## Ag Union Offers 2 Cups of Coffee

Numerous Ag students were seen drinking their second cup of coffee for the price of one at the Ag Union Wednesday afternoon. The coffee hour is to be a weekly event at the "Dell" according to John Killeen, Ag Union director.

## Frosh Point For Upset in Today's Dual

Can the frosh upset the varsity? That's the question that has been running around the campus in the mind of all track-minded students for the past week.

That question will prevail until Friday afternoon at 4:30 when the respective two-mile teams meet in Memorial Stadium.

Carrying the burden of the freshmen's hopes is Wayne Judds. Judds has consistently 'pushed' Gene Yelkin, who is one of the varsity's best, in practice and Weir expects a scorching duel right down to the wire. Besides Judds, the frosh have high hopes in Louis Million of Sidney and Hobe Jones of Lincoln.

Jones, was the gold medal winner of the half mile last spring at the Nebraska State High School track and field meet held at Lincoln. Jones, who was hobbled with a leg injury, ran away from the pack as he took an easy Class A victory.

### Weather Helpful

The frosh were able to turn in some good practices this week as the weather remained ideal for the grueling two-mile jaunt. Since the 'Greenies' have been able to practice, it has increased their chances for an upset victory. The weatherman has predicted clear skies for Friday and Weir expects some excellent times from his runners.

Coach Weir reported that the frosh will have a three-fold reason for putting forth all their efforts Friday. Weir gave these three reasons for expecting the frosh to give their all:

1. They will be running against the varsity.
2. Their times will be turned in

to Big Seven Commissioner Reaves Peters who will conduct a frosh Big Seven two-mile championship postal meet.

3. Their times will be tabulated against those of Iowa State and Missouri in another postal meet.

### MAIN FEATURES START
