

Teacher Quintet Here Wednesday

By Irv Bahde

The Northwest Missouri State Teachers quintet will have two games under their belt when they invade the Coliseum Wednesday for the second Husker basketball game of the 1949 season.

Last week the Teachers cleaned the bench as the Missouri squad rolled to a 54-23 win at the expense of Buena Vista College. This week the Teachers meet St. Benedicts Tuesday in what could develop into a high scoring affair.

Ryland Milner, head mentor of the Northwest Missouri squad, has 10 men returning from last year's team which was trimmed by a fast Husker five 59-39. Of the returnees, four will start along with one newcomer, the rest will undoubtedly see action later in the Teacher-Cornhusker clash.

Lyle Starts

Kirby Lyle is the only new starter for the Teacher five and the Maryville lad will open the game at a forward slot. Opposite Lyle is Gene Ceglenski, one of scoring threats and a definite leader in rebounding for the Missouri team.

However, the big gun in the Teacher offense is Al Henningson, captain of the team and the pace-setter in the Teachers scoring column last year when the Cornhuskers defeated the Teachers. It will be Henningson's duty and full time job Wednesday night to try and hold down Nebraska's All-Big Seven center Bus Whitehead.

Coach Milner has listed Lloyd Younger and Charles Ramsey to start the Cornhusker game as guards for the Teachers in an attempt to give more polish to the offensive attack. Both guards are good ball handlers and will be tough under the boards since they weigh close to 200 pounds and stand better than six feet. For Nebraska Coach Harry Good, who is beginning his fourth season as head coach, will call upon the same starting five that started last Saturday to bring in the victory for the Cornhuskers.

Husker Captain

The only change is the game captain and Joe Malecek, junior forward from Berwyn, Ill., will take over the game captain duties. Last year Malecek started every game for the Cornhuskers and averaged 6.9 points per game. Malecek's favorite spot is under the basket and the 6-5 forward is a rugged man to move out of the way.

Good's lineup for the Teacher game will have Malecek and Tony Lawry, forwards; Whitehead, center; and Bob Cerv and Larry Walsh, guards.

CAPTAINS HUSKERS—Joe Malecek, a defensive giant and number 2 man for the Cornhuskers under the boards, will captain Nebraska Wednesday when Northwest Missouri State Teachers play in the coliseum. Last year Joe averaged 6.9 points per game.

Gymnasts To Perform In Exhibition

The University of Nebraska gymnastics team will open its 1949-50 season with an exhibition at the half of the Nebraska-Northwest Missouri Teachers basketball game, Wednesday, Dec. 7.

The gymnastics team is headed by Leo Geier, three year letterman, who is headed for his fourth varsity letter in gymnastics. Leo will be the first and only man ever to letter four years in gymnastics. Two other letterman, Al Dunavan and Art Hillman, will help form the nucleus of the squad.

The team has planned four other exhibitions at basketball games plus three out of town exhibitions. The regular season will start on Jan. 14 with a home meet with Iowa University.

Phil Sprague, well known performer for the last three years, has been named by Geier as assistant coach.

The following nine men have been chosen to form the varsity squad this year. Geier, Hillman, Dunavan, Norm Anderson, Paul Hughes, Cliff Currin, Bob Orr, Bob Yarwood and Ed Craren. There is also a "B" squad and a large number of promising freshman.

George Alexander is manager of the team again this year. George has been doing the job faithfully for the past three years.

An intra-squad meet has been planned by Geier for Dec. 15. All men out will participate.

Anderson, Phi Delt, and 69.1 for Jerry Cooling, Sig Chi.

The rest of the fraternity qualifiers for the semi-finals and their times are: Keith Cossart—Sig Ep, 70.4; Paul Holm—ATO, 71.3; Jim Edec—Phi Delt, 73.4; Lee Keller, SAE, 74.0, and Noel Rassmussen—SAE, 77.9.

Schnackel Leads Independents
Dale Schnackel, Student Union set a new independent record in the two-lap run Monday with an effort of 66.2 seconds, far better than the rest of the field.

Harry Wray running for Cornhusker Co-op turned in the next best time with 70.1 seconds. Two other men also qualified in the Independent prelims. Norman Scott, Student Union had a time of 73.2 and C. G. Forek, Ag Men, had 75.9.

Chester Scott of Presby House set his second Denom record, his 66.6 seconds in the two-lap establishing a new mark. Behind Scott came Bob Shuler also of Presby with a time of 67.0 seconds.

The rest of the Denominational qualifiers and their times are: Glenn Beerline—Presby, 71.4; Gerard Walton—Presby, 73.5, and Duane Hurt—Newman Club, 76.5.

Intramural Sportalk

BY BILL MUNDELL.

It was Hobe Jones who led the way in the two-lap run Monday in the 1949 IM indoor meet. Jones who previously rang up the best time in the one lap, had things all his own way in chalking up a time of 65.4 seconds. His time is only 1-10 second off the two-lap record set by Wendell Cole, Sig Ep last year.

Behind Jones in qualifying came Bob Barhaus, Sigma Chi with a time of 66.2 seconds and Irving Thode, Phi Delta Theta with 66.5.

Three other men clipped-off the distance in less than 70 seconds for the fraternities. Ed Ackerman, Sigma Nu, had a time of 67.9 seconds as to 68.4 for Jack
