

Union Committee Opens Student Position Filings

Students interested in working for Union Activities Committee should file for position Monday through Friday this week in the activity office of the city and Ag Union.

The booths will be open from 9 to 5 each day.

A new program has been setup this year. All new workers will be assigned to a pool, from which they are to be drawn to work on any or all of the committees. Former workers will re-file, and have a chance to become members of the various committees.

The committees and their sponsors are: General Entertainment, Bob Mosher; Special Activities, Herb Reese; Convocations, By Hooper; Dance, Olive Gettman;

Music Marcia Pratt, House and Hospitality, Marge Cherny; Competitive Games and Hobby; Pat Bussey; Public Relations, Paul Weltehek.

The former workers will perhaps eventually be selected for a position on the Student Union Board of Managers, on which are represented six faculty members three alumni, and twelve students. Four will be from Ag campus.

Freshmen girls are urged to sign for future reference. They will be called upon as soon as the first six weeks of school are over.

The Student Union Activity office is run entirely by students, and prepared to meet the needs of every student in the University.
