Coach Sharpe's Crew Hits Park College Nine, 25 to 3

The Nebraska baseball squad made it two in a row on their road trip, by pounding Parks college in East St. Louis Illinois, 25-3.

In the second inning the Cornhuskers went wild, collecting eleven runs. Receiving credit for the victory was Del Kopf, Lexington sophomore, who went six innings, giving up four hits and three runs. Receiving him in the seventh was Dick Curley of Craig, Starting hurler for Parks was Jim Hinchey who gave up 17 runs before John Rendos took over.

Mishaps for the two squads were at a premium with Nebraska making eight errors, and East St. Louis committing eleven. Diers Hits 5x7

Leading in this slugging department for the Huskers was Bob Diers, connecting safely five times in seven official appearances at bat. Bob Cerv, Bill Denker, and Tom Novak followed close behind with four hits apiece.

In the first inning Denker slashed a home run down the left field line with Diers and Cerv on base. Ray Mladovich, Diers, and Cerv each garnered a triple in the Husker attack.

Out of the 13 Huskers seeing action, only two failed to get a hit.

NU Pitchers Make Huskers Darkhorse

"If we can get average pitching we might surprise some of the Big Seven ball clubs."

This was the way the Baseball Coach Tony Sharpe sized up the Cornhusker chances for 1950 before he and his team left Sunday by bus for a jaunt through Missouri and Illinois.

Elroy Gloydstein, left hander from Waco, will probably be lost for the entire season due to a back injury. He has been a starting pitcher for the last two seasons and his loss hit the Huskers in their weakest spot.

Camp Back Only other returning letterman among the pitchers is Bob Camp who was a relief man last year.

The weather has permitted the Nebraska squad to get outside only four times since practice started February 1. But the hitting and fielding has looked good in those brief appearances.

In their first game of the season the Cornhuskers walloped Southern Illinois 10-0 as Linus Vrbka pitched no-hit ball for six innings.

The second game found the Sharpe squad defeating Parks College to the tune of 25-3.

The remaining four games are: Wednesday, April 12 - Washington University at St. Louis. Thursday, April 13 - Washington University at St. Louis. Friday, April 14 - University of Missouri at Columbia. Saturday, April 15 - University of Missouri at Columbia.

Men making the first trip include: Catchers - Tom Novak, Omaha; Bob Lohrborg, Lincoln. Pitchers - Bob Camp, West Point;

OUTFIELDER Bob Cerv, Third Sacker Bill Denker, Shortstop Bob Grogan, and Outfielder Hobe Hayes (l-r) are adding their share in the Nebraska batting attack. Cerv and Denker each collected four hits against Parks with Denker pounding a home run with two on in the first inning. Cerv hammered a double, a triple, and two singles to add to the Cornhusker cause.

Press Box Views

By Kimon Karabatos. (Sports Editor, Daily Nebraskan)

Spring vacation is over and to most of us it is back to the same old grind, but to 82 spring football players it is a little different.

The past six or seven weeks has been a lot of extra work on the part of the Huskers who only last Saturday climaxed their spring drills with a game against the alumni. Needless to say, the game ended in a 13-13 deadlock.

Alumni Surprises. To most of their followers and to the team itself, it was a mild shock. Pre-game dopesheets had the varsity a 40 point favorite, but a determined bunch of "old-timers," sprinkled with a few youngsters, upset Coach Bill Glassford and his sophomore studied varsity.

After the game, Glassford was forlorn and disgusted. Why? I do not know. There were four professional football players on the alumni squad and none of them were slouches when it came to the "play for pay" game.

Sam Vacanti was one of the better passers in his league and Cleus Fischer has made a name for himself in the pro ranks. The other two, a couple of giant tackles, served their time in the pay ranks and now are successful businessmen.

When speaking of Vic Schleich after the game, Glassford said that he was as good as any tackle his team played against last fall. With Schleich and Ted Doyle at the two tackle positions, the varsity was stumped when they used their line plays.

It just proved that with a couple of good tackles, a team can go a long, long way. Last year Nebraska was weak at this position, lacking depth. For good consistent play, Glassford had only one man, Charley Toogood.

Boil? Come this fall, he should have another outstanding tackle in Don Boll. Boll has been receiving a lot of favorable publicity all through the spring drills and a heavy burden rests on his shoulders.

He is only a sophomore and he will be running against seasoned men—men who have learned many tricks of the trade, but before the season is over, he will have his "bag of tricks."

The spring drills went over quite well and this was the first in quite some time that the Huskers have been able to take advantage of the Big Seven's spring work-outs. Last year, Glassford had to rely on his Curtis camp for "Spring" drills.

To those who gripe when they think about getting back to the "old grind" of studies, think a minute of the football players who will be getting back to JUST studies.

Jack Andrews Takes Handball Championship

Jack Andrews is the 1950 individual handball champion and Sigma Alpha Epsilon the team champ at the close of the All-University Handball Tournament last Thursday.

Andrews, representing the Y Boys Club, defeated Cozy Kline of the Sig Alphas in the finals by scores of 21-17 and 21-9.

The Y Boys Club finished in a second place behind the SAE's with Phi Delta Theta, both netting 75 points to the champion's 85 markers.

Following the top three in this order were: Beta Theta Pi—55, Phi Gamma Delta—45, Presby House—35, Delta Tau Delta—35, Sigma Chi—20, Alpha Tau Omega—20, Zeta Beta Tau—15, Sigma Phi Epsilon—5, and Kappa Sigma—5.

Chancellor Gus And Coach Bill To Begin Tours

Chancellor Gustavson and Football Coach Bill Glassford will be out of Lincoln next week on a four-day speaking tour of northeast Nebraska.

On Monday night both of them will be guest speakers for a dinner meeting at Neligh. On Tuesday noon they will speak at Tilden and they are booked for speeches at Stanton that evening.

Chancellor Gustavson will attend the 1000-plate dinner at Norfolk on Wednesday evening while Coach Glassford speaks at O'Neill.

I-M Softball Opens Play On Monday

Intramural softball was all set to go Wednesday with the I-M office's release of schedules and special notes.

The first games of the 1950 season will get under way on Monday at 5:45 p.m. on nine fields, six at Ag College and three on the City Campus.

Special information to all managers and participants have been sent to all entries and is reprinted in part here.

Due to the crowded schedule and the ruling by the University Administration that all games be completed by Saturday May 20th, there will be no postponements of any games, except playoff contests.

Games Canceled Any of the games that cannot be played on account of rain or field conditions will be canceled. Games cancelled due to the weather conditions "may be played" if the team managers desire to arrange for a Saturday game or on some other available field during the week.

It is hoped that the present plans for the playoffs will compensate for any games having to be cancelled.

Four teams from each league will qualify for the playoffs following the league round robin games, making 16 teams in the fraternity playoffs and 12 outfits in the Independent playoffs.

No Sunday Playing Of special importance is the notice that the University does not permit playing softball or baseball on either the City Campus or Ag College Campus on Sundays.

Equipment for games at Ag College will be checked out at the northeast corner in the basement of the Ag Activities Building.

Equipment for the games on Coliseum fields will be checked out at the Physical Education Building equipment cage.

The two opposing managers must go to the equipment check-out cages together to secure game equipment. Both managers will be required to make a deposit in the amount of \$10.00. Neither deposit will be returned until all equipment is checked in. Replacement cost will be charged for all equipment unnecessarily damaged or broken or lost.

Ground Rules Ground rules will be made before each game, covering such items as trees, fences or other obstacles which might interfere with players attempting to play the ball.

Team using the Coliseum fields are asked to avoid climbing over the snow fence surrounding the Varsity baseball field. There will be a man stationed behind the fence to retrieve balls and all balls going over the fence will be declared "dead."

55 Teams A total of 55 teams have entered competition this spring and have been separated into eight leagues. Four fraternity leagues will have seven teams each, three Independent leagues will contain six teams each, and the lone Denominational league will have eight teams.

The opening day's schedule finds the following teams beginning battle: Newman Club vs. Baptist House on Ag Col. No. 1. Presby House vs. Cotner House on Ag Col. No. 2. Methodist House vs. Lutherans on Ag Col. No. 3. InterVarsity vs. Univ. YMCA on Ag Col. No. 4. Sigma Gamma Epsilon vs. A.S.M.E. on Ag Col. No. 5. City YMCA vs. Student Union on Ag Col. No. 6. Dorm B vs. Spalding Nine on Coliseum No. 1. Alpha Kappa Psi vs. Norris House on Coliseum No. 2. Dorm C vs. Ag Men's Club on Coliseum No. 3.

Husker Thinclads Journey To K-S for Season Opener

BY BOB BANKS (Staff Sports Writer)

The Cornhusker outdoor cindermen will raise the curtain on their 1950 campaign when they travel to Lawrence, Kas., for a dual meet with the Jayhawkers on Saturday. The Kansas are the Big Seven indoor champs.

Coach Ed Weir will try to offset the Kansas scoring punch of Pat Bowers and Bob Karnes in the middle and distance races with heavy Cornhusker strength in the sprints and hurdles. There is a strong possibility that the meet may not be decided until after the relay has been run.

Weather Stops Continued bad weather has hampered the hopes of both squads. Their work outside has been very limited. The Nebraska team will leave Friday and stay over night at Topeka, returning to Lincoln after the meet Saturday.

The Cornhusker entries: Mile run—Lee Moore, Grand Island; Ken Jacobs, Minden; Gene Robinson, Oskosh. 100-yard dash—Harry Meginnis, Lincoln; Lee Alexander, Plainview. 220-yard dash—Meginnis, Alexander, Loral Hurlbert, Ord. 440-yard dash—Hurlbert, Meginnis, Wendell Cole, Weeping Water; Harold Kopf, Lexington. 880-yard run—Kopf, Moore, Jacobs. 3-mile run—Dean Barnell, Sutton; Bob Reese, Phillipsburg, Kas. 120-yard high hurdles—Ray Magaamen, Albion; Bob Berkshire, Omaha; Don Becker, North Platte. 220-yard low hurdles—Magaamen, Colo. Berkshire. Pole vault—Don Cooper, York; Leonard Kehl, Scottsbluff. High jump—Dick Meissner, Omaha; Tom Mead, Scottsbluff. Discus—Wayne Sees, Gordon; Jim McConnell, Central City. Javelin—Warren Monson, Saroville; Magaamen. Broad jump—Owen Brainard, Lincoln; Ted Randolph, Ord. Shot put—McConnell, Charles Toogood, North Platte; Sees.

Twenty-five percent of all drivers involved in fatal automobile accidents in the U. S. last year were between the ages of 18 and 24.

Forty-Six Miles Of Football Film Shown

BY BOB BANKS (Staff Sports Writer)

Since last November 1, Nebraskans both in the state and over the nation, have viewed over 46 miles of films showing the Cornhuskers in action on the football field and on the basketball floor.

Also, since November 1, various athletic dinners and alumni gatherings have received 246,000 feet of film.

Wendell Hoffman, manager of the University's Photographic Laboratory, has built and installed a processing unit which now makes it possible to have films ready for the screen two hours after an athletic contest ends.

Before this, the film had to be sent to Kansas City or Chicago for processing. This usually meant a delay of 48 hours.

Last Saturday it was possible to show the Cornhusker Alumni how they looked in action at the dinner which was held for them after the game against the Varsity.

New Foe Miami Gains Prestige

Newest foe on the Nebraska football slate is the University of Miami. In the past few years, Miami has been on a steady rise.

The Nebraska boys will journey to Miami for their first game on November 30, 1951.

Next season the Florida gridderes will play Villanova, Purdue, Boston University, Pittsburgh, Iowa and Missouri.

In 1951, they will play Tulane, Purdue, Kentucky, Florida, Nebraska and Pittsburgh.

State Sponsors Swim Seminar

Sponsored by the State of Nebraska, a swimming pool seminar will be at 9 a. m., Friday April 14 in the West Senate Lounge of the State Capitol Building. Arrangements have also been made for a group luncheon at the Y.W.C.A.

Some of the subjects that will be discussed are: Public Health aspects of swimming pools, filter operation, chlorination, water quality, and others.

People interested in swimming pool operations, maintenance, or planning are urged to attend whether they be council members, park board members, pool operators or managers.

20's Dance Tempos Flame In Big 15

Before this, the film had to be sent to Kansas City or Chicago for processing. This usually meant a delay of 48 hours.

Last Saturday it was possible to show the Cornhusker Alumni how they looked in action at the dinner which was held for them after the game against the Varsity.

Next season the Florida gridderes will play Villanova, Purdue, Boston University, Pittsburgh, Iowa and Missouri.

In 1951, they will play Tulane, Purdue, Kentucky, Florida, Nebraska and Pittsburgh.
