

### Union Emphasizes 'Student' In Week's Activity Calendar

With activities for everyone the theme of the Union programs this year, a full week of events has been scheduled again for this week.

On Wednesday at noon, it will be free movies in the ballroom when the Husker-Kansas State game is shown. This is the third in the series of Campus Quarter-back movies.

#### Rally Fling

Friday night a free Rally Fling will be held with Jerry Lopez providing the music. This is the second pep dance of the year.

A Pigskin Party will begin at 1 p. m. Saturday, with popcorn and apples to complement the football game on the radio. A dance will be held in the ballroom following the game.

Saturday night will see ISA

members attending a membership drive wind-up dance. All holders of ISA cards will be admitted free of charge. Jimmy Leriche will provide music from 9-12 p. m.

#### Free Movie

The week will come to a close with a movie in the ballroom Sunday evening at 7:30. Victor Mature will star in "Fury at Furnace Creek," the free movie.

Members of the general entertainment committee which plans the activities of the week are Herb Reese, sponsor; Chuck Widmaier, Jane Bailey, Barbara Gilmore, Pet Gundy, Janet Kohn, Nancy Miller, Joan Norsworthy, M. J. Rooney, Carol Schepman, Bill Sherwood, Jo Ann Smith and Dorothy Taylor.

### NUCWO . . .

who attended the UNESCO meeting in Cleveland last year with President Bill Edmondson, is chairman of this department.

#### Other Departments

Other NUCWA departments are publicity, speakers bureau, international studies and information and research.

The publicity department is headed by Susie Reed. This department works through The Daily Nebraskan and Cornhusker. Plans are also being made for radio projects.

Pat Stoural and Claude Hannezo are co-chairmen of the speakers bureau. Principal work of the speakers bureau is the sending of foreign student speakers to Lincoln and out-state schools.

#### International Studies

International studies is headed by Sara Fulton. Much of the work of this department will be con-

nected with this year's conference.

Other NUCWA officers include Vice-President Bob Stevens and Secretary-Treasurer Irene Hunter. The three officers with the department heads form the executive council of NUCWA.

NUCWA is also making plans for the observance of UN week, Oct. 17 to 24. Projects underway include showing films pertaining to international affairs, co-operation in planning the annual Friendship dinner Oct. 22 and a joint convocation with the Cosmopolitan club to hear an address by Chancellor Gustavson.

Faculty advisors for NUCWA are S. J. House, Frank J. Sorenson and Norman Hill.

#### World Affairs Council

The World Affairs council is setting up a committee to co-ordinate all activities pertaining to international affairs which are sponsored by such campus organizations as YW, YM, Red Cross, AUF, etc.

### Law Election . . .

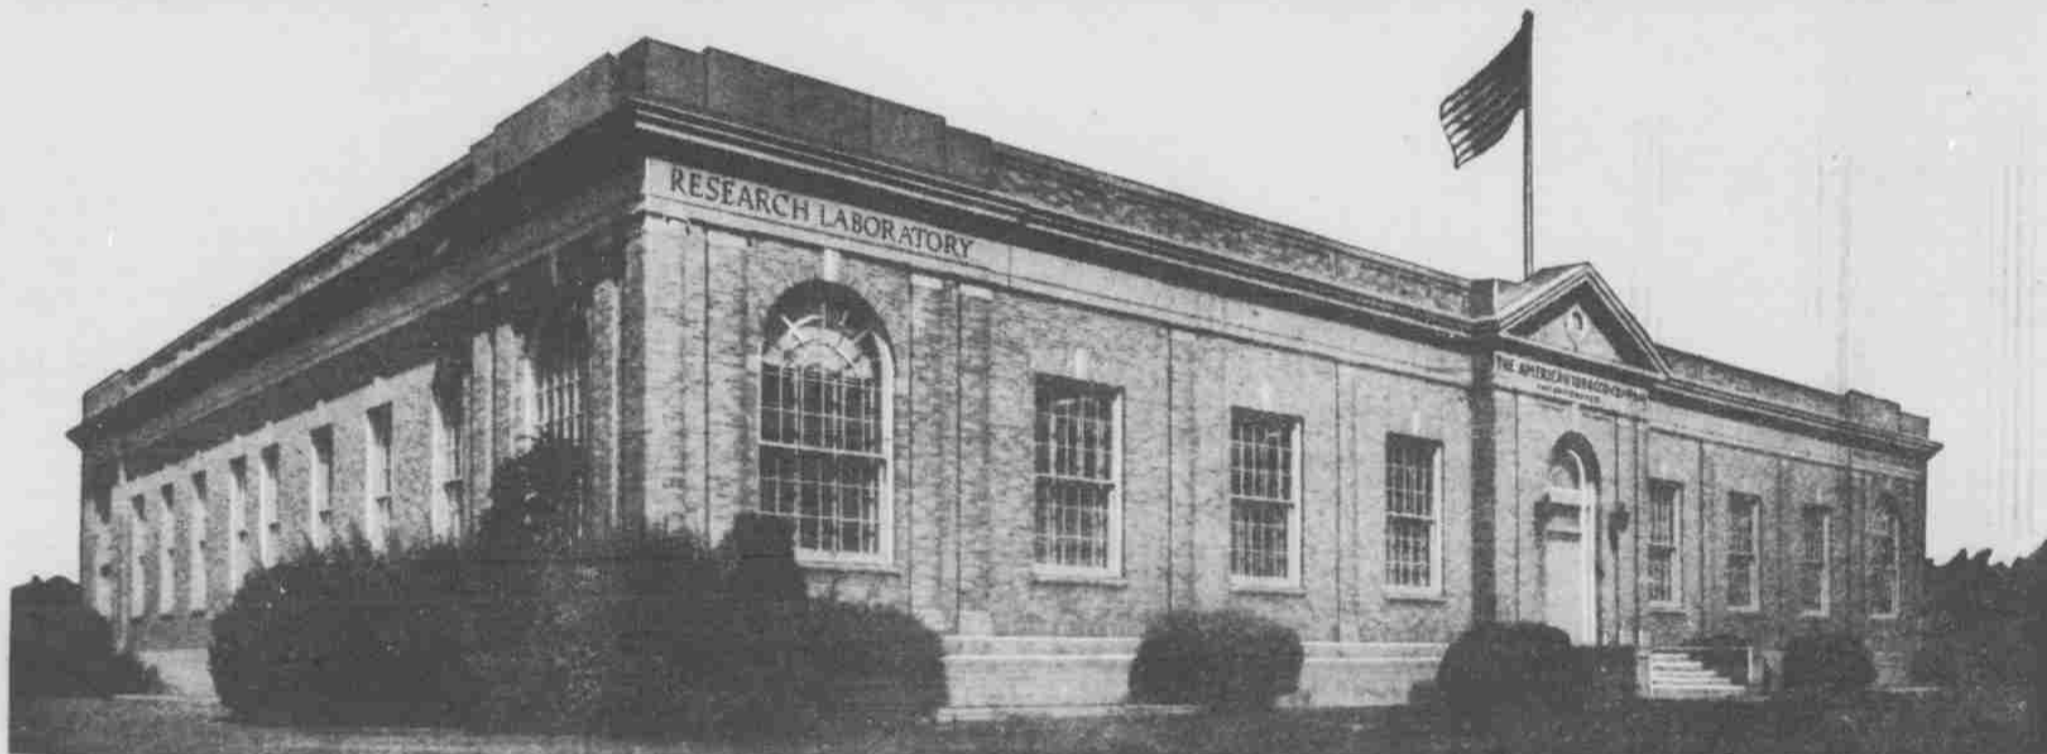

Robert E. Vogler.

First year: President, Kimon Karabatsos; vice president, Edward A. Cook; secretary-treasurer, Charles D. Dugan; Law School Association representatives, Edward F. Carter, Jr., and W. Hiram Jones.

The president and two representatives of each class form the Law Association, the governing body of Law College. The Association is in charge of the school's honor system and elect the college's representative on the Student Council.

# To give you a finer cigarette Lucky Strike maintains AMERICA'S FINEST CIGARETTE LABORATORY

America's largest cigarette research laboratory is your guarantee that Luckies are a finer cigarette!

YOU SEE HERE the largest and most complete laboratory of its kind operated by any cigarette manufacturer in America.

For many years Lucky Strike scientists have delved into cigarette research on an extensive scale. Out of this has grown an elaborate system of quality control. Every step in the making of Luckies—from before the tobacco is bought until the finished cigarette reaches you—comes under the laboratory's watchful eye. As you read this, a constant stream of tobacco . . . samples

from every tobacco-growing area . . . is flowing into the laboratory in Richmond, Virginia. These samples are scientifically analyzed, and reports of their quality go to the men who buy at auction for the makers of Lucky Strike.

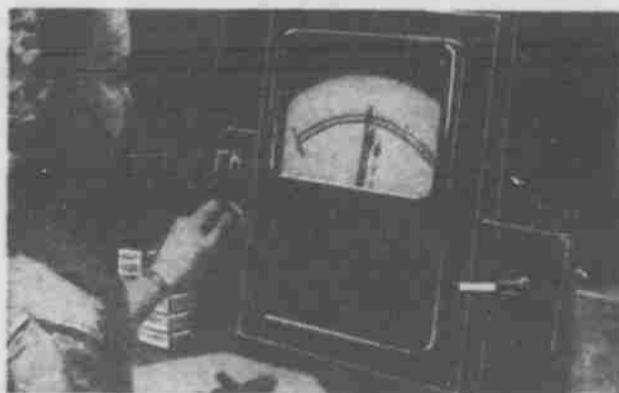

Armed with this confidential, scientific information—and their own sound judgment—these men go after finer tobacco. This fine tobacco—together with scientifically controlled manufacturing methods—is your assurance that there is no finer cigarette than Lucky Strike!

Testing tobacco. Samples from every tobacco-growing area are analyzed before and after purchase. These extensive scientific analyses, along with the expert judgment of Lucky Strike buyers, assure you that the tobacco in Luckies is fine!

So round, so firm, so fully packed. Typical of many devices designed to maintain standards of quality, this mechanism helps avoid loose ends . . . makes doubly sure your Lucky is so round, so firm, so fully packed.

So free and easy on the draw. This meter draws air through the cigarette, measures the draw. Samples are tested to see if they are properly filled. Tests like this guarantee Luckies are free and easy on the draw.

We know: **LUCKIES PAY MORE** for fine tobacco (millions of dollars more than official parity prices)

We are convinced: **LUCKIES PAY MORE** for cigarette research

So, for your own real deep-down smoking enjoyment

*Smoke a Lucky!*

Lucky Strike's fine tobacco and constant research combine to give you a finer cigarette. Prove this to yourself. Buy a carton of Luckies today!
