Dr. Webster was a very hard and conscientious worker," said Dr. Blake Monday, "and his death is both a professional and personal loss to the department. Well-liked in the department of zoology, he had a number of intimate friends who often felt that his great worth was unrealized because of his very quiet, retiring manner."

DR. WEBSTER was 65 years old and had been a Nebraska faculty member since 1931. He received his Ph. D. here and served as an instructor in zoology. He taught during his life at Ohio State, Washington Square college of New York, Kentucky Military institute, Illinois Wesleyan and the University of Illinois. He was a native of South Carolina. He received his B. S. degree at Guilford college of North Carolina and his A. M. at Columbia.

WILLARD Wilson, Holdrege, stated that the results of research at Ag college alone bring in more income than the cost of operating the entire University. He also said that Nebraska has lost many instructors because of low salaries.

Sen. Earl Lee, Fremont, also commented on the resignation of instructors who desired positions with higher pay.

"We in Nebraska can't afford to lack in the education field," he said.

Sen. John Davis, Lincoln, commented, "the return from agricultural research amounts to \$113 for each one dollar spent."

Law Professor to Assist Senator This Summer

Professor of Law Julius Cohen has been appointed administrative assistant to U. S. Senator Neely, democrat from West Virginia, for the summer.

Cohen, who teaches legislative, administrative and labor law, is expected to return next fall.
