"Why Do We Fail?" is the topic which will be discussed tonight by W. T. Stace, professor of philosophy at Princeton university. Tonight's address will conclude Dr. Stace's visit at the University and this year's Montgomery lecture series. Well-known in the field of philosophy, Dr. Stace will wind up his talks with a subject upon which he has spent years of study, a subject wich will prove thought-provoking to all student and faculty listeners.

To the Editor:

We would like to refer to a mis-statement which has appeared in The Daily Nebraskan several times regarding the Latin-American combo.

The mis-statement claims that the combo was organized and sponsored by Robert Webster, "an American student." In the first place we would like to make it clear that Bob is due as much credit for the organization of the combo as any of the other members of Congress, March 3, 1879, and at special rate of postage provided for in Section 100, Act of October 5, 1917, suthorized September 10, 1922.

Of course this might be a feeble attempt at a "con" on this column and if it is, remember, we have the last word.

Registration 4 / For Y Tour **Ends Today**

Today is the last day to register for the 11-day YW-YM Easter tour to Washington D. C. and New York: Students wanting to take the trip sponsored by the University of Iowa YMCA which has invited University students to participate must ap-ply at the YW office in Ellen Smith hall no later than 3 p. m. president.

Two coeds, Kath Scriber and Mary Hubka, have already registered for the trip.

The trip, which will be taken from March 31 to April 11, will include two major stops—Washington and New York. The Washington stop includes a visit to the White House, Lincoln Memorial, Washington monu-ment, the Pentagon, Arlington and Mt. Vernon. could be swung, but how could everybody take showers, etc?

Speaking of queens, do re-member the Junior Senior Prom this weekend. It would be kind of nice if a crowd showed up for this dance. A bunch of people work their fool heads off to give to this campus good dances, good entertainment and other things, and most of the students show their gratitude by saying away from any of these affairs. It's a damn shame. You know, you might have a good time if you partake in some of this campus activity. You're only at the Uni-versity once in your life you know. Why not give the earnest workers a break and support your own dance and go to this year's Prom. Dave Haun has a good band and if the so-called "set" were to turn out it might give a little impetus to the organization of the Junior class. By the way, we certainly hope that Spring Picnic comes off.
