## Dick Srb Wins **Rhodes Award**

**NU Senior Tops Candidates** From Six Midwest States

A Rhodes scholarship was awarded to Dick Srb, Arts and Science senior, at the final competition for candidates from six midwestern states which was held in Des Moines Saturday.

Dick is a history major and is playing his fourth year of varsity basketball. He is secretary of the N Club and a former member of the Student Council, A veteran, he served in the Navy as an enlisted man for 13 months and enrolled in the University following his discharge.

#### Study in Oxford.

The scholarships were established in the will of the late Cecil Rhodes, British empire statesman and large mine owner in South Africa. They provide for the maintenance of selected scholars for terms of two to three years each at Oxford university in England. Thirty-four scholars from the British Empire and 32 from the United States are sefrom the United States are selected each year.

The other candidate from Ne-braska was William Edmondson, also a University of Nebraska student. The two men were selected to represent the University by a faculty committee and both were selected by the Rhodes committee to go to Des Moines for the final competition.

#### Rhodes Committee.

The Rhodes committee is made up of Dr. R. G. Gustavson, and three former Rhodes scholars: H. A. Gunderson, Paul F. Good, and Dean E. O. Belsheim.

Other nominees from Nebraska were Wayland Gardner, Doane; William Whaley, Creighton; H. T. Boland, now in the service; Robert Hardwig, Midland, and John R. Krueger, a Nebraskan attending George Washington university in Washington, D. C.

## Ag-Exec Board Plans Program For Tonight

Mrs. Frances Pelton, Farm-house fraternity housemother, will give a reading entitled, "A Christmas Message" as a feature of the Ag College Christmas pro-gram, Tuesday, Dec. 13, at 8 p.m. "A

Mrs. Pelton, who has been Farmhouse housemother for 16 years, is well known by many Ag college students and faculty.

The program, sponsored by the Ag-Exec board, will also feature singing by the Ag college chorus under the direction of Mrs. Altinas Tullis. The auditorium of the College Activities building will be decorated to the Christmas theme including lighted candles signifying each year of the life of Christ.

### Program

The program is as follows: organ prelude by Elinor Hansen, organist and eccompanist; lighting of the canales; invocation by Rev. Thomas Barton, pastor of the second Presbyterian church.

This will be followed by "The Little Road To Bethlehem," sung by the girls chorus. The audience and chorus will sing Christmas carols and Mrs. Pelton will give her reading.

The entire chorus will then sing excerpts from "The Messiah,"

"This will be the only all Ag college Christmas program that the students will have a chance to the students will have a chance to attend," stressed Neal Baxter of geologists in the country."

## Tete-a-Tete At U. of Iowa

A golden-haired University of Iowa co-ed was found strangled early Sunday in a men's rooming house on the university campus.

The dead girl is Margaret Ann (Gee-Gee) Jackson, 20, of Burlington, Ia., a campus beauty and member of Kappa Alpha Theta sorority.

Her escort, a fellow-student who had taken her to a private lobster dinner and a fraternity dance, was accused of slaying her He is Robert Bednasek, 24, a senior from Cedar Rapids, Ia., and a member of Sigma Phi Epsilon fraternity.
Died from Strangulation

Dr. George D. Callahan, John-son County coroner, said the girl's death was "murder caused by strangulation," and that the mo-tive probably was jealousy. Miss Jackson, formerly

### Bids Open for **New Insectary** On Ag Campus

Blueprints have been completed and birds are due for the con-struction of a \$50,000 insectary on the Ag campus of the University, according to Charles Fowler, director of building and grounds.

The building, to be constructed east of the present agronomy greenhouses on Ag, will provide research facilities for the Ento-mology department. They will study insect damage, the major source of economic loss in Nebraska-it runs into the millions of dollars annually to crops, other vegetation and animals.

The U-shaped building includes a brick "head house" 60 feet long and 25 feet wide. It will house two laboratories and three offices. In the basement will be insect production space, a constant tem-perature room, and a cold storage

One of the wings will be a sixsection greenhouse 88-feet long and 25-feet wide where plants and on a year-around basis.

The other wing, 61-feet long and 21-feet wide, will be a screen Parents are reminded that house, for summer research work,

Changes are still being made in the proposed Student Council Constitution in compliance with student suggestions and a new article concerning advisory opin-ions of the Court has been drawn up by members of the Judiciary sub-committee. sub-committee.

The Student Council reminds students that it is still eager to get suggestions for the proposed Student Court concerning their opinions and ideas on the Constitution.

Ray Simmons, member of the sub-committee who had charge of drawing up the first draft of the Constitution, explains:

#### Advisory Opinions

"The Court could give advisory opinions on the many complaints that students raise but have no outlet for. Examples—let the Student Court investigate student viewpoint as to setting time for exams, having senior week in the spring, and rules regarding faculty-made rules as to social functions.

"The immediate answer raised by students might be that there is already a Student Council, In-ter-fraternity Council and other organizations that should handle these controversies. The answer to this is that these organizations have not been handling such matters. Nor are they set up to handle them. Such matters would require careful investigation, and there is no committee set up in the Student Council to handle them. And even if there was such a committee, it would not have the required prestige necessary to give opinions."

With this in mind, Don Stern, Fred Chael and Simmons have enlarged the article concerning the powers of the Court as to advisory opinions.

The Judiciary sub-committee also emphasises that it desires that students do not condemn the plan as a whole merely because they dislike some part of it. Rather, the sub-committee would See STUDENT COUNCIL Page 2

### **Union Names** Winners of Bridge Meet

Winners of the first Union bridge tournament held Saturday were Neal Atkinson and Steven Flansburg, and Pat Black and Suzie Pecha.

Atkinson and Flansburg scored 17 match points to lead the East-West teams and Black and Pecha counted 18 points to win the North-South laurels.

Runners-up in the tournament were Bennet and Reitor in the East-West teams, and Hofmann and Legg for the North-South

All entries in the three meets must participate in two of the contests. A play-off will be featured between the winners to determine the first place team on this campus.

Members of winning teams in each contest of the series will be awarded a new deck of cards by the Union activities committee, sponsor of the tournaments, Bill

Tyson is the instructor. Other participants and their scores Saturday are as follows.

North-South teams: McKar and Allen, 1412; Katzman and Cohen, 8; Armstrong and Bristle, 15; and Christenson and Campbell, 12.

East-West teams, Gotschall and Diebler, 14; Lesher and Renne-mann, 14; Slusher and Rogers, Rogers, 13½; and Holmes and Holder,

Three tournaments are scheduled after the Christmas holidays to determine Nebraska's representatives to the Big Seven and national Intercollegiate tournament.

# Harvard Professor to Address Convocation in Union Today

One of the nation's foremost geologists, Dr. Kirtley Mather of Harvard University, will address a University convocation at 11 a. m. Tuesday in the Union ball-

He will speak on "The Earth's Resources and Man's Needs."

Chancellor R. G. Gustavson says Mather is "an authority on world resources. He is one of the finest speakers I've ever heard. Mather is an exceptional scientist with the ability to tell about his work so that others can follow him."

"I know that what he has to
