Huskers Invade Kansas For Saturday Cage Contest

Jayhawks Seeking Revenge

Phog Allen's powerful Kansas University cagers will be out for revenge this Saturday as they play hosts to Nebraska's Cornhuskers at Lawrence. Dr. Allen's Jayhawks, led by high-scoring sophomore Clyde Lovellette, will be seeking their ninth victory of the season and their fourth in Big Seven Conference play.

The Kansans, doped in pre-season to finish third in the conference, suffered a one point defeat, 57-56, at the hand of the league leading Cornhuskers at the start of the season, which until Monday's loss to Colorado, was the lone blemish on the Jayhawk conference record.

The Huskers, unbeatable on their home court, will try to start their winning ways on the road. In the only conference game the league-leaders have played away from home, they finished on the short end of the score, losing at Colorado, Nebraska, winner of 11 straight at home, has only captured one out of five on the road, that victory an overtime win over Iowa State in the Kansas City Tournament.

Lovellette Terrific The star of the Kansas team, Lovellette, has been hitting at a terrific pace since having a bad night at Lincoln. In fact, that was the only bad night the tall boy has had all year. Whether he was just "off" that evening or whether the Husker defense had him bewildered will probably be proven in Saturday's contest.

Lovellette has scored 356 points in 16 games this year, an average of 22.3 points per game, good enough for any league. Two other Jayhawks have scored over a hundred points in games this year, Jerry Waugh and Claude Houchin.

Saturday's contest will be a battle of the two top scorers in the conference as Nebraska's Bus Whitehead is currently holding down second spot with 89 points compared to Lovellette's 123 conference points.

Whitehead netted 26 markers against Kansas in their first meeting while holding Lovellette to 12. A similar story Saturday and a Husker victory would not be out of the question.

Malecek Needed The outcome of Saturday's game could greatly be affected by whether Joe Malecek is back, ready to assume his stalwart defensive position for the Cornhuskers. Malecek, out of continuous action with a bad knee, saw only two minutes of play in Monday's game with Missouri.

Other conference games this week finds Iowa State journeying to Colorado for their second meeting of the year, and Missouri getting the somewhat doubtful pleasure of entertaining the Wildcats of Kansas State.

Pi Kaps, K. Sigs Are Victorious

In IM basketball over the weekend Delta Chi lost a heart-breaker. Pi Kappa Phi overcame a four point half-time deficit to win a thriller by the score of 40-39. No more than five points separated the two teams at any time during the game.

Duane Gardner led the Pi Kaps, dunking a total of 22 points. Mick Sisley took top honors for the Chi's netting 15.

Kappa Sigma reached the 500 mark by routing Sigma Alpha Mu, 41-29. The scoring was well distributed with Curtis of the Kappa Sigs gaining top honors with 13 points. Swedelson of SAM scored ten.

BASEBALL OUTLOOK Thirty-Seven Out; Sharpe Optimistic

Coach Tony Sharpe, Husker baseball mentor, is rather optimistic in his estimation of the coming baseball season.

Sharpe, with just one week's practice, has indicated that he was very pleased with the form of the returning lettermen and the prospects.

Thirty-seven men reported for baseball, ten are returning lettermen. Sharpe will have two lettermen to fill the catcher's position. Tom Novak and Dil Blatchford are the two lettermen.

Back for another year on the mound will be Elroy Gloystein and Bob Camp. Gloystein played an important part in the Huskers 1948 Big Seven championship club.

Hobe Hays, Bob Grogan and Bill Denker will be back for another year at their infield posts as will Bob Cerv, Buzz Powley and Don Hays in the outfield.

Competition Hot Coach Sharpe remarked that competition will be the "greatest ever" for starting berths. Seven men who failed to earn their monograms last year are back to give it another try and Sharpe

Gamma Delta by blasting the Kappa Sig "Bees," 38-10. Smith and Coupens topped the Tau scorers with nine and eight respectively. Curtis of the losers scored four.

Monday's games saw both scheduled contests forfeited. Top ranked Independent team, Sigma Gamma Epsilon received a forfeit from Phi Alpha Delta while the Pick Ups were gaining a forfeit from Norris House.

Top games on Wednesday's agenda include Delta Upsilon (top ranked "B" team) vs. Alpha Gamma Rho "B"; Phi Delta Theta "B" vs. Beta Theta Pi "B"; AIEE vs. ASME; and Celtics vs. Dorm A.

From the Sports Desk

By Bill Mundell (Assistant Sports Editor)

Monday's basketball game with Missouri proved one thing to the Cornhusker faithful: the Huskers don't always play a sparkling cage game, but they do play well enough to win. If their opposition is terrific, then the Huskers are a little more terrific and if their opposition is lousy, the Huskers are not quite as bad.

What's wrong with that? It does mean our team is a little unpredictable in the margin of victory, but it also means they are quite predictable in what really counts—a Nebraska victory.

Monday's game was quite a disappointment to the fans who seem to be really concerned with high-scoring affairs at the present time and coming on the heels of the Kansas State, Iowa State, and Kansas games, it was quite a change.

Good Defense Most of the fans who were hollering, centered their gripes on the fact that the Huskers just didn't score, at least as often as they should have.

What most of the faithful don't realize, however, is the fact that the Missourians have the conference's best defense. Colorado, which outscored Nebraska at Boulder, only netted 41 points in beating Missouri last week. The Tigers play that kind of game.

Then, too, the Cornhuskers couldn't have been expected to be at the peak they attained the week before against Kansas State. Every team experiences a let-down after an important struggle.

Only one thing should be foremost in the minds of the loyal, Nebraska won, playing good or bad, they won.

Saturday's game at Lawrence should give the fans an idea of the Huskers' ability on the road. Coach Good's cagers seem to be two different teams in their games at home and those away this year.

Their journeys have been disastrous to say the least, winning only one of five contests.

The battle of the giants will be spotlighted again in Saturday's game. The two league leading scorers, Clyde Lovellette and Bus Whitehead, will vie for top honors. Whitehead outplayed and outscored the heralded Kansas sophomore in the two schools' first meeting this year at Lincoln.

The final outcome of the game Saturday could hinge directly on whether Bus can do it again. We hope he can.

Colorado Nips K.U.

A basket by Buffalo Wayne Tucker in the last second of an overtime period Monday gave Colorado a 50-48 upset victory over Kansas University.

Tucker's winning heave nullified a 30-point performance by the Jayhawks' ace, Clyde Lovellette.

Both teams played the five-minute overtime cautiously after Kendall Hills of the Buffs tied the score, 48-48, in the last minute of the game.

Hills grabbed a Kansas rebound in the closing seconds, then passed to Tucker who sank a one-handed push shot from 25 feet.

Hills led the Colorado scoring, netting 14 points followed by Tucker with 12. Lienhard of Kansas scored 14 points for second behind Lovellette.

Oklahoma Jars ISC

Oklahoma finally got out of sixth place in the Big Seven by whipping Iowa State Monday night, 63-57 at Ames. It was only the second Sooner Big Seven triumph in six games.

The Sooners pulled away midway in the last half to gain the victory.

The Okies hit four successive field goals in the last 90 seconds of the first half to grab a 34-32 halftime advantage after the lead had changed six times.

The scoring was well distributed for the winners. Morris led with 12 markers with Glasgow and Speagle both netting 11 and Waters getting ten.

Ferguson led the Iowa Staters in scoring, notching 18 pointers.

WAA Rifle Club Tryouts Revealed

Members of the WAA Rifle club who wish to try out for the rifle team should meet at the range in the Military building either Wednesday, Feb. 8, or Friday, Feb. 10.

Time of the tryouts is 4:00 p.m. Saturday marks the first day of competition for the team. Members will compete in a shoulder to shoulder match with Illinois. The Illinois girls will actually come to Nebraska for the match instead of the usual competition procedure—sending the score cards to the opposing team by mail.

Ten coeds will be selected for the team on the basis of the scores they make at this week's tryouts. Each contestant will shoot at ten bullseyes.

The WAA Rifle club has 42 members and meets at the range twice a week for practice. Gordon Hansen is instructor for the club.

Sellout Crowd to Laud Glassford

A sellout crowd of 225 to 250 people will attend the "appreciation" luncheon of the Chamber of Commerce in honor of Bill Glassford Wednesday noon.

T. A. Sick, president of the Lincoln Chamber, will express appreciation for Glassford's decision to stay as Nebraska's football coach.

Other speakers include: Robert Defoe, University Regent; Patsy Clark, director of athletics, and John Bentley, athletic department publicity chairman.

Matmen Squads Active Saturday

The Nebraska wrestling and gymnastics squads will swing into action again this Saturday night.

The matmen will try to get back in the victory column as they grabble with the boys from Wisconsin, while the gymnasts will attempt to garner win number three of the current year when they meet Colorado University.

The gymnasts meet will start at 6:00 in the Physical Education building where the horizontal bars and flying rings events will take place. The meet will then move to the Coliseum for the remainder of the events.

Meets Televised When the gymnastics meet is concluded, the wrestling competition will follow. Both meets will be televised. This will be the first time that the wrestling or gymnastics teams will appear over television. The arrangements are being taken care of by WOW-TV.

Boys fighting for starting berths on the Husker wrestling squad are Harold Gilliland and Kenneth Brown in the 128 pound division, John Scharf, Ed Lane, and Earl Schneider in the 155 pound class, Al Johnson and Don Rauth at 165 pounds, and Mike DiBisce and Howard Doerr in the heavyweight division.

Probable starters in the other weights are Louis Caniglia at 121 pounds, Mickey Sparano at 136 pounds, Robert Russell at 145 pounds, and Herb Reese at 175 pounds.

After the Wisconsin match, the Cornhuskers won't make another home appearance until March 3rd.

Dunavan Leads Scorers. After two meets, Al Dunavan is leading the scorers in Nebraska gymnastics with 51 points. This week, Dunavan will work the horizontal bar, parallel bars, rings, tumbling and trampoline. Assisting Al on the horizontal

bars will be Norman Anderson and Paul Hughes. Anderson will also work the parallel bars, and Hughes the rings, tumbling and trampoline.

Leo Geier, second in scoring with 31 points will work the side horse, rings, parallel bars, and tumbling. Assisting Leo on the side horse will be Art Hillman and Bob Yarwood.

Cliff Currin will be the third member working the trampoline. Because the swimming team will be out of town, Ed Caren will be unable to compete with the gymnasts this week.

Colorado Entries. Entries from Colorado University will be Bill Hasse, Keith Neslabek, and Kenneth Dunstaf on the horizontal bars, flying rings, and parallel bars. Hasse also works tumbling and trampoline. Assisting him on tumbling will be Dunstaf and Paul Villano, while Neslabek and Phil Scherrer will round out the trampoline. Participants on the side horse will be Scherrer, Lou Conroy and Charles Hornback.

C. E. Miller director of physical education for men, will be the radio announcer for the meet. The ROTC band will play during the evening.
