

# Rich Reese Hurt In Varsity Drills

The injury jinx which has lingered over the University of Nebraska football crew throughout the pre-season, swooped down Tuesday afternoon to claim another varsity hopeful.

Rich Reese, fast-improving sophomore tackle, suffered a broken ankle at the start of the Tuesday practice session and will be sidelined for the remainder of the season.

The former Omaha Central athlete recently was shifted to the tackle slot from his regular center position.

### Slow Down Drills.

Actual scrimmage developments Tuesday were limited to varsity offensive and defensive work against the freshman forces. Coach Glassford planned tapering-off sessions in preparation for the Saturday opener with South Dakota. Polishing and dummy scrimmages will feature the remaining practice periods for the week.

On the lighter side, Ralph Damkroger, 200-pound end from DeWitt, was named game captain for the SoDak inaugural by Headmaster Bill Glassford.

Glassford expects Fullback Don Strasheim, the Kimball crusher, to be ready for Saturday along with End Cecil Voils, former Northeast high ace. Strasheim has been hobbled by a Charley horse and sat out the freshman-varsity mix last Saturday. Nebraska City End Bob Schneider remained in light togs during the day's toil.

### Faculty Tennis

Faculty women interested in playing tennis one afternoon a week should meet in Room 204, Grant Memorial hall, Thursday afternoon, Sept. 22, at 4 p. m. The afternoon the group will meet will be decided upon at this meeting.

If not able to attend on Thursday, call the Women's Physical Education office and leave a message for Miss Ruth Schellberg concerning your preference of afternoons.

Marriage: A committee of two on ways and means. One has her way, the other provides the means.

Middle age: The time in life when a man stops wondering how he can escape temptation and begins wondering if he's missing any.

# Weir Issues First Call for Cindermen

Track Coach Ed Weir has announced that all freshmen and varsity trackmen who wish to try out for 1949 competition, should report to the stadium track Friday the 30th at 5:15 p. m.

The frosh will hold their first cross-country postal meet of the season October 15. The freshmen will compete against themselves in cross-country teams of five. The best four scores will be sent to Colorado and Kansas to be

compared with scores of the frosh teams at those two Big Seven schools. The same scores will be sent to both schools so the frosh will be competing in two dual meets at the same time.

The 1949 varsity 2-mile schedule goes as follows:

- Oct. 5: Colorado at Lincoln.
- Oct. 21: Kansas State at Manhattan.
- Oct. 29: Missouri at Columbia.
- Nov. 5: Kansas at Lincoln.
- Nov. 12: Kansas at Lawrence.

### Gymnastics

There will be a meeting of all varsity and freshman gym team members Friday, September 23, at 4:00 p. m., in room 106 Physical Education Bldg. Anyone interested in coming out for gymnastics is asked to contact Coach J. G. Geier before the meeting if possible. Physical exams will be given in the student health building from 9 to 12 a. m. through Thursday by Dr. Fuenning.

Fortune Teller: "You'll be a victim of much unhappiness and poverty until you are 50."  
"And then?"  
"After that you won't notice it."

# From the Sports Desk . . .

Jack Best is out. There is nothing we can say or do—the trophy has been retired for at least a year.

Whether this drastic move will improve the overcrowded intramural set-up or not remains to be seen. The problem now is will competition in I.M. activities subside into a slow moving program or will it remain to be spirited as is the American custom.

We agree wholeheartedly, with the intramural department, that the old program was too crowded and had too many sports overlapping. When it comes to removing the prize and reward for the high point winners, we are inclined to wonder about the spirit of rivalry and competition which prevails whenever groups of organizations pit themselves against one another.

If Nebraska can be one of the few schools that can run an intramural system without a just reward for the over-all winners, more power to them. We sincerely hope it can be done. If not, there might be some change of rules which removed all points given for participation and concentrate all point giving to the winners in the various classes.

One of the main reasons, given by the directors of the intramural department, for the removal of the trophy was the forcing of men from some organization to enter an activity simply to gain participation points for his group.

# CHURCH PARTY NIGHT ACTIVITIES

FRIDAY, SEPTEMBER 23rd

All University Churches Invite You to Open House

COME OVER AFTER THE RALLY

### STUDENTS OF THE CHRISTIAN CHURCH
