Huskers Share Big 7 Lead on 57-55 Win Buster Leads Nebraska In Thrilling Win With 24

By Kimon Karabatsos
Bus Whitehead, playing strictly an all-American brand of basketball, boosted the Nebraska Cornhuskers to a 57-55 win over a rejuvenated Oklahoma outfit at Norman Monday night.

The thrilling victory placed Coach Harry Good's cagers in a tie with Colorado for the Big Seven lead. Both teams have won five and lost two.

Before the week is up, another team will be sharing the lead with these two teams. Either Kansas or Kansas State will enter the limelight, depending on which teams win in their game tonight (Tuesday).

Oklahoma jumped to an early lead on Glasgow's two free throws. He hit another gratis shot before Whitehead countered with the same to make it 3-1, Oklahoma, with just two minutes gone in the game.

Bob Cerv, on a fast break with Tony Lawry, countered with the first field goal of the evening and tied up the ball game at 2-5.

Two more free throws gave the Sooners the lead and then Speigel hit another charity shot to give Oklahoma a 6-6 average from the keyhole.

Cerv potted a long shot and Joe Malacek, getting his lonely point of the evening, tied up the game at six all with four minutes gone.

Speigel meshed a long shot and Morrison sank his two free throws to give the Sooners a four point lead before Whitehead hit one of his free throws.

Six Point Lead
Waters and Merchant hit a couple of long shots to give Coach Bruce Drake's men a six-point lead—the widest margin during the entire game.

Bus hit on his favorite jump shot and then swished his free throw after Waters had fouled him.

Marks hit from the floor and Jim Buchanan was caught guarding him too closely to give the Sooners another point.

Two for NU
Bob Pierce and Buchanan potted a couple of quick baskets to keep the Huskers in the game. Speigel connected on a long shot and then Pierce hit from 20 feet out.

Nebraska was charged with three straight fouls—Whitehead, Buchanan and Lawry, but the Sooners who hadn't missed one yet, connected on only one of the three.

Amazing Averages.
During the first half, Nebraska and Oklahoma hit amazing averages from the free throw mark. The Huskers hit 9x10 and the Sooners 15x19.

his free throw, making the score 47-48, Nebraska.
Joe "not the comedian" Brown cut the Sooners cheering section off with a moan as he hit a beautiful 20 foot set shot.

Glasgow hit from the floor and White hit from the key-hole to tie the game with 3:40 seconds remaining. Eight seconds later, Buster meshed his 21 point on a free toss.

He added to his total less than a minute later on his jump-shot and then Walsh potted one from the floor to give the Huskers a 5 point lead.

Brown was caught fouling and the Sooners took advantage for one of the two shots. Morris hit from the maples with just 44 seconds left and a second later fouled Brown, which was good for a Nebraska point.

Thirty seconds remained as Glasgow hit a lay-up making the score 56-55.
The game couldn't have ended more appropriate. With just 14 seconds remaining Whitehead walked calmly up to the free throw line after Morrison had fouled him.

Amidst the yelling of the Sooner crowd, defying him to make it, he quickly potted it, squelching any chances for a Sooner victory.

When the buzzer finally sounded, Buster was holding the ball in mid-court.

Nebraska
Lawry f 1 2-8 4 7
Malacek f 0 1-1 5 7
Pierce f 2 1-1 5 7
Whitehead f 8 8-19 3 27
Cerv g 2-3 4 8
Buchanan f 1-1 3 3
Gates f 3 6-8 0 8
Brown f 1-1 1 3
Coch f 0 0-0 0 0
Walsh g 1 0-0 2 2
Totals 19 25-28 27

Oklahoma
Glasgow f 2 3-4 13 13
Speigel f 3 7-9 0 13
Dugally f 0 1-1 1 3
Terral f 0 0-0 0 0
Laska f 0 0-0 0 0
Waters f 1 2-2 2 4
Priestner g 1-1 2 4
Merchant g 3 4-4 4 10
Morris g 3 5-8 3 11
Husker g 1 0-0 0 2
Owens g 0 0-0 2 2
Totals 16 23-31 22 55
Halftime score: Oklahoma 33, Nebraska 31.

Baseball Crew Conditioning Despite Snow
Although this isn't quite the weather for baseball, Coach Tony Sharpe's diamond crew has nevertheless started serious practice in the field house yesterday.

The boys have gone through conditioning exercises for the past two weeks.
With the accommodations in the field house, the boys can practice pitching, catching, sliding, infield work, and outfield work, as well as hitting.

Within two weeks, Sharpe will know pretty well just how his pitchers are going to round out this year. The pitching lead will no doubt fall on the shoulders of three year man, Elroy "Lefty" Gloystein of Waco, Nebraska, man from last year's squad. Also working at second base is John Rego. If Mladovich or Jensen fail to come through at first, they will also work on second. While in high school, Mladovich was known for his short stop capabilities.

Skalla Improves
Holding down third base will be letterman, Bill Denker from last year's squad.
Returning lettermen in the outfield are Bob Serv, Harlan Powley and Don Hays.

Other boys showing promise in the outfield are Bill Fitz. Sharing pitching honors with Gloystein will be another letterman, Bob Camp of West Point. Last year, Camp was the number one relief hurler on the squad.
Also rounding out the pitching staff will be Sterling Van Vleck who has been on the squad for the past two years but has failed to letter. Other boys vying for this berth are Linus Vrba, Delbert Kopf, and George Nutt.

LEE MOORE—By placing second in the Jayhawk-Husker duel meet last Saturday, sounded grave warning to Big Seven milers. His un-official timing of 4:24.6 makes him the "Dark-horse" of the Big Seven meet.

Sig Nu's Beaten

By Bill Mundell
Sigma Nu's dream of unbeaten glory in intramural basketball was rudely shattered over the weekend in the 'battle of the giants' with Phi Gamma Delta. The Phi Gams finished the first half of their season with their sixth straight victory, 41-35.

The whole story of the game came in the second half of play with the victors holding the Nu's to only five points. Halftime score stood at 30-25, Sig Nu, Olson was the big gun in the Phi Gam attack as he led the scoring with 18 points. Altman of Sigma Nu netted 14 for tops for the losers.

Unbeaten Delta Tau Delta continued its pace over the weekend as it clouted once-beaten Tau Kappa Epsilon, 50-33 behind the 22 points of Vandel. The Deltas (ranked third in the University) were never in trouble in gaining their fifth win. Anderson scored 12 points for the Tekes.

Taus Terrific
Alpha Tau Omega went point-happy in its game with Sigma Alpha Mu as the Taus slaughtered the hapless Sammies, 88-22. The ATO's rallied behind high-scorers, Jack Carroll and Mack Robinson in rolling to their fifth consecutive victory. Both Robinson and Carroll scored 24 markers for the Taus. Swedelson was high for the losers with 18.

A fourth team also continued unbeaten as Inter-Varsity (ranked sixth in the U.) won their sixth game, 24-19 from the Methodist Student House.

The IV men were hard-pressed playing without their top-scorer, Ray Lucht, who graduated in January. Brother G. Lucht led the winners with 11 points, however with Ron Myers contributing ten. McKinzie chalked-up eight for the Methodists.

Delta Sigma Phi kept lowly Cornhusker Co-op in the cellar of Fraternity league III, thumping the CoCo boys, 23-13 in a low scoring affair. The Co-op didn't register a field goal until six minutes came in the second half. Clark Betcke and Dick Fensler of the Delta Sigs led the scoring with nine and six points respectively.

Expelling action. The "Puritists" were handed a stunning defeat—they had failed by 25 votes to expel these "heretics." Their constitution requires a 2-3 majority for expulsion.

(This is the first of a series of articles attacking and upholding the NCAA "sanity code." I feel that since this in directly affects every student on the campus, both sides of the oft discussed question should be presented.)

What good is the NCAA? They have set up a "Sanity Code," can't enforce it! Why can't it be enforced? If you have, or let's put it this way, if you think you have the answer; drop a letter fully explaining your views to NCAA President Hugh C. Willett, University of Southern California, Los Angeles California. He's stymied!

It seems that a few schools have failed to comply with the code by giving their athletes some financial aid. The "Rebels" seem to think that this is OK, but 111 members of the NCAA definitely think otherwise.

January 15, newspapers throughout the Nation carried glaring headlines on their sports' pages stating, "NCAA voting fails to Expel Violators," "Rebels Win Smashing Victory," "Sanity Code Falls" and many other such notations. Radio sportscasters played up the news just as strongly.

Why all the "Hallabaloos"? What did they win? You can find varied comment on those two questions. Some say this is just the beginning of professional collegiate football, others, that it is giving the athletes a just reward for their services on the grid-iron or on the maples. Some strike it down, condemning it with a thousand tongues.

Let's take a quick look at what happened at the NCAA New York conference and find out just what happened. It appears that seven schools (their names are not important) had been accused of subsidizing their athletes. None of these schools denied the fact that they had just sat back and said, "SO WHAT?" Maryland handed the board their resignation and a few other school officials tossed around some heated words at each other. Each defending their views on this touchy subject as vehemently as the other.

After about seven hours of this heated discussion, they decided to put the issue to a vote of the members. The issue was whether to expel the violators or not.

Of the 204 schools represented at the New York conference, 93 turned "thumbs down" on the Nielsen of the losers garnered five.

Beta Sigma Psi handed Alpha Gamma Rho its sixth straight loss over the weekend by a score of 37-24. Young of the Beta Sigs led the scorers with 13 as the Lutherans registered their third win in five starts. Gibson led the AGE's with 11 markers.

Sig Chi's Fly
Sigma Chi rolled to an easy triumph in their game with Acacia, winning convincingly, 65-15 after leading at halftime, 34-8. Curtis counted 11 points for the Chi's while Ferguson and Prince each garnered ten. Kelly of the Acacia's scored nine.

In the closest game of the day, Delta Sigma Pi edged Pi Kappa Phi, 34-33. Dal Schoeder of the Pi's and Gardner of the Pi Kaps each netted 12 points.

The Lutheran Student house was slowed to a walk in the first half, but burst into in the second to hand Cotner house a 45-20 defeat. Woody Bohn led the Lutherans to their fifth win in six starts, scoring 16 points.

Other games over the weekend saw Pioneer Co-op smashing the Kappa Sigs, 62-33 behind the 23 points of Berry and the Newman club taking their fourth win of the season, a 37-16 win over the Presbyterian Student house with Griffin of the Catholics scoring 11.

The last two games of the day were the SAE "B" victory over Phi Psi "B", 18-15 and Farm house's trouncing of Beta Theta by the score of 38-22 with Heiss scoring 15 for the Aggies.

Billikns Bop NU Swimmers

The Washington University swimming team dunked the Husker mermen at St. Louis last Saturday by a score of 46 to 29.

Bob Phelps won the 200 yard breast stroke in 2:42.5 for the best time of his career. The Nebraska 300 yard medley relay team set a new time for 3:48 for Nebraska swimming records.

Ted Kamamine led in the 50 yard freestyle but was disqualified for failing to touch the wall on a turn. Eddie Craren had the diving event all to himself.

Pohlman Doubles
Pohlman did the most damage to the Huskers as he won both was very true.

"I know of a case where a boy was paid a \$10,000 bonus just to attend a certain college," stated a professional football coach which queried on the touchy subject by a sports writer.

He qualified his statement by saying, "The school does not pay this money, you understand. Sometimes the school doesn't even know about it. The money comes from alumni funds."

Those alumni funds are the key to the NCAA's problem, for while this organization (NCAA) can legislate for the colleges it has no authority over the "grads" with over-stuffed pockets who are determined to have an undefeated season at Podunk.

One way which they might be able to stop these out-landish \$10,000 bonuses is for the NCAA to authorize reasonable payments to deserving athletes.
