Life Guarding Courses Offered

By Ira Epstein (Staff Sports Writer)

Want to be a life saver this summer, but you don't have your senior life saving certificate?

If this is your problem, it can easily be solved through the services of the swimming department and the College unit of the Junior Red Cross.

The classes will begin on Monday, April 17, 1950 at 4 p. m. and they will be held daily Monday through Friday from 4 p. m. to 6 p. m. for two weeks.

Aspirants for the life saving course should be ready and willing to work and learn, be a fairly strong swimmer, and must present a swimming permit from Student Health.

To register for the courses call 3180 University Extension, and register with Mrs. Frazier or call in person at the Physical Education building, room 101.

On Friday, April 14th, a pool operator's clinic will take place at the West Senate floor of the State Capitol building.

The clinic will last from 9 a. m. to 12 p. m. and from 1 p. m. to 4 p. m. in the afternoon.

The senior course is divided into 15 lessons. They include Personal safety and self-rescue, Elementary forms of rescue, Fundamental swimming skills for life saving.

Colorado to Use 'T' Single Wing

Colorado's football opponents can look for more T formation plays mixed with the Buffaloes' single wing offense next fall.

That was the word from Coach Dallas Ward Monday as 60 candidates turned out for the first day of spring practice.

Fifteen lettermen were in Monday's group. Suits were handed out and a short workout held.

Lee Wenzke of Denver, a passing quarterback, and Harold Danning, of Loveland, Colorado, kept out of action last season by a broken bone.

Other promising backs out for the varsity for the first time include Chuck Bogle, Marshalltown, Iowa, and Stan Cousy, a transfer from the University of Iowa.

Myer "Whitey" Skoog, Minnesota's all-Big Ten basketball forward, may pitch one of the games in the Oklahoma-Minnesota baseball series at Norman, Okla. Monday and Tuesday.

DON COOPER—Although considerably hampered with injuries throughout the entire indoor season this year, is looking forward to a good outdoor season as he has his eyes on the indoor record when the Big Seven track carnival is held in Kansas City next year.

Wildcats First Outdoor Meet At Texas Relays

MANHATTAN.—Kansas State track and field men bid for at least four Texas Relays championships April 1 at Austin, Tex. It will be the first outdoor competition for the Wildcats this year.

Rollin Prather, Big Seven conference indoor and outdoor shotput champion, will seek his third Texas Relays shot title and his second championship in the discus event.

Herb Hoskins, State's brilliant junior broad jumper who holds the Big Seven indoor and outdoor titles, is a good bet to grab the blue ribbon at Texas.

Virgil Severns, junior high jumper, will be another Kansas State threat. Severns, a lanky farm kid, bettered six feet, five inches twice during the indoor season.

Other 'Cat stars who may win points are Earl Elliott, Big Seven 120-yard high hurdles champion; Don Frazier, sophomore javelin tosser and a 4-mile relay team of Don Thurlow, David Vanhaverbeke, George Owen and Dean Kays.

K-State English Prof Named to NCAA Committee

MANHATTAN.—Dr. Earle Davis, English faculty member at Kansas State, has been named to a three-man NCAA committee which will receive and study suggestions for amendment of the NCAA's Sanity Code.

The purpose of the Sanity Code committee, according to Willett, is "to receive, correlate and codify in appropriate amendment form, suggestions for the amendment of the Code received from any source within the Association."

The three-man committee will present its findings and recommendations to the NCAA Council in August.

Four new records were set in Oklahoma High School swimming meet March 13 at Norman, Okla. The new marks were: 1:46.6 in the 150 individual medley by Dave Glander of Norman; 25.4 in the 50 and 2:09.9 in the 200 by Bob Leonard of OC Classen; 58.3 in the 100 by Bob Lewis of Bartlesville and 1:28.6 in the 150 medley relay by the OC Classen trio of Larry Williams, John Channer and Leonard.

George McCormick, Oklahoma's crack freshman track prospect from Amarillo, led all Sooner athletes in scholarship last semester with a perfect 3.0 average. McCormick is majoring in business management.

BUS WHITEHEAD... holder of the Nebraska scoring record will join the National A.A.U. champion Phillips 66 team next season.

IS Has 30 Competing for Baseball '9'

AMES, Iowa.—Thirty Iowa State baseball candidates are still in the running for positions on the 1950 Cyclone nine.

Cap Timm has reduced the squad to 30 from more than twice that number. He plans no further cuts until after the early contests with Iowa Teachers and Simpson.

Nine lettermen are on the squad including the top three pitchers from the 1949 squad. The list includes Capt. Bob Henely, Dale Foell, and Bob Sennewald, infielders; Ken Johnson, Sterling Singley, and Don Burgess, pitchers; and Bob McLuen, Wayne Ford, and Leroy Wiltzie, outfielders.

Coach Timm has indicated, a preponderance of veterans will be in the lineup March 31, April 1 against Iowa Teachers. Actually, though, the veteran mentor will not be surprised to see several sophomores break into the starting lineup in those four games.

Early indications are that Dick Shoehair will be at first with outfielders McLuen and Wiltzie as his alternates. At the infield spots Henely, Foell, and Sennewald have the edge at the moment.

Johnson, Singley and Burgess are rated the top pitchers again this year. Timm, however, is looking for help for them from a pair of sophomore left-handers—Jack Lubring and Burt Bushnell.

Tom Norris and Ray Stewart have been pushing Delbridge for catching honors and are all ready to take over in case the former Cedar Rapids star is not ready.

In the infield John Guernsey and Frank Swann appear to be the sophomores most likely to break up the veteran letterman trio. Ford, Wiltzie, Gerald Oyster, Walt Burt and Paul Art, as well as McLuen and Stone, are close in the outfield race.

Indoor drills have indicated more hitting power this year, a feature most pleasing to Timm.

Water Basketball in Action; Student Union, Betas Lead

The basketball season picked up anew this week, only now the game is played in water.

Water-Basketball took over the intramural sportlight as the three newly formed leagues started the ball rolling, or floating, you might say.

Fourteen games have gone by the boards already with the victories pretty well distributed among the participants, suggesting the strength of the leagues.

Ligue I is currently being lead by Beta Theta Pi with a record of two wins and no losses. Since the season's victories, the Betas have taken victories over Sigma Phi Epsilon and Sigma Alpha Epsilon by scores of 10-0 and 9-4.

Phi Delta Theta is holding down second position with a 1-0 record, that win being a 3-1 triumph over Phi Gamma Delta.

The Phi Gams are in third place along with Alpha Tau Omega. Both own one win and one defeat. The Taus dropped their lone contest to the Phijs, 8-2, while winning over the Sig Eps, 7-2.

Fifth and sixth places are occupied by the Sig Alphas and Sig Eps with records of 0-1 and 0-2. Only two games have been played in league II, but the two winners being at the top. Sigma Nu owns a 8-4 victory over Delta Tau Delta and Phi Kappa Psi ob-

Prospects Bright For Outdoor Track

By Bob Banks

With the indoor track season past history, Coach Ed Weir will now set about the task of grooming a cinder squad to carry Scarlet and Cream colors on the outdoor oval.

The Cornhuskers will receive their first test on April 18 when they will travel to Lawrence, Kansas, for a dual meet with the Jayhawkers.

Prospects for a good season are fairly bright. The squad will have several lettermen and a host of strong sophomores. Last year the Weirmen placed third in the conference.

The sprints will probably remain something of a mystery until after the first few meets. "Hurryn" Harry Meginnis, Lincoln, is the only returning letterman in the short races. As a sophomore he was conference king in both the 100 and 220.

Other hopefuls are Lee Alexander, Plainview, and Billy Baker, Salina, Kansas. Both are sophomores.

Loyal Hurlbert of Ord should be top man in the quarter-mile race. Last year he was second in the conference standings and he turned in some good times during his career.

Cream of the 880 men should be veteran Harold Kopf of Lexington who was sixth last year in the outdoor meet. Other contenders are Ken Jacobs, Minden, and Lee Moore of Grand Island.

Moore could do very well among conference competition in the mile although he is only a sophomore; judging from his performances during the indoor season. Other aspirants are Jacobs and Gene Robinson of Oshkosh.

The main hopes for the 2 mile lie in Bob Reece, Phillipsburg, Kansas, and Dean Barnhell of Sutton, Esref Aydin, the Turkish runner, is out of school at the present time.

Outstanding in 220 In the 220 yard high hurdles the Huskers have some outstanding men. Ray Magasmen, Albion, was third last year and Bob Berkshire ran in the fourth position.

Outstanding in 220 In the 220 yard high hurdles the Huskers have some outstanding men. Ray Magasmen, Albion, was third last year and Bob Berkshire ran in the fourth position.

Both Charley Toogood, North Platte and Jim McConnell, Central City can shove the shot put over 48 feet.

Don Cooper is fully recovered from an indoor injury and should do very well in the pole vault. Another top stratospheric performer is Kehl.

Wayne Sees, discus hurler from Gordon, was third in that event last year with a mark of 147 feet. Toogood will double up in this event.

Javelin throwers Magesmen, McConnell and Warren Mson are all lettermen and have hung up good throws in this event.

Chief men in the high jump are Dick Meissner, letterman from Omaha, and Ted Mead, Scottsbluff.

Men capable of broad jumping 22 feet are Owen Brainard, Lincoln, Ted Randolph, Ord, and Roger Ritter of Kearney.

The triathlons handling the relay are Kehl, Kopf, Meginnis, Cole and Hurlbert. The indoor relay team was a good one and the Huskers have good chances in this event for the outdoor campaign.

Sooners Open With 5-4 Win

The University of Oklahoma opened its home baseball season with a 5-4 victory over the University of Minnesota at Norman Monday.

The Sooners used home runs by Stephens and Travis Wiginton to gain a 4-0 lead and quelled Minnesota rallies in the late innings.

Minnesota 0-0 111 610-4 7 1 Oklahoma 0-0 013 000 108-5 5 3

ATO's Crush Sig Gams To Take All-U Championship

Taus Are Terrific in Racking Up 60-41 Win

By Bill Mundell (Acting Sports Editor)

With a blazing fast break and terrific ball handling, the ATO's Tuesday night crushed Sigma Gamma Epsilon, 60-41, and thus lay claim to the title of All-University champion.

The Sig Gams were off their usual game, but couldn't have come close to the terrific Taus on any day.

Teamwork was the whole story as the Taus moved up and down the court as a unit of precision.

Stars? The floor was full of them. The whole ATO starting team of Jack Carroll, Frank Collopy, Hobe Jones, Doug Barry, and Doyle Busskohl played a brilliant brand of ball.

Two Score Twenty Carroll and Jones were the scoring titans as they both grabbed a night's total of 20. Carroll made his 20 in every conceivable manner except using a step-ladder. Shots, that you'd bet your bottom wouldn't score, dropped through the nets.

Jones' point getting was secondary in ranking his worth to the Taus. He controlled both boards so consistently that hardly another man touched the ball under the hoops.

To add insult to injury to the Sig Gams, Mack Robinson, the ATO leading scorer wasn't around the first half and didn't play much of the second. It is very doubtful, however, that his presence could have added anything to the polished performance that his mates were giving.

The Sig Gams, however, were not hopelessly outclassed. They fought all the way and made the game a real contest for two and a half quarters, but the strain began to tell, and they tired quickly.

Jumping Jack Yelkin, practically assured of a berth on the All-University All Star Team, couldn't seem to get rolling during the game. His shots were all short as if he were really tired out.

His rebounding was off his usual par, too, though not completely gone. He maneuvered himself into the clear time and time again, but his shots just wouldn't go through. Four did, though, and with a free toss, gave him an evening's total of nine.

Brother Gene topped the losing scorers, netting a total

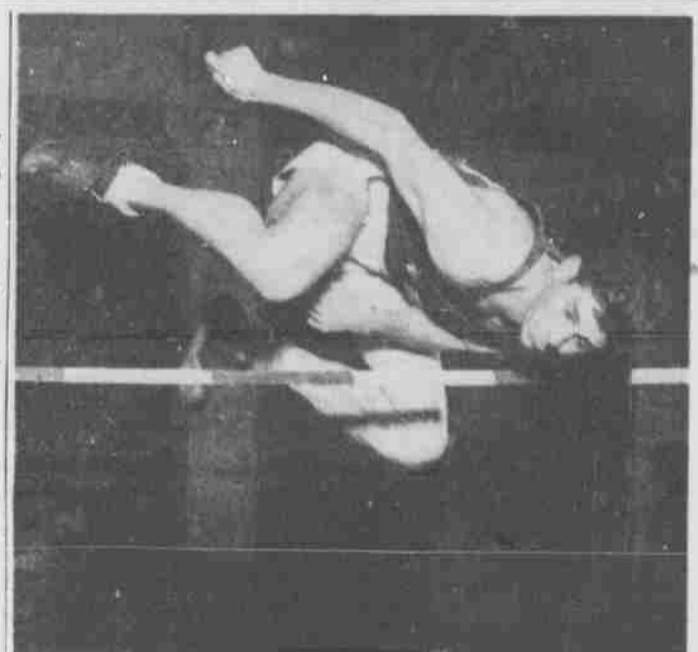

KS Team Might Be Contenders

MANHATTAN.—If Kansas State can improve its 1949 team batting average of .239, Coach Fritz Knorr believes his Wildcat baseball team will be a contender for the Big Seven crown this spring.

Jack Nielsen, whose .373 average made him the third-leading hitter in the conference last year, is gone from the Wildcat ranks as is Dana Atkins who hit .303. However, Knorr feels that leather pounders like Dick Johnson, outfielder; Dave Bremner, first baseman; Cliff Schumacher, catcher; and Dale Carr, shortstop, are due to break loose this season and mek the 'Cat hitting more frequent.

Stranger Club The 'Cat coach says his club will be stronger in fielding and pitching this season. Last year, Jack Dean, now the property of the Topeka Owls Western Association team, carried the brunt of the hurling load, winning 7 and losing 3.

Two sophomores and veteran Duane Holder, injured most of last year, will give Knorr his pitching punch. Holder won only one and lost six in 1949. The sophomores are Perk Reitemier, who tossed in the Indiana semi-pro ranks last summer, and Jim Iverson, from Platte, S. D.

DICK MEISNER—Improving throughout the whole indoor season has the ability to become one of Nebraska's greatest high jumpers. As was the case this year, it will be next year. Meisner took practically the whole load in his pet field event.

of twelve. Three swishers from far out helped him garner his 12.

Chuck Nunley played a good game all the way through. Replacing Yelkin at the pivot spot, he added some timely markers to the Sig Gam running total. All told he earned eight points.

Taus Start Fast With Hobe Jones leading the way, the Taus ran up a 6-0 lead and stretched it to 16-2 with four minutes gone. The tempo slowed and the Taus led at the first quarter, 15-9.

Manager, guard, Doyle Busskohl added the first of his nine points to up the margin to eight points and that's the way it stayed for most of the second period. Halftime read 27-18 for Alpha Tau Omega.

The Sig Gams kept the margin about the same during the first six minutes of the third stanza largely through the work of Nunley. With 14 minutes to go the score stood at 39-29.

Then the champions went to work. They upped the reading to 43-29 as they went into the final round, paused while the Sig Gams scored a couple and then scored four for every agonist point from there on.

Nine straight Tau points towards the end padded the lead. Seven of these nine were sent spinning through the hoops by Carroll on some nifty assists by Jones, Busskohl and Collopy.

The largest Tau lead was 25 points with two minute remaining. With the score standing at 60-35, Cal Nuss and Gene Yelkin personally dropped in six. One of Nuss' two pointers was arching towards the nets as the final bell rang.

ALPHA TAU OMEGA

Totals 17 7-14 14 41

LEONARD KEHL—Off his form, but with a big competitive heart helped the Huskers to second place in the Big Seven indoor championship with a place in the pole vault. He will be back next year to regain his indoor record which he held until Bill Carroll of Oklahoma took it away from him.
