Prof. Airs Gripes About Student Types

Students are constantly expressing anything but complementary comments upon the learned gentlemen who lecture while they sleep, the profs, but seldom does it dawn upon these same students that they come in for some careful scrutiny.

Prof. A. Reid Winsey of De-Paw has the following comments to make on the student "type."

"THE ATHLETIC TYPE"—the academic processes hold no terrors for the hero of the gridiron. His fraternity brothers have a complete file of my lecture notes and examinations. It's a rare treat to find him in class. So nice of him to come.

"The playboy type"—the morning after finds him in class with his roommate's shoes on the wrong feet. He drops his pipe but never quite recovers it. I hand it to him after class.

"THE ACADEMIC TYPE"—probably the most objectional of all. The head is attached to the spine on a hinge and nods back and fourth during the entire lecture and the mouth and eyes utter continually, "Yes, professor, Yes, professor."

"Camouflage"—he always brings an armload of books to class to impress me, I guess. The boys are on to him, however, and someone is always picking on him. At the moment he's sitting on a tack and trying to get someone's feet off his back.

"The wholesome type"—wears what every college girl should act and takes like every college girl should talk—constantly. She's at it now.

squash, gymnastics, Peteca Rio, shuffleboard, and horseshoes.

Group sports will also be sponsored by the department. These include a softball league and tennis.

Co-recreational swimming parties will be held every Wednesday afternoon from 4:45 to 5:30 in the Coliseum pool. This activity is open to students and faculty and their families. Swimming permits must be obtained at Student Health.

Reservation cards for tennis may be secured at 102 P. E. These cards entitle the holder to use of the new Grasstex courts which are open from 8 a.m. to 10 p.m.

ATO's Top IM All-Sports Competition Over Phi Deltas

Maintaining their lead over Phi Delta Theta, Alpha Tau Omega won the intramural all-sports championship by a comfortable margin of 147½ points.

In the final tally, the Taus accumulated 1882½ points to the Phi Deltas 1735. Beta Theta Pi was third with 1475, Delta Upsilon fourth with 1377½, and Phi Gamma Delta fifth with 1372½.

Sigma Alpha Epsilon, last year's winners, placed sixth, followed by Sigma Nu, Sigma Phi Epsilon, Alpha Gamma Rho, Sigma Chi, Phi Kappa Psi, Kappa Sigma, Delta Tau Delta, Zeta Beta Tau, Farmhouse, Theta Xi, Beta Sigma Psi, Sigma Alpha Mu,

Tau Kappa Epsilon, Pioneer Co-op, Brown Palace, Alpha Sigma Phi, Delta Sigma Phi, Delta Sigma Pi, Delta Chi, Cornhusker Co-op and Acacia.

The ATO's won only two firsts in "A" sports and two in class "B." They were first in water and cross country. They also took second in indoor and outdoor track, third in baseball, fourth in football, fifth in swimming and sixth in volley ball.

The Jack Best trophy, awarded each year to the fraternity winning the all-sports race, was presented to Bob Berkshire, varsity track man and the Taus' intramural chairman.
