New Members to Include Club Delegates, Holdovers

4 Holdover SC Members Named Today

Four holdover members from the '48-'49 Student Council to serve on the interim council will be chosen today. President and vice-president of the interim group will also be elected today from the holdover members.

Only senior and graduate members of this year's council will vote in the election, to be held at 5 p. m. in Room 315, Union. Two men and two women will be selected from the junior members of the recently disbanded council.

THE FOUR holdover members will be the only members of the interim council next year who will not be representing a campus organization. The first plan for electing these holdover members was to have the present junior members elect them at a special meeting next fall. However, the joint student-faculty committee on student government ruled that only the senior and graduate members should vote on the four holdover members.

Others officers of the interim council will be chosen next fall after the organization of the group.

The purpose of the interim council is to study and investigate forms of student government to find a suitable plan to put into effect here. Various plans will be presented to this council constitution drawn up at the recent Constitutional Assembly.

WHEN A suitable form of government and representation is worked out or found, the plan will be presented to the student body in an all-campus vote. The plan must also meet with faculty and administration approval.

At present there is no operating student government on the Nebraska campus. The last meeting of the Student Council was held two weeks ago, at which time it disbanded because elections of new members had been called off by the faculty.

Senior and graduate members who will meet today to choose holdover members are Dale Ball, Jack Selzer, Dick Johnson, Harvey Davis, Dick Schlegener, Bill Schenk, Betty Assen, Joan Farrar, Shirley King, Barbara Speer, M. J. Walker, and Rod Franklin.
