

Union Dance Committee Pleased With Attendance at Victory Hop

A turnout of 300 students proved the success of the Victory Hop held in the Union Saturday night, according to Ralph Taylor, chairman of the Union dance committee.

"The success of this first dance was so great I feel safe in saying we can offer to University students attending the future dances an enjoyable evening in their Student Union," Taylor said.

Fizz Powell's orchestra played, featuring a medley of Nebraska and Minnesota songs. The crowd sang, cheered and danced.

Minnesotans Interviewed.

A side-light of the dance was an interview with two Minnesota students who may be quoted as saying that they very much liked the Nebraska campus and Student Union. They also remarked that

they had expected the score of the Minnesota-Nebraska game to be 50 to 0, and were very impressed with the fight put up by the Nebraska team.

Soft drinks were served as refreshments at the dance and there were 42 hostesses representing the various houses on the campus.

Hugh Follmer headed the publicity committee, Clyde Munsen, refreshments, and Betty Rosseler, hostesses.

California Teachers Resent Loyalty Oath

As the deadline approached, it was decided that it wasn't a deadline after all. That's the story from the University of California where the loyalty oaths for teachers is a burning question this fall.

A letter requesting that the signed oaths be in by Oct. 1, was not necessarily an actual deadline, according to Mrs. Edith Smith, who is in charge of notary work on the campus. Meanwhile teachers at Santa Barbara college requested that the oaths be deleted as a requirement of employment.
